176 09/2358C - THIMSWARRA FARM, DRAGONS LANE, MOSTON, SANDBACH, CHESHIRE, CW11 3QB: RETROSPECTIVE APPLICATION FOR CHANGE OF USE FROM AGRICULTURAL LAND TO A SITE FOR A MOBILE HOME FOR OCCUPATION BY AN ENGLISH TRAVELLER WHO HAS CEASED TO TRAVEL DUE TO ILL HEALTH AND LONG STANDING DISABILITY FOR MR A D ARROWSMITH

Note: Mrs S Wright (objector) and Mr A D Arrowsmith (applicant) attended the meeting and addressed the Committee on this matter.

The Committee considered a report and a written update regarding the above planning application.

RESOLVED – That the application be REFUSED for the following reasons:

1. The Local Planning Authority does not accept that the occupier of the caravans qualifies as a Gypsy or Traveller as defined in Circular 01/2006 or that he is engaged in full-time in agriculture, forestry or other business appropriate to the locality and that it is necessary for him to reside in this location. The use of the land for the stationing of residential caravans is therefore contrary to policies PS8 (Open Countryside), H6 (Residential Development in the Open Countryside and the Greenbelt) and H7 (Residential Caravans and Mobile Homes) of the adopted Congleton Borough Local Plan First Review 2005.
2. The site which includes a static mobile home, a touring caravan, a shipping container, solar panels and boundary fencing etc is clearly visible from Dragons Lane and Plant Lane and the Local Planning Authority considers that the proposal due to its inappropriateness causes inherent harm to the visual appearance and character of this part of the open countryside. To allow the development would be contrary to policies GR1 (General Criteria), GR2 (Design) and PS8 (Open Countryside) of the adopted Congleton Borough Local Plan First Review 2005 and advice advocated in PPS1: Delivering Sustainable Development and PPS7: Sustainable Development in Rural Areas.

187 ELWORTH HALL FARM, DEAN CLOSE, ELWORTH

The Committee considered a report regarding planning application 10/2006C for the redevelopment of Elworth Hall Farm at Sandbach, which had been refused for two reasons, including one relating to contaminated

land issues, at a meeting of the Southern Planning Committee on 24 November 2010.

At the same meeting, the Committee had resolved to grant delegated powers to the Head of Planning and Housing to approve an alternative scheme (10/1765C) for the redevelopment of the site, subject to the satisfactory conclusion of negotiations in respect of the contaminated land issue, and the Council's Environmental Health officers withdrawing their objection to the scheme. Planning permission had now been granted for application 10/1765C, subject to appropriate conditions, including those relating to mitigation of the contaminated land impact. The contaminated land issues in respect of the refused application 10/2006C had therefore also been resolved.

RESOLVED – That the second reason for refusal in respect of contaminated land be withdrawn and that the Head of Planning and Housing be instructed not to contest the issue at the forthcoming public inquiry.

The meeting commenced at 2.00 pm and concluded at 5.15 pm
