No questions had been submitted or were forthcoming at the meeting and the Committee proceeded to its next item of business.

20 MINUTES OF PREVIOUS MEETING

The Committee was invited to approve the Minutes of the meeting held on 26 September 2011.

RESOLVED: That

Subject to the following correction, namely that reference to 'a Sub-Committee of Audit and Governance Committee' be amended to read 'an ad-hoc Standards Sub-Committee of Audit and Governance Committee'; the Minutes of the meeting held on 26 September 2011 be approved as a correct record.

21 STANDARDS REGIME AND LOCALISM BILL: DEALING WITH COMPLAINTS UNDER A FUTURE CODE OF CONDUCT

The Chairman invited the Monitoring Officer and Borough Solicitor to update the Committee on the latest position in respect of the Localism Bill.

It was reported that the Bill had recently received Royal Assent; the Localism Act 2011 coming into force on 15 November 2011. The provisions of the Act in respect of standards had shifted from the Government's original position although the abolition of Standards for England remained. The Monitoring Officer drew Members' attention to paragraph 10.1.3 of the agenda report which succinctly summarised the changes to be imposed i.e.

- All authorities would be required to have a mandatory, rather than voluntary Code of Conduct
- The Code must be in accordance with the 7 Nolan principles of public life i.e. Selflessness, Integrity, Objectivity, Accountability, Openness, Honesty and Leadership
- Councils could continue to operate under the Model Code or adopt a simplified version based on the above principles
- Members would be required to register and disclose pecuniary interests
- A system to deal with conduct complaints had to be put in place but there was no obligation to retain a Standards Committee to undertake this function
- An Independent Person had to be appointed through a transparent process of advertisement and interview
- Principal Councils would deal with allegations of breaches of the Code in relation to Parish Councillors

The requirement to have a Code of Conduct in accordance with the Nolan principles would also apply to Parish Councils. From a practical point of view, the Monitoring Officer considered that the complaints process would be far easier to administer if all parishes within Cheshire East adopted the same Code and she reported that the Council would be working with ChALC on this matter.

Having invited comments on the proposals, a Member sought clarification as to the role of the Independent Person and asked whether the Act prohibited more than one individual being appointed. The Monitoring Officer stated that, at present, there was insufficient detail within the Act about this matter but there was nothing to suggest that only a single appointment could be made. What was clear, however, was that the restrictions on who could be appointed were stringent and the post(s) would have to be advertised externally; the present post holders being prohibited from applying.

To enable an open and frank discussion to be held on the future of standards, Members had agreed that a meeting of the Committee's Issues and Ideas Working Group should be held and a provisional date of 25 October 2011 had been set. Due to the continual shift in the government's position as the Bill progressed through Parliament, a decision had been taken to postpone the meeting.

The Chairman considered that there was still value in the Working Group meeting to discuss options and, as the Committee's agenda for January was likely to focus on future arrangements, he proposed that the formal meeting be cancelled; the Issues and Ideas Working Group to meet in its place.

RESOLVED:

That the meeting of the Standards Committee scheduled for 23 January 2012 be cancelled and replaced with a meeting of the Issues and Ideas Working Group.

22 APPOINTMENT OF PARISH COUNCIL MEMBER TO STANDARDS COMMITTEE

The Committee was invited to consider and recommend to Council the appointment of Councillor Barbara Lawton of Odd Rode Parish Council to the vacant position of Parish Member on the Standards Committee. The vacancy had arisen when the previous Parish Member, Councillor Ken Edwards had been elected to Cheshire East Council in May 2011.

In light of forthcoming changes and for the purposes of continuity, the term of office recommended for the post would be that of the existing Parish Members.

RECOMMENDATION: That Council be invited to RESOLVE that –

Councillor Barbara Lawton of Odd Rode Parish Council be appointed to Cheshire East Council Standards Committee as a Parish Member for the same term of office as existing Parish Members.

