28 **SUMMER BORN CHILDREN**

Consideration was given to a presentation on the analysis of outcomes of summer born children, the overall conclusions were as follows:

- Summer born children (younger) attain/achieve less well than their peers.
- Summer born children make better progress than their peers.
- Research by Institute of Fiscal Studies found no evidence of long term difference in adults.
- At key stage 4 the greater drop is between Autumn and Spring in most academic subjects.
- There is no difference in attendance based on month of birth.
- The number of Children with a statement of educational need or education, health and care plan is similar for Autumn, Spring and Summer born.
- The number of children receiving additional support in schools increases by month/term of birth in primary.
- There is a notable decline in support at secondary – possible transfer of pupils to specialist provision ?
- Children who were held back a year did not achieve better outcomes.

The Committee received data from the 2017 census that indicated that children who were born in the summer were not more likely to have a statement of special educational needs. However they achieved less well due to age and therefore more summer born children were provided with additional support to enable them to make progress. It was noted that the priority for the Council was to close the gap between boys and girls.

RESOLVED

That the presentation be received.

29 **TRANSPORT UPDATE**

Further to the meeting held on 25 September 2017, the Committee received a presentation on the transport policy review, which included an update on phase 1 and 2 of the Available Walking Routes to Schools. In regard to Bollington to Tytherington High School, it was noted that a new crossing had been installed and the declaration of the route being available was imminent. The Committee agreed to walk the route in December.

The presentation also detailed:

- Post 16 Travel Policy Statement
- Independent Travel Training for SEN pupils
- Sustainable Modes of Travel Strategy

- Safer Routes to Schools, a decision would need to be made as to how Overview and Scrutiny would be involved, one possibility would be to hold a joint meeting.
- Business Process Review, this would involve making efficiency savings.

The date for consideration by Cabinet had now been put back to March 2018.

RESOLVED

1. That the Committee walk the Bollington to Tytherington available walk to school in December.
2. That a further update be brought back to the next meeting of the Committee.

30 LOCAL AUTHORITY DESIGNATED OFFICER ANNUAL REPORT 2016/2017

Consideration was given to the Local Authority Designated Officer (LADO) Annual Report 2016-2017. Working Together to Safeguard Children 2015 (WTSC) required local authorities to have a particular officer or team of officers to be involved in the management and oversight of allegations against people who work with children. The LADO provided advice and guidance to employer's and voluntary organisations and would liaise with police and other agencies as required. The LADO had responsibility to monitor the progress of individual cases to ensure they were dealt with quickly, fairly and consistency, as well as identifying significant patterns and trends across the workforce.

It was noted that the number of referrals from the voluntary sector, particularly smaller organisations, was low and that officers were working with the Local Safeguarding Children's Board Lead to promote the service. A one minute guide on when to report a case to the LADO was available, the Committee agreed that this should be added to Councils Live Well web page and that more needed to be done to promote the service to community groups.

RESOLVED

That the one minute guide be available on the Councils Live Well web page.

31 ANNUAL IMPROVEMENT PROGRESS REPORT

The Committee received a self assessment report on the progress to date against the recommendations from the Ofsted inspection in July 2015. A self assessment was also completed in July 2016, where it was agreed that although a number of the recommendations had been met, progress against all the recommendations would be revisited to ensure that progress had been maintained and to evaluate the Councils position relative to the other longer term quality or practice recommendations that had not been met.

The Council strived towards consistently good practice across the service, however certain areas such as safeguarding were complex. It was acknowledged that more work needed to be done in regard to Education Psychology assessments; the Council was currently in the process of recruiting additional

Psychologists and the possibility of joint working with other authorities was being considered.

In regard to liquid logic, it was reported that the system was popular with staff, the quality of data was improving, it was being adapted to facilitate signs of safety and more Councils were buying into the product.

It was agreed that a paper on signs of safety and how it worked in practice would be circulated to the Committee.

RESOLVED

That a paper on signs of safety be circulated to the Committee.

32 CHILDREN AND FAMILIES PERFORMANCE SCORECARD - QUARTER 2, 2017-18

Consideration was given to an overview of performance across the Children and Families Service for quarter 2 of 2016/17. The measures rated red and amber related to child protection and cared for children, initial health assessments notified with 48hrs and the performance around EHCP being completed within 20 weeks.

