201 **DETERMINATION OF ADMISSION ARRANGEMENTS**

Consideration was given to the outcome of consultations held during the
spring term on the Councils proposed coordinated scheme and admission
arrangements for community and controlled schools; in accordance with
statutory requirements these needed to be determined by 15 April 2010.

Once determined the coordinated scheme would apply to applications for
places in maintained schools and academies for the school year 2011-
2012, and to 'in year' applications from September 2010. For community

and controlled schools admission arrangements the effective date would be from September 2011.

It was noted that since the circulation of the report the proposals had been considered by the Admissions Forum at its meeting of 9 March, as stated in paragraphs 11.17 and 11.18 of the report. In light of the Forum's recommendations references to a tenancy agreement of 12 months; contained in Appendix 1 (paras 4.4, 7.2 and 8.1) and Appendix 2 (page 5 and 6), had been removed. In addition, the published admission number of 17 contained in Appendix 4 in respect of Ash Grove Primary and Nursery School had been amended to 15: amended copies of these documents were circulated at the meeting.

RESOLVED

For the reasons set out in the report, that approval be given to:

1. the proposed coordinated admission scheme (Appendix 1 of the report as amended), which all local authorities are required by section 88M of the School Standards and Framework Act 1998 (SSFA) and the Co-ordination Regulations to have in place;
2. the proposed admission arrangements (Appendix 2 of the report as amended) for its community and controlled schools, which are the overall procedure, practices, criteria and supplementary information to be used in deciding on the allocation of school places; and
3. notification of the determined arrangements being given to all consultees within 14 days of determination.

202 **PEOPLE AND ORGANISATIONAL DEVELOPMENT STRATEGY 2010 - 2015**

Consideration was given to the first comprehensive People and Organisational Development Strategy for Cheshire East Council for 2010 – 2015. It set out how the Council would ensure it had a skilled, motivated and high performing workforce which in turn would support the Council in realising its vision and enable continued improvements and transformation.

RESOLVED

For the reasons set out in the report: -

1. That the People and Organisational Development Strategy 2010 – 2015 be approved.
2. That Cabinet receive a bi annual progress report on the Strategy.

203 **EXCLUSION OF THE PRESS AND PUBLIC**

That the press and public be excluded from the meeting during consideration of the following items pursuant to Section 100(A)4 of the Local Government Act 1972 on the grounds that they involve the likely disclosure of exempt information as defined in Paragraphs 1 and 2 of Part 1 of Schedule 12A to the Local Government Act 1972 and public interest would not be served in publishing the information.

204 **MANAGING WORKFORCE CHANGE**

Consideration was given to the report of the Head of Human Resources and Organisational Development.

RESOLVED

That Cabinet supports the decision of the Chief Executive to release the employees whose roles are listed on Appendix A, Section A of the report under the arrangements agreed in relation to voluntary severance provisions for employees in the Council.

That Cabinet notes those employees whose roles are listed on Appendix A, Section B of the report who may become compulsorily redundant and would receive payments under the arrangements agreed in relation to severance provisions for employees.

CO-ORDINATED ADMISSIONS SCHEME**APPENDIX 1****STATUTORY BASIS****1 BACKGROUND**

- 1.1 Applications for school places received 'in year' (i.e. those received after the first day of the school year into the relevant age group or into any other year group) and for the normal admission round into the relevant age group (i.e. reception at 4+ and secondary transfer at 11+) shall be determined in accordance with the provisions set out in this scheme.
- 1.2 This scheme meets the requirements for a scheme for co-ordinating admission arrangements under the School Admission (Co-ordination of Admissions Arrangements) (England) Regulations 2008, made under the School Standards and Framework Act 1998, for the area of Cheshire East Council.
- 1.3 This scheme applies to admissions in the school year 2011-12 and for subsequent years, subject to any review. In respect of the arrangements for applications received outside the normal admission round, (i.e. 'in year' applications) these shall apply with effect from September 2010 in accordance with The School Admissions (Co-ordination of Admission Arrangements) (England) Regulations 2008.
- 1.4 Under its scheme of co-ordination for schools in Cheshire East, the Authority will be responsible for managing the admission of all pupils who are resident within its administrative area.
- 1.5 The co-ordinated scheme applies to all schools, excluding special schools, maintained by Cheshire East Council and to admissions to Sandbach School, and to preferences expressed by Cheshire East resident parents and carers for schools maintained by other English local authorities and Academies. Admissions to other schools with independent status will not be covered by this scheme.
- 1.6 Parents and carers making applications as part of the normal admission round for schools maintained by other authorities with a different age of transfer (i.e. middle and upper schools) will also be included within these arrangements.