23 EXCLUSION OF THE PRESS AND PUBLIC

RESOLVED:

That the press and public be excluded from the meeting during consideration of the following item pursuant to Section 100(A)4 of the Local Government Act 1972 on the grounds that it involved the likely disclosure of exempt information as defined in Paragraphs 1, 2 and 7c of Part 1 of Schedule 12A to the Local Government Act 1972 and public interest would not be served in publishing the information.

24 COMPLAINTS RECEIVED UNDER THE CODE OF CONDUCT

The Committee received for information, the report of the Monitoring Officer and Borough Solicitor which provided an update on complaints received under the Code of Conduct.

The meeting commenced at 2.00 pm and concluded at 2.25 pm

Mr N Briers
Independent Chairman

CHESHIRE EAST COUNCIL

REPORT TO: STANDARDS COMMITTEE

Date of Meeting: 26 March 2012
Report of: Borough Solicitor / Monitoring Officer
Subject/Title: Standards Regime under the Localism Act

1.0 Report Summary

- 1.1 This report sets out the requirements of the Localism Act 2011 and summarises the provisions of the Act in relation to the arrangements the Council must put in place to ensure it complies with the duty under the Act to promote and maintain high standards of conduct for its own elected members.

2.0 Decision Requested

2.1 That Members:-

1. Agree in principle to recommend that the Audit and Governance Committee establishes a sub-committee with delegated powers to deal with Standards issues
2. Note and comment upon the draft procedure for complaints under the new Code of Conduct
3. Endorse the proposal to undertake a joint exercise to recruit Independent Person(s) with other local Public Bodies
4. Note that transitional provisions are likely to be made to ensure that existing Independent Members are eligible to apply for the position of Independent Person(s) at Cheshire East Council
5. Provisionally approve the draft ACSeS Model Code of Conduct as the Council's new Code of Conduct for Elected Members subject to a further report once the Code has been issued in its final format
6. Endorse the proposal to appoint a panel of external investigators approved to undertake investigation into breaches of the new code
7. Note that a further report will be brought to a future meeting once the Regulations are enacted and that it may be necessary to convene a special meeting of both the committee and the Full Council to comply with the statutory timescales

3.0 Reasons for Recommendations

- 3.1 To comply with the provisions of the Localism Act 2011 which requires the Council to adapt a Code of Conduct and appropriate procedures to deal with any breaches with effect from 1 July 2012. The appointment of Independent Person(s) and the adoption of the new Code requires approval by Full Council.

4.0 Wards Affected

- 4.1 All

5.0 Local Ward Members

- 5.1 All

**6.0 Policy Implications including - Carbon reduction
- Health**

- 6.1 The Act places a statutory duty upon the Council to promote and maintain high standards of conduct amongst its own elected members and any co-opted members. Strong ethical governance is key critical to the Corporate Governance of the Authority and supports the Council's decision making processes across the organisation as a whole.

7.0 Financial Implications (Authorised by the Director of Finance and Business Services)

- 7.1 Final costs of implementation of the new legislation will depend on the local arrangements approved by the Council. However it should be noted that the new regime is intended to be cheaper and more effective, accordingly it is anticipated that costs will be met from existing resources.

8.0 Legal Implications (Authorised by the Borough Solicitor)

- 8.1 The Localism Act 2011 was enacted in November 2011 but its implementation is being phased. The provisions in relation to the replacement of the current Standards regime are due to be brought into force with effect from 1 July 2012. In the meantime regulations are awaited which will set out matters of details and in particular will define the new 'pecuniary interests' which in future members will be expected to register. It is also anticipated that Ministers are minded to make transitional provision for a Council to appoint a person as an Independent Person who has held the post of chairman or as a member of the Council's Standards Committee within the last 5 years.

