11.1 At previous meetings of the Committee, Members have considered and identified potential items for the Work Programme:

- North West Ambulance Services/Community First Responders;
- Social Care Redesign;
- Safeguarding Adults;
- Community Support Transport related matters;
- Future Healthcare proposals relating to Knutsford and Congleton;
- Review of previous Scrutiny Reviews.

11.2 Progress has been made in relation to a number of these items:

- The Committee has received a presentation from the North West Ambulance Service and will continue to receive updates;
- The Committee will be receiving progress updates to a future meeting on Social Care Redesign and Adult Safeguarding;
- The Committee agreed at the meeting on 29 July to establish a Task/Finish Panel to undertake the health scrutiny role in relation to the Primary Care Trust's proposals relating to Knutsford and Congleton and the first meeting was held on 10 November;
- The Committee agreed at the meeting on 16 September to establish a Task/Finish Panel to undertake a Scrutiny review of Diabetes/Obesity.

11.3 At the Mid Point meeting in October, Members considered the Work Programme further and an updated version is now attached (Appendix 1).

11.4 When determining items for the Work Programme, matters should be assessed against the following criteria :

- Does the issue fall within a corporate priority
- Is the issue of key interest to the public
- Does the matter relate to a poor or declining performing service for which there is no obvious explanation

- Is there a pattern of budgetary overspends
- Is it a matter raised by external audit management letters and or audit reports.
- Is there a high level of dissatisfaction with the service

If during the assessment process any of the following emerge, then the topic should be rejected:

- The topic is already being addressed elsewhere
- The matter is subjudice
- Scrutiny cannot add value or is unlikely to be able to conclude an investigation within the specified timescale

## **12.0 Overview of Year One and Term One Issues**

12.1 It is good practice to have a Work Programme for the Committee to consider and prioritise on a regular basis.
