Outdoor Music

No amplified live music is to be played within the marquee or any other outdoor area at any time.

Amplified recorded music which is played within a marquee is to be restricted to low volume, background music level only - which should be regulated by a nominated responsible person under the control of the Golf Club.

All doors and windows of the function room are to be kept closed during the playing of amplified live bands and/or amplified recorded music and/or amplified voice.

Regular checks are to be made by a responsible, nominated person as regards music volume levels from the premises. A record of any action taken is to be kept in a log book and made available for inspection by a Local Authority Officer at any time.