9.0 Risk Management

- 9.1 It is important for the corporate governance of the Authority that the Council has the highest standards of conduct from its elected members and that the public has confidence that any complaints procedure is robust and transparent. If the Council fails to adopt a code of conduct which is fit for purpose or to establish an appropriate procedure for complaints to be effectively dealt with then there are risks to the Council from a reputational management viewpoint and also to the integrity of the Councils corporate governance and decision making process. Equally the Council must ensure frivolous or tit for tat complaints are discouraged if the process is not to fall into disrepute.

10.0 Background and Options

- 10.1 The Localism Act 2011 was enacted on 15 November 2011. The final provisions within the Act differed from those set out initially in the Localism Bill. In particular it was originally envisaged that Council would not be required to have a mandatory Code of Conduct, although it was always open to the Council to adopt a voluntary code.

The main provisions set out within the Act in relation to Standards issues are:-

- All authorities will be required to have a Code of Conduct
- The Code must be in accordance with the Nolan Principles
- The Code must include a requirement for members to register and disclose pecuniary and non pecuniary interests
- Local authorities will have to put in place a system to deal with allegations that members have breached the Code
- A local authority must appoint an Independent Person through a transparent process and, where a local authority has investigated an allegation, it must seek the Independent Person's view before reaching a decision about the allegation. It must then have regard to that view
- A person against whom a complaint is made may also seek the views of the Independent Person
- Parish Councils must have a Code, but may adopt their principal Council's Code (thereby satisfying the obligation to ensure it meets the above requirements)
- Principal Councils are to deal with allegations of breach in relation to Parish Councillors

- 10.2 The intention of the Act was to replace the current standards regime with shorter, more cost effective and proportionate investigations with less formal time consuming hearings and procedures. As a result there is local discretion for each Authority to design a process which meets its own circumstances but is sufficiently robust to assure the public that complaints will be dealt with appropriately.
- 10.3 It is anticipated that the new arrangements will come into effect from 1 July 2012. This may present a challenge to the Council in terms of timescales as both the Code itself and the appointment of the new Independent Persons will be for Council to approve. Council meetings are currently scheduled for 16 May and 19 July 2012. **Members may therefore need to consider the possibility of a special Council meeting.**

11.0 Standards for England

- 11.1 Standards for England (previously known as the Standards Board) has been abolished by the Localism Act 2011. Its regulatory role has ceased with effect from 31 January 2012 and all existing guidance and information has been removed from its website. It is expected that the organisation will be closed fully with effect from 31 March 2012. Transitional arrangements are in place for those Councils with outstanding cases or investigations with Standards for England but Cheshire East Council is not affected as there are no outstanding matters in this category.

12.0 Duty to promote high standards of conduct

- 12.1 Under the 2011 Act Cheshire East Council will have a statutory duty to promote and maintain high standards of conduct by both its members and co-opted members. All Town and Parish Councils within the area will be under the same duty for their members.
- 12.2 The nationally prescribed Model Code of Conduct for members will be abolished but Cheshire East Council itself and all Town and Parish Councils within the Borough must adopt a Code of Conduct setting out the conduct expected of their members when acting in their capacity of an elected member. Any local code must be consistent with the Nolan principles of:
- Selflessness
 - Integrity
 - Objectivity
 - Accountability
 - Openness
 - Honesty
 - Leadership

- 12.3 Once the current legislation is repealed the statutory requirement to have a Standards Committee will also be abolished. Accordingly Cheshire East Council is free to consider how best to deal with any complaints and investigations in relation to breach of its new code subject to the requirement to appoint at least one Independent Person (IP) who must be consulted before any decision on an allegation that it has decided to investigate (see para 18)

13.0 The current arrangements

- 13.1 Cheshire East Council currently has a Standards Committee comprising 16 members as follows:-

- 8 Councillors (5·1·1·1)
- 5 statutory independent members
- 3 Parish members

The current terms of reference are set out at Appendix A

- 13.2 The full Standards Committee currently meets once a committee cycle. There are three sub-committees which deal with

- The initial assessment of complaints
- The review [appeal] of the decision of the initial assessment committee not to refer a complaint for investigation
- The determination or hearing of a complaint upon receipt of a final report by the external investigator
- All committees and sub committees are chaired by an independent member.