THE CO-ORDINATION SCHEME**2 GENERAL INFORMATION**

- 2.1 Cheshire East Borough Council, as the admission authority for its community and voluntary controlled schools, will be responsible for determining who can be allocated a place at these schools in accordance with the Council's published admission arrangements.
- 2.2 For schools not maintained by this Council, the relevant local authority will be responsible for determining who can be offered a place.
- 2.3 For Academies and schools with voluntary aided, foundation or Trust status, decisions on applications will normally be made by the governing body. The

exception to this will be where the governing body has made arrangements for another body (including the maintaining authority) to consider the application and to determine by reference to the school's admission criteria if a place can be allocated.

- 2.4 The admission arrangements for schools maintained by Cheshire East Borough Council, and for Sandbach School, are published on the Council's website and in its information booklets in line with the requirements set out in the School Admissions Code (2009). Admissions arrangements are also available from each school on request.
- 2.5 All parents and carers **resident** in the area administered by Cheshire East Borough Council will be asked to make their application on the common application form provided by this authority (as the 'home' authority). Parents and carers making applications on a maintaining authority's application form will be advised to contact their 'home' authority. Parents and carers seeking places at independent (i.e. fee paying) schools must apply direct to the school.
- 2.6 Applications for places sent direct by parents and carers to individual schools cannot be accepted and will be sent back to the local authority for inclusion within these arrangements.
- 2.7 The common application form will invite parents and carers to express 3 school preferences ranked in order of priority.
- 2.8 Parents and carers will be provided with the opportunity to give reasons for their preferences and can, if appropriate, provide any additional documents in support of their preference/s.
- 2.9 Parents and carers will be asked to provide details, where applicable, of any siblings attending the preferred school at the time of application and who will be attending at the time of admission, details of the current school attended and the length of time resident at the address provided.
- 2.10 If a parent or carer expresses a preference for a school designated as having a religious character (faith school) they will be asked to state the religious denomination of their child on their application form. Parents and carers will be advised to contact the school as they may also be required to complete a supplementary information form. Forms will be available on the Council's website or direct from the school. Supplementary information forms (SIFs) will request information in addition to that provided on the common application form. Such request must be made in accordance with paragraphs 1.78 and 1.86 of the School Admissions Code (2009). Examples of additional information that can lawfully be requested include membership of, or relationship with the church, or a reference from a priest or other religious minister as proof of religious commitment.
- 2.11 Where a school receives a supplementary information form, this LA will not consider it to be a valid application unless the parent/carer has also listed the school on their home LA's Application Form, in accordance with paragraph 3.7 of the School Admissions Code. Supplementary information forms should be returned direct to the school concerned.
- 2.12 When a parent or carer has submitted their application on the common application form but has not also submitted a supplementary information form (where relevant),

the admission authority must nevertheless consider the application in accordance with legal requirements (Para 4.3 of Section 86(2) of the School Standards and Framework Act 1998). In circumstances where a SIF has been received the admission authority must be proactive in ensuring that there is an application, in order for the preference to be considered.

- 2.13 In circumstances where a SIF has not been completed the application will be assessed on the basis of the information submitted to the governing body on the home local authority's common application form.
- 2.14 All preferences will be considered on the basis of the **equal preference model** for allocating places, in accordance with legal requirements. This means that in the first instance, all preferences will be considered against the relevant published oversubscription criteria **only**, i.e. without reference to the preference ranking. Thereafter, where a pupil can potentially be allocated more than one school place stated on the application form, the **single offer**, determined by the home authority, will be for the school ranked highest by the parents or carers.
- 2.15 Preference ranking will not be shared with admission authorities in accordance with paragraph 1.76 of the School Admissions Code 2009 as this cannot lawfully be used when applying oversubscription criteria.
- 2.16 All preferences made in accordance with the Council's arrangements will be met except where this would prejudice efficient education or the efficient use of resources e.g. where the year group in question is full. The duty to comply with parental preference is, however, removed for a period of two years where the child has been permanently excluded from two or more schools from the date on which the latest exclusion took place.
- 2.17 For admission as part of the normal admission round places will normally only be offered up to the published admission number, which applies to the normal year of entry. A child cannot be refused admission to the normal year of entry on the grounds of prejudice to the provision of efficient education and efficient use of resources unless the published admission number has been reached. In respect of admission to year groups other than the normal point of entry, it is expected that the admission number will continue to be applied. However, if circumstances have changed since the year of entry, a place may be refused even if the admission number has not been reached.
- 2.18 In some circumstances the local authority may agree with the school that admitting further pupils (i.e. above the published admission number) will not adversely affect the school in the longer term and will not have a detrimental effect on neighbouring schools. In such circumstances, a preference will be met, even where the year group is full. The local authority will ensure, where relevant, that the duty to comply with infant class size legislation is not compromised.
- 2.19 In the case of in-year admissions, a place will be considered to be available at a preferred school if the number on roll in the relevant year group is not in-line with, or in excess of the published admissions number.
- 2.20 In respect of applications made during the course of the year (i.e. outside the normal admission round) children may also be admitted above the published admission