RESOLVED

That the scorecard be received

33 WORK PROGRAMME

Consideration was given to the work programme. In order for the Committee to give consideration to the budget, it was agreed that an additional meeting would be arranged for 15 January 2018 and that the meeting scheduled to be held on 29 January 2018 be cancelled. The CAHMS update would be considered at the meeting scheduled to be held on 26 March 2018.

RESOLVED

1. That an additional meeting of the Committee be arranged for 15 January 2018.
2. That the meeting scheduled to be held on 29 January 2018 be cancelled.
3. That the CAHMS update be considered by the Committee at its meeting scheduled to be held on 26 March 2018.

The meeting commenced at 2.00 pm and concluded at 4.30 pm

Cheshire East Council

Date of Meeting: 15th January 2018

Report to: Children & Families Overview and Scrutiny Committee

Subject/Title: Children & Families Budget proposals 2018-21

1. Report Summary

- 1.1. In November 2017 Cheshire East Council issued its Pre-Budget Consultation setting out proposals for change for the period 2018/19 to 2020/21. The report provides an opportunity for interested parties to review and comment on the Council's Budget proposals.
- 1.2. The budget proposals described in the consultation document are Council wide proposals and the Council's intention at this stage is that consultation is invited on the broad budget proposals. The implications of individual proposals may be much wider for individuals affected by each proposal. Where this is the case, the Council intends to undertake full and proper consultation with people who would potentially be affected by individual budget proposals
- 1.3. The full Pre-Budget consultation document 2018/21 can be found below:
http://cheshireeast.gov.uk/council_and_democracy/your_council/council_finance_and_governance/cheshire_east_budget/cheshire_east_budget.aspx
- 1.4. The extracts at Appendix 1 relate to the specific budget proposals for Children's Services and are provided to the committee as an opportunity for discussion and scrutiny of the proposals.

3. <p>5. Care Placements (Revenue Investment)</p> <p>There has been a 17% increase in the numbers of cared for children in Cheshire East over the last year, which is a situation being experienced elsewhere, both regionally and nationally. Although we are still below national and local comparators, admissions to care have continued to exceed the number of discharges and the complexity of needs of individuals are increasing due to improved assessments and effective prevention arrangements. This increase in numbers and complexity has resulted in the need for additional placement purchases, including high cost placements, and additional staffing to support children, young people and care leavers.</p> <p><i>Impact on Children's Social Care Service Budget =</i></p>	+3.000	+4.000	+5.000

OUTCOME 5

Changing the way we work	2018/19	2019/20	2020/21
<i>Managing services in a way that gets more for less. Investing in modern technology to get better quality outputs, eliminating duplication and streamlining processes.</i>	£m*	£m*	£m*
<p>52. Restructure Prevention and Support (Revenue Savings)</p> <p>Integrate the Prevention Service into the wider Cheshire East Family Support (CEFS) service, and redesign the new service across a continuum of support needs.</p> <p style="text-align: right;"><i>Impact on Prevention and Support Service Budget =</i></p>	-0.937	-0.937	-0.937
<p>53. <p>54. Review Early Help Commissioned Services (Revenue Savings)</p> <p>This proposal is not to re-commission Early Help services (Family Support and Youth Support) when the current group of contracts come to an end on the 31st March 2018.</p> <p style="text-align: right;"><i>Impact on Children's Social Care Service Budget =</i></p>	-0.252	-0.252	-0.252