14.0 Future Standards Committee

- 14.1 Under the Localism Act the Council may if it wishes set up a “voluntary” Standards Committee or sub-committee with delegated powers to deal with Standards issues. This will be an ordinary committee or sub-committee of the Council and so it will

- Need to be politically balanced
- Be subject to the same requirements or confidential and exempt information and any other committee (NB the initial assessment process is no longer automatically confidential)
- Will not include independent members (other than as non-voting co-optees) as a result it cannot be chaired by an independent member as the chair has a second or casting vote

- Will not include Town / Parish Council representatives, other than as non-voting co-optees
- 14.2 At the meeting of the Issues and Idea Working Group on 23 January 2012 members considered the future format and role of any member body. It was felt that there was unlikely to be a future role for a formal Standards Committee to deal purely with Standards matters. It is suggested that in future Standards issues should be dealt with by a sub-committee of the Audit and Governance to be known as the 'Audit and Governance Standards sub-committee'.
- 14.3 Draft Terms of reference for the new sub-committee and proposed membership of the sub-committee are set out at Appendix B.

15.0 The new Code of Conduct

- 15.1 Although there is no mandatory Code of Conduct the Council must adopt a Code of Conduct which sets out the standards of behaviour expected of its elected and co-opted members when acting in their official capacity. Any local Code must be consistent with the Nolan principles of Public Life. The Council has three main options:-
- Retain the existing model Code of Conduct
 - Draft its own Local Code of Conduct
 - Adapt the ACSeS model Code of Conduct
- 15.2 At their meeting on the 23rd January 2012 members of the Issues and Ideas Working Group felt a balance that the most appropriate way forward was to adopt the ACSeS Draft Code of Conduct. This reflects the format of the current Model Code of Conduct but is written in a more user friendly style and format. Unfortunately the ACSeS Code cannot be finalised until regulations are enacted which define the new 'pecuniary interests'. A copy of the draft Code is appended at Appendix C. Members of the working group also felt it would be helpful to attach an explanatory definitions Appendix to assist in understanding the detailed application of the Code.
- 15.3 The Government is due to publish new regulations under the Act which will set out those new pecuniary interests which in future all members will be required to register. Failure to do so will be a criminal offence punishable upon summary conviction to a fine not exceeding level 5 on the standard scale. In addition the court may disqualify the person for a period of up to 5 years from being or becoming a member or co-opted member of any authority. However, proceedings under this section may only be brought with the consent of the Director of Public Prosecutions.
- 15.4 Until the regulations are published and the definition of a "pecuniary interest" is clear it is not possible to finalise the Council's Code of Conduct.

16.0 External Investigator

- 16.1 Once the sub-committee has referred a matter for investigation it is recommended that an external investigator should be appointed to report back to the sub-committee after interviewing the subject member, complainant and relevant witnesses.
- 16.2 Members have been critical of the time taken to produce the final report in recent investigations and it is therefore recommended that under the new procedure a guideline time of 8 weeks should be agreed.
- 16.3 In addition members may wish to approve a panel of external investigations and this is a further exercise which could be undertaken with neighbouring Councils.

17.0 Procedure for Investigations

- 17.1 Councils are free to adopt any suitable procedures at a local level to investigate complaints that a member is in breach of the new Code of Conduct. A suggested draft procedure is set out at Appendix D which provides for:-
- An initial assessment of the written complaint by the sub-committee within 21 days
 - Options to take no action / refer to the Group Leader for informal action / refer for external investigation
 - No right of appeal against the decision of the sub-committee
 - External investigator produces a written report within 8 weeks
 - Complainant and subject member have the opportunity to make written representations
 - Sub-committee considers the written report and submissions and consults with the Independent Person
 - Submission agrees any sanction
- 17.2 Members need to be satisfied that this procedure is acceptable and in particular that written submissions will be preferable to a full hearing. In reaching this conclusion, members need to balance the principles of natural justice and the right to a fair hearing with the policy driver that in future the process should be more streamlined, simpler and less resource intensive.