number as part of the Authority's 'In Year Fair Access Protocol' or as a transitional measure in the case of a closing school.

- 2.21 The Department for Children Schools and Families (DCSF) has confirmed that the operation of *In Year Fair Access protocols* is outside the arrangements of coordinated admissions and as such the statutory duty to comply with parental preference does not apply in those circumstances. Therefore, this scheme does not apply to children who fall under the Authority's 'In Year Fair Access Protocol'; such children will continue to be considered for admission in accordance with the procedures outlined in the Authority's agreed Protocol.
- 2.22 If the pupil is a Cheshire East resident and Cheshire East Council is not able to offer any of the preferences stated on the application form a place will be allocated at the nearest Cheshire East school with vacancies using the Authority's Ordnance Survey address point data system for measuring straight line distances from the address point of the home to the address point of the school in miles. This will include allocating vacancies at voluntary aided and foundation schools in liaison and agreement with the governing bodies of those schools.
- 2.23 Where a preference has been received from a parent or carer resident in another authority and a place cannot be offered, Cheshire East Authority will not allocate a place.
- 2.24 Offers will be made by Cheshire East Council, in its role as the home authority, on behalf of the admissions authority for the school allocated as follows:

Admissions authority	Category of school
Cheshire East Authority	All community and voluntary controlled schools in Cheshire East and Sandbach School
Maintaining Local Authority	All non-Cheshire East community and voluntary controlled schools.
Governing Body of the school	All aided, foundation and Trust schools and Academies

- 2.25 Schools must not notify parents or carers that a place has become available but must inform their maintaining local authority in order that an offer can be made by the home authority.
- 2.26 In accordance with statutory requirements, a governing body, in its role as the admission authority for a school, **must** comply with the following procedures:
- Forward to their maintaining authority details of any application made to the school direct, together with any supporting information provided by the parent (regardless of whether the parent who made the application resides in that authority's areas)
 - Determine or make arrangements for another body (including the maintaining authority) to determine by reference to the school's admissions criteria the order of priority in which each application for the school is ranked

- c) To notify their maintaining authority of their determination, or arrange for the body appointed by them to notify the Authority on their behalf.

- 2.27 Parents and carers will be informed in writing of their legal right of appeal against any decision not to offer them a place at a school stated as a preference on their application form and their right to be supported by a friend or adviser, including a local authority Choice Adviser. Further information on the appeals process will be available on the Council's website and by contacting officers of the Local Authority, including Choice Advisers.
- 2.28 Parents and carers can submit an appeal in respect of each school for which admission has been refused. All appeal applications should be sent to the admission authority for the school for which admission has been refused (paragraph 2.24).
- 2.29 'In year' admission appeal hearings and appeals against decisions on sixth form applications will be heard within 30 school days of the appeal being lodged. The timetable for appeals against decisions on applications made during the normal admissions rounds is listed in paragraph 11.
- 2.30 Waiting lists will be held in criteria order and not on a 'first come, first served' basis. Placing a child's name on a waiting list does not affect the statutory right of appeal.
- 2.31 Waiting lists for oversubscribed schools will consist of those children whose parents or carers have specifically requested in writing (including e-mail) that they remain on the waiting list, along with new applicants and those for whom an appeal application has been received.
- 2.32 Waiting lists must be held until the end of August in the normal year of admission.