<p>55. Review Social Care Commissioning (Revenue Savings) Reduce existing contracts across Children's Social Care, reduce the use of a call-off contract and a move away from spot purchasing to a framework contract.</p> <p style="text-align: right;"><i>Impact on Children's Social Care Service Budget =</i></p>	-0.085	-0.085	-0.085
<p>56. Youth Support Service Restructure (Revenue Savings) As the number of NEET young people in Cheshire East has reduced this has resulted in smaller group of young people supported into EET. These young people have more complex needs which means the skills set will need to be addressed to respond to the changing demands for work with young people who are not in education, employment and training (NEET).</p> <p style="text-align: right;"><i>Impact on Prevention and Support Service Budget =</i></p>	-0.263	-0.263	-0.263
<p>57. Alignment of teams to create a People's Commissioning Service (Revenue Savings) Align the functions of the children and adult commissioning services to generate savings. Initial savings would be met by not recruiting to duplicated vacancies within the People Directorate.</p> <p style="text-align: right;"><i>Impact on People Directorate Service Budget =</i></p>	-0.030	-0.030	-0.030
<p>58. Realignment of Children's Social Care Management and Staffing (Revenue Savings) Children's Social Care (CSC) teams have been on a significant improvement journey since April 2013, following an 'inadequate' inspection judgment by Ofsted. At that time there was a need to provide a high level of management and support to drive improvements in social work practice. The service is no longer judged inadequate by Ofsted following an inspection in July 2015. CSC has more recently moved away from improvement planning to a 'business as usual' model of working. This targets the service to delivering the statutory requirement to protect and support vulnerable children, young people and families, including cared for children and care leavers. Increasingly CSC is working sub-regionally to collaborate on delivering key services, including adoption and fostering. This has led to the opportunity to reshape and realign remaining services to ensure a better and more targeted use of resources. This includes maximising and targeting which services are commissioned externally.</p> <p style="text-align: right;"><i>Impact on Children's Social Care Service Budget =</i></p>	-0.335	-0.335	-0.335

66. Efficiency Savings in Children's Social Care (Revenue Savings)

Continue to explore the possibility of improved efficiency of existing safeguarding services by collaborating with a number of other local authority areas to pool resources, share good practice and reduce duplication.

FORWARD PLAN FOR THE PERIOD ENDING 31ST MARCH 2018

This Plan sets out the key decisions which the Executive expects to take over the period indicated above. The Plan is rolled forward every month. A key decision is defined in the Council's Constitution as:

- (b) to be significant in terms of its effects on communities living or working in an area comprising one or more wards or electoral divisions in the area of the local authority.

For the purpose of the above, savings or expenditure are “significant” if they are equal to or greater than £1M.”

Reports relevant to key decisions, and any listed background documents, may be viewed at any of the Council's Offices/Information Centres 5 days before the decision is to be made. Copies of, or extracts from, these documents may be obtained on the payment of a reasonable fee from the following address:

Democratic Services Team

Telephone: 01270 686472

However, it is not possible to make available for viewing or to supply copies of reports or documents the publication of which is restricted due to confidentiality of the information contained.

A record of each key decision is published within 6 days of it having been made. This is open for public inspection on the Council's Website, at Council Information Centres and at Council Offices.

This Forward Plan also provides notice that the Cabinet, or a Portfolio Holder, may decide to take a decision in private, that is, with the public and press excluded from the meeting. In accordance with the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012, 28 clear days' notice must be given of any decision to be taken in private by the Cabinet or a Portfolio Holder, with provision for the public to make representations as to why the decision should be taken in public. In such cases, Members of the Council and the public may make representations in writing to the Democratic Services Team Manager using the contact details below. A further notice of intention to hold the meeting in private must then be published 5 clear days before the

meeting, setting out any representations received about why the meeting should be held in public, together with a response from the Leader and the Cabinet.

The list of decisions in this Forward Plan indicates whether a decision is to be taken in private, with the reason category for the decision being taken in private being drawn from the list overleaf:

1. Information relating to an individual
2. Information which is likely to reveal the identity of an individual
3. Information relating to the financial or business affairs of any particular person (including to authority holding that information)
4. Information relating to any consultations or negotiations, or contemplated consultations or negotiations, in connection with any labour relations matter arising between the authority or a Minister of the Crown and employees of, or office holders under the authority
5. Information in respect of which a claim to legal and professional privilege could be maintained in legal proceedings
6. Information which reveals that the authority proposes (a) to give under any enactment a notice under or by virtue of which requirements are imposed on a person; or (b) to make an order or direction under any enactment
7. Information relating to any action taken or to be taken in connection with the prevention, investigation or prosecution of crime

If you would like to make representations about any decision to be conducted in private at a meeting, please email:

Paul Mountford, Executive Democratic Services Officer
paul.mountford@cheshireeast.gov.uk

Such representations must be received at least 10 clear working days before the date of the Cabinet or Portfolio Holder meeting concerned.

Where it has not been possible to meet the 28 clear day rule for publication of notice of a key decision or intention to meet in private, the relevant notices will be published as soon as possible in accordance with the requirements of the Constitution.

The law and the Council's Constitution provide for urgent key decisions to be made. Any decision made in this way will be published in the same way.