18.0 Independent Persons

18.1 The Act requires that the Authority appoint one or more Independent Persons (IPs) whose

- Views must be sought and taken into account by the Authority before it makes a finding that any member has failed to comply with its Code of Conduct or imposes any sanction
- Views may be sought on whether to investigate a complaint and how to deal with a particular allegation
- In addition any member against whom an allegation has been made (including a Town and Parish Councillor) may consult him or her regarding the allegation.

18.2 Unfortunately the Act prevents any person who has been a member or a co-opted member of Cheshire East Council in the last 5 years from being appointed as an IP. Accordingly the Association and Council Secretaries and Solicitors (ACSeS) has sought counsel's advice on whether current or past independent members of the Council's Standards Committee are prevented from becoming IPs for the same Council under the 2011 Act. Counsel's clear advice is that an independent member of an Authority's Standards Committee is prevented from becoming an IP of the same Authority by the Act, as they fall within the definition of a co-opted member. As a result ACSeS has now made representations to the CLG requesting that the transitional arrangements should enable Councils to have the option to appoint independent members as IPs in view of the loss of skill and expertise which would otherwise occur following the meeting of the Issues and Ideas Working Group on 23rd January 2012 Cheshire East Council has also written supporting this request. Recent indications are that the Minister would be minded to make such transitional provisions.

18.3 The Act requires that the Council follows a robust recruitment process for the appointment of IPs. The vacancy must be advertised, application forms must be submitted and the individual appointments must be approved at Full Council by a majority of the members of the Authority. Individuals are not eligible to be appointed as IPs if they are a relative or close friend of any member or co-opted member of Cheshire East Council and/ or any Town and Parish Council within the area.

18.4 In the absence of any transitional arrangements which would enable current members of Cheshire East Council Standards Committee to act as Independent Persons it has been suggested that it would be appropriate to co-ordinate the advertisement of all vacancies for IPs with neighbouring authorities so that experienced independent members could be appointed as an IP at a neighbouring Authority. The current suggestion is that Cheshire East, Cheshire West and Chester, Warrington, Halton, the Cheshire Fire and Rescue Service and Cheshire Police Authority co-ordinate a joint recruitment exercise and this is being co-ordinated at Officer Level.

19.0 Sanctions

19.1 Under the current legislation a number of sanctions may be imposed upon and members found to be in breach of the Code of Conduct as follows:-

- Censure
- Restricted access to Council premises or resources for up to 6 months provided this is reasonable and proportionate and does not unduly restrict the ability to perform the functions of a member.
- Partial suspension as a member for up to 6 months
- Suspension as a member for up to 6 months
- Submission of a written apology in a form approved by the committee
- Specified Training
- Conciliation
- Partial or full suspension for up to 6 months until the member either submits an apology or undergoes specified training or conciliation

19.2 Under the 2011 Act sanctions are less extensive and ACSes has also taken Counsel's opinion on what sanctions are available to the Local Authority. His advice is that the following sanctions will be available in future:-

- Formal Letter
- Formal Censure through a motion
- Recommendation to a Political Group that the member be removed from a specific committee

19.3 He does not consider that it would be advisable to withhold a members allowance for breach of the Code of Conduct nor to withhold confidential information in future, even where the breach of the Code involves the breach of the duty of confidentiality by the Councillor in question. Counsel also advises it would not be possible to suspend and disqualify him from his or her role as an elected member as this interferes with the will of the local electorate and interferes with Local Democracy. Similarly there is no power to exclude a member from specific meetings as a disciplinary sanction.