NORMAL ADMISSION ROUND

3 APPLICATION PROCESS

- 3.1 Children reach compulsory school age at the beginning of the term following their 5th birthday. Under the Council's policy, children may start school in the reception class in the September following their 4th birthday. For transfer to secondary, children will usually transfer at the beginning of the autumn term following their eleventh birthday.
- 3.2 Parents can request that the date their child is admitted to the primary school is deferred until later in the school year or until the child reaches compulsory school age in that school year. Applications for deferred admissions must be made by the published closing date. Parents will not however, be able to defer admission beyond the academic year for which the original application was accepted or beyond the beginning of the term after the child's fifth birthday.
- 3.3 To help younger children adjust to school, schools may phase full-time admission, admitting these children on a part-time basis. Arrangements are decided at school level.
- 3.4 In exceptional circumstances requests can be made for early or late transfer to secondary school. Parents and carers considering such a request must in the first instance speak to the headteacher of the child's primary school.

- 3.5 The application process will commence on **1 September** in the year preceding the admission year.
- 3.6 For secondary transfer only, the Council will have records for all children resident within its area who attend Cheshire East primary schools. In order to make sure that all resident pupils are included in the co-ordinated admissions process, this Authority will also request data from neighbouring authorities and from independent schools in the area at the end of the summer term in the year preceding admission for details of resident pupils who attend their schools.
- 3.7 The Authority's information booklets will be available electronically on the Council's website from the 1 September. Hard Copies will be available in primary schools, or will be obtainable by request from the Local Authority at the start of the autumn term.

- 3.9 Parents/carers will be asked to submit the completed application form directly to this Council by the statutory closing dates as follows:

31 October - Secondary Transfers

4 CHANGING PREFERENCES

- 4.1 After the closing date for applications, the Local Authority will not accept a change of preference unless it is satisfied that there is a genuine reason for doing so, such as a recent house move.
- 4.2 Any parent wishing to change a preference after the closing date for applications without a genuine reason for doing so in the opinion of the Local Authority will be advised that the application will be treated as a late application.
- 4.3 Full details must be provided to the Authority for consideration by the following dates:

15 December - Secondary Transfers

- 4.5 A panel of officers will consider information presented in support of the late change of preference. The parent or carer will be notified of the decision.

- 7.4 In respect of medical reasons preventing an earlier application, a letter of confirmation from a medical practitioner will be required.
- 7.5 Where supporting documentation has been received by the published date and the Authority has accepted reasons stated for a late application the application will be recorded as an on-time application.

- 7.6 Application forms and supporting documentation received after the published date will be considered after all on-time applications, even where the Authority accepts that there are good reasons for the late application, and as such these applications may be disadvantaged in the consideration of their preferences.

'IN YEAR' ADMISSIONS

12 APPLICATION PROCESS

- 12.1 'In year' applications are those made during the school year into any year group other than the normal point of entry (i.e. normal admission round). This will include applications from parents and carers of children moving into the authority from another authority's area, moving within the authority, or seeking to transfer to an alternative school for other reasons.
- 12.2 Parents/carers seeking places 'in year' will be advised to complete the 'home' local authority's common application form stating up to three school preferences ranked in priority order and will be invited to provide additional information in support of their application, including any supporting documents.

- 12.3 Information about Cheshire East schools and leaflets explaining the coordinated application process together with a copy of the common application form will be available on the Council's website. Hard Copies will be available on request from local offices and schools.
- 12.4 Completed application forms and any supporting documentation must be returned to the 'home' local authority.
- 12.5 For parents and carers moving into Cheshire East from another authority, this authority will accept an application on its own common application form provided that the parent or carer can provide evidence that contracts have been exchanged on the purchase of their new place of residence or that a tenancy agreement has been signed. Parents will need to notify this authority of the date agreed for removal into the area. Cheshire East Council will notify the 'home' authority in such circumstances.
- 12.6 Parents and carers of children who are seeking a transfer to an alternative school for reasons other than a house move will be strongly advised to discuss the proposed transfer with the current school before submitting an application.

13 PROCESSING APPLICATIONS

- 13.1 The process for considering preferences will commence on the next working day following receipt of the application.
- 13.2 If the relevant year group has a vacancy a place must be allocated unless one of the statutory reasons for refusing admission applies, as stated in paragraphs 3.30-3.33 of the School Admissions Code 2009.
- 13.3 Where more applications are received for a particular year group than there are places available, the relevant body will determine the order of priority for admission by reference to the school's oversubscription criteria.
- 13.4 All applications received for 'in-area' schools, i.e. those schools maintained by the home authority, will be processed within no more than **10 working days** from receipt of application.
- 13.5 Where preferences are received for 'out-of-area' schools, i.e. for schools maintained by another local authority, applications will be processed within no more than **20 school days**.
- 13.6 Cheshire East Borough Council will forward preferences received for its schools where the governing body is the admission authority to the relevant body, together with any supporting documentation, within 5 school days from receipt of application.
- 13.7 The request **must** be considered by the relevant body and a written response **must** be provided to the maintaining local authority. For Cheshire East maintained schools, the response must be returned to the Local Authority within **5 school days**. If the relevant body is refusing admission then the reason for refusal must also be provided in writing (preferably e-mail), following which the Local Authority will write to the parent advising them that the application has been refused, explaining the reasons for refusal and informing the parent of the legal right of appeal against the decision.