19.4 Counsel does consider that there is no objection in principle to a press release and / or publicity that the member had breached the Authority's Code of Conduct.

20.0 Town and Parish Councils

- 20.1 Town and Parish Councils will also be under a duty to promote high standards of conduct amongst their members and will also have the same duty to adopt a Code of Conduct, which is consistent with the seven Nolan Principles of Public Office. Town and Parishes will be free to decide to adopt the service code as Cheshire East Council or retain the provisions in its existing Code (suitably amended)
- 20.2 Cheshire East Council will continue to remain responsible for handling complaints about member conduct at Town and Parish levels and must have a place in an appropriate procedure for investigations.
- 20.3 In addition the Monitoring Officer must keep registers of Interests for members of each Town and Parish Council in Cheshire East. They must be published on the Council's website and on the Town and Parish Council website, if it has one.

13. There will be no requirement for the subject member, complainant or any witnesses to attend. The matter will be determined purely on the written documentation.
14. There will be no further right of appeal.

Issues for Consideration

- a) When the complaint is initially received should the subject member be informed at that stage or only when a decision has been made whether or not to investigate?
- b) Is it appropriate for the Independent person to be involved in the initial assessment / gateway procedure?

- c) Are Members happy that the external Investigator circulates the draft report for comment on factual accuracy to the subject member and complainant?
- d) Are Members happy with the proposal that the sub-committee's determination should be dealt with by way of written representation? Is there a view that there ought to be the opportunity for the external investigating officer and the subject member and witnesses to appear and give evidence as is the case now?
- e) Should the Independent Person be present at the sub-committee as a moderator (he/she may not vote but their views must be sought and taken into account) or should the IP also make written representations?
- f) Should there be the opportunity to appeal the findings in the final report?
- g) Should the final outcome be publicised on the Council's website?

1. CHAIRMAN'S INTRODUCTION

The Chairman welcomed members to the meeting, the purpose of which was to discuss how the local standards framework would change as a result of the passing into law of the Localism Act. To set the context for the meeting he summarised the present position in respect of the standards regime:

- Standards for England (SfE) would stop accepting cases from 31 January 2012 and would be formally abolished on 31 March 2012
- Local Standards Committees would no longer have a role from 1 July 2012, the point at which the new arrangements would come into force
- Each Council had to adopt a Code of Conduct which embraced the Nolan principles of public life and appoint an Independent Person whose views must be sought as part of the assessment procedure
- It would become a criminal offence to fail to register a pecuniary interest(s) as defined in the regulations

A pack of documents detailing issues previously considered by the Standards Committee and options for the future were provided to members to help inform the discussion. Four issues were identified for debate; i) Code of Conduct; ii) procedure for handling complaints; iii) appointment of Independent Person; and iv) arrangements for Parish and Town Councils.

2. THE CODE OF CONDUCT

As per the Localism Act, the Code of Conduct had to comply with the 7 Nolan principles of public life. Both Codes provided in the pack; the Model Code of Conduct [Paper A] and a *draft* Code of Conduct prepared by the Association of Council Secretaries and Solicitors (ASCeS) [Paper D] complied with this directive. It was noted that, should the Model Code be retained, it would require amendment to reflect the new arrangements. In comparison, the ASCeS document would not be finalised until the regulations had been enacted.

The Working Group looked at the merits of each Code.

Discussion

- The Model Code had the advantage of being familiar. It benefited from comprehensive guidance on its application/interpretation but was considered bureaucratic
- The ASCeS Code was easier to follow with clear explanations of matters such as predetermination. However, guidance either within the body of the Code or as an appendix to it would be required to define matters such as material gain, family connections and pecuniary interests
- As the list of sanctions which could be imposed was less extensive than before, it was important that the public remained confident in the new arrangements when seeking redress for their complaints
- Members felt that the new Code should allow for trivial, vexatious and malicious complaints to be rejected to protect all Councillors from frivolous allegations
- Subject Members should continue to be made aware that a complaint had been made against them but, unlike the present system, they should be given the opportunity to respond to the allegation *before* the complaint was assessed

3. COMPLAINTS PROCEDURE

It was generally accepted that the present framework for dealing with complaints was expensive and time-consuming and a shorter, more cost effective system was required.

Annex E of Document D proposed a streamlined procedure which had been put forward by the Monitoring Officer for discussion.

3.1 Receipt of Complaint

It was agreed that the Monitoring Officer should remain the first point of contact for receipt of complaints.

3.2 Gateway Procedure

In the 'streamline' proposal, the Group Leaders, Independent Chair and Chief Executive were nominated to act as a 'gateway' to deal with the initial assessment of complaints. Papers B1-B3 set out the Conservative Group's position i.e. that all standards matters should be dealt with by an ad-hoc Committee of the Audit and Governance Committee. It was this proposal which received support but there was further debate as to how the procedure as a whole would then operate.

3.3 Assessment of Complaint

A view was expressed that complaints which were Member against Member should be referred to the political parties so that they could be dealt with informally within their own groups; leaving complaints from members of the public, staff or parish clerks to be considered formally by the ad-hoc Committee. It was argued that this approach would allow the Groups to apply a wider range of sanctions that the regulations would permit, on the proviso that the Complainant was happy for their complaint to be dealt with in this manner.

Counter to this was the argument that the public might develop a negative image of the procedure as it lacked the transparency of the formal process and could lead to perceptions of protectionism. It was also felt that matters could prove difficult to resolve if i) there was no political party to direct complaints to; and ii) the nature of the complaint divided opinion within the Group.

As independent involvement was highly valued it was suggested that the Independent Person(s) should be involved in the 'gateway' procedure for example, an Independent Panel could be convened to submit a report for consideration by the ad-hoc Committee. Whilst independent involvement was welcomed, concern was raised that this approach would slow the process down.

3.4 Investigating Officer

Under the current framework, an Ethical Standards Officer had investigative powers and access to documents, rights which would be lost under the new arrangements. There would be no compulsion for members to co-operate with the Investigator but under the rules of natural justice it was hoped that members would respect the procedure and comply.

The Monitoring Officer stated that to support the process, a panel of external Investigators could be established (to be approved by Council). In supporting the proposal, members suggested that, in cases of potential criminal breaches, the Panel would benefit from the appointment to it of former/retired police officers.

4. INDEPENDENT PERSON

Authorities would be required to appoint one or more Independent Persons (IP's) and clarification of the eligibility of the present Independent members to fulfil this role had been sought. The Monitoring Officer reported that advice received from counsel had confirmed that, as co-opted members, the present incumbents would not be eligible and the post(s) would have to be advertised externally.

The Independent members were considered by the Working Group to be ambassadors for ethical standards within the Council, providing reassurance to the public that the adopted practices were fair and equitable to all parties. As there was a wish to retain their skills and expertise, options were explored as to how this could be achieved.

As there would be a period of transition between the current and new arrangements, ASCeS was to make representation to Communities and Local Government (CLG) to lobby for the option to appoint Independent Members as IP's. The Working Group requested that Cheshire East Council add its support to the representations.

5. TOWN AND PARISH COUNCILS

The Monitoring Officer reported that there was support for a pan-Cheshire approach to the new arrangements and consideration was being given as to how the various proposals could be brought together to develop a consistent approach for authorities and Town and Parish Councils throughout Cheshire.

6. NEXT STEPS

To enable work to move forward, the Chairman summarised the discussions. He stated that the Working Group had expressed a preference for the ACSes Code but that more work was required on the actual procedure for the consideration of complaints.

The next meeting of the Standards Committee was scheduled for 26 March 2012 and an update report was requested at that meeting. The Working Group noted that an additional meeting of the Standards Committee and Council may need to be convened to enable the new arrangements to be put in place by the deadline of 1 July 2012.