- 13.8 Where applications are received for out-of-area schools, Cheshire East Council will forward details of the application to the relevant maintaining local authority, including any supporting documentation within 5 school days from receipt of the application.
- 13.9 Where applications from non-Cheshire East residents are made to the home authority for places in Cheshire East schools, the relevant (home) local authority will forward details of the application to Cheshire East Borough Council.
- 13.10 In the event that a place can be offered for a school ranked as a higher preference, the home local authority will notify the maintaining authority that a higher preference can be allocated.
- 13.11 Where relevant, the home local authority will send any determination granting or refusing admission to the maintaining authority or the governing body where it is the admission authority.
- 13.12 Cheshire East Borough Council as the home local authority will finalise allocations for its residents on the basis of equal preferences.
- 13.13 This Council will endeavour in all cases to process applications as quickly as possible to ensure that admission to school is not delayed unnecessarily.

14 NOTIFYING PARENTS and CARERS of DECISIONS

- 14.1 Cheshire East Council will send parents and carers of pupils resident in Cheshire East a decision letter confirming the single offer of a school place. This will include offers of places for Cheshire East schools and for schools in other local authorities' areas. Offer letters will be sent out by second-class post or by e-mail if requested and will confirm the date the child will attend the school as agreed by, or notified to the receiving school.
- 14.2 Admission will normally take place at the start of the school term, or exceptionally, at the start of a half term where agreement with the school has been reached. Where a child is out of school due to a recent house move, earlier admission will be agreed to ensure that the child is not out of school for an unreasonable amount of time.
- 14.3 Home resident parents and carers who are unsuccessful with an application will be offered a place at the nearest Cheshire East school with a vacancy as stated in paragraph 2.22.
- 14.4 Parents and carers will be required to **accept or decline** the school place offered within 10 working days of the offer being made. The Local Authority reserves the right to withdraw places not accepted within the timescale specified.

15 WAITING LISTS.

- 15.1 Where waiting lists are held, these will be administered in accordance with the arrangements set out in paragraphs 2.29-2.31
- 15.2 For 'in year' waiting lists only, children who are subject of a direction by a local authority to admit, are part of a managed transfer from a closing school or who are

allocated to a school in accordance with the In Year Fair Access Protocol will take precedence over those on the waiting list.

16 ADMISSIONS APPEALS

- 16.1 In year admission appeals will be administered in accordance with the arrangements set out in paragraphs 2.27-2.29.

APPENDIX 2

ADMISSION ARRANGEMENTS 2011- 2012

CHESHIRE EAST COMMUNITY AND CONTROLLED SCHOOLS AND SANDBACH SCHOOL

Applications for school places received 'in year' (i.e. into any year group outside the normal admission round) and for the normal admission round into reception at 4+ and secondary transfer at 11+ shall be determined in accordance with the provisions set out below.

These admission arrangements apply to all **community and voluntary controlled schools and Sandbach School** admissions in the school year 2011-12 and for subsequent years, subject to any review.

APPLICATION PROCESS

Applications for admission are normally considered in relation to the availability of places in the child's chronological age group, other than in exceptional circumstances.

Children reach compulsory school age at the beginning of the term following their 5th birthday. Under the Council's policy, children may start school in the reception class in the September following their 4th birthday. For transfer to secondary, children will usually transfer at the beginning of the autumn term following their eleventh birthday.

Parents can request that the date their child starts school in the reception class is deferred until later in the school year or until the child reaches compulsory school age in that school year. Applications for deferred admissions must be made by the published closing date. Parents will not however, be able to defer admission beyond the academic year for which the original application was accepted or beyond the beginning of the term after the child's fifth birthday.

To help younger children adjust to school, schools may phase full-time admission during the reception year, admitting these children on a part-time basis. Arrangements are decided at school level.

In exceptional circumstances requests can be made for early or late transfer to secondary school. Parents and carers considering such a request must in the first instance speak to the headteacher of the child's primary school.

Applications from Cheshire East residents for places in local authority maintained schools and Academies, including applications for schools maintained by other local authorities, must be made on the Cheshire East Borough Council Common Application Form.

As required by law, Cheshire East Borough Council makes arrangements for parents and carers resident within the Authority's administrative area to express up to three preferences, ranked in order of priority, using the Council's common application form and to give reasons in support of each preference, including any supporting documentation, before any places are offered.

ACKNOWLEDGEMENTS

An acknowledgement confirming receipt of application can be provided on request from parents and carers. A stamped addressed envelope must be provided. Online applicants can request to receive an e-mail acknowledgement.

CHILDREN WITH STATEMENTS OF SPECIAL EDUCATIONAL NEEDS

Section 324 of the Education Act 1996 requires the governing bodies of all maintained schools to admit a child with a **Statement of Special Education Needs** that names their school.

PUBLISHED ADMISSION NUMBERS

The Council and the governing bodies of voluntary aided and foundation schools have set published admission numbers, which is the number of children that will normally be admitted into the *relevant age group* (e.g. into the reception year in a primary school and into year 7 as a secondary transfer in September for the first time).

For applications received 'in year', (i.e. those received after the first day of the school year into the relevant age group or into any other year group) the published admission number will continue to be applied as the relevant age group progresses through school.

Published admission numbers for Cheshire East maintained schools and Sandbach School are listed in the Authority's composite prospectus (Information booklet) which is available on the Council's website and from the Local Authority on request at the start of the application process.

All preferences made in accordance with the Council's arrangements will be met except where this would prejudice the provision of efficient education or the efficient use of resources i.e. where the year group in question is full. In some circumstances the local authority may agree with the school that admitting further pupils will not adversely affect the school in the longer term and will not have a detrimental effect on neighbouring schools. In such circumstances, a preference will be met, even where the year group is full. The local authority will not normally be able to agree admission over the published admission number where to do so would result in a breach of infant class size legislation. The law requires that infant classes (where the majority of children will reach the age of 5, 6, or 7) contain no more than 30 pupils with a single qualified teacher.

OVERSUBSCRIPTION CRITERIA

Where more applications are received than there are places available, preferences for community and voluntary controlled schools and Sandbach School, together with any supporting information, will be considered in accordance with the Council's published oversubscription criteria:

i) **'Cared for Children'**

A 'cared for child' is a child who is in the care of a local authority or provided with accommodation by that authority (as defined in section 22 of the Children Act 1989) at the time of application and who the local authority has confirmed will still be looked after at the time of admission to the school.

- (ii) **Children for whom there are particular medical or social reasons which, in the Council's view, justifies admission to a particular school.** Supporting evidence from a registered professional, such as a medical practitioner, psychologist or social worker, must be provided which sets out the particular reasons why the school in question is the most suitable school and the difficulties that would be caused if the child had to attend another school. A panel of officers will consider the information presented and will determine whether the evidence is sufficiently compelling to apply this criterion to the application. The Council, if it is considered appropriate, will seek the views of the School Doctor or Educational Psychologist in the event of parents requesting admission on medical or psychological grounds. This criterion cannot be considered if the required documents have not been received. Few applications fall within this category.
- (iii) **Siblings** – pupils with elder brothers or sisters, step-brothers or step-sisters, half-brothers or half-sisters, adopted brothers or adopted sisters living together as part of one household, already attending the preferred school (in years *Reception* through to *Year 10*) and expected to continue at the school in the following school year. (i.e. at the time of admission)
- (iv) **Children resident within the designated catchment zone of the school.** Children will be classed within this category if they and their parents/carers are resident within the area served by the school on the closing date for applications.
- (v) **Children** not resident within a school's designated catchment area but **attending a school nominated as a feeder/partner primary school for admissions purposes**, as out-of-zone pupils.
- (vi) **Pupils living nearest to the school** measured using an Ordnance Survey address-point system which measures straight line distances in miles from the address point of the school to the address point of the place of residence.

Where a school cannot accommodate all pupils qualifying under one of the criteria stated above, the next criteria will also be applied to determine priority for admission. For example, if a school cannot accommodate all *siblings* for whom an application has been received, all sibling applicants will be prioritised in the order of:

- Siblings (criterion iii) who live within the school's designated catchment area (criterion iv)
- Siblings (criterion iii) who do not live within the school's designated catchment area (criterion iv)

All applicants within each criterion will be put into a distance order with priority being given to those that live nearest to the school, as stated in criterion v above.

Where it is identified that there are a limited number of places available and the Local Authority cannot differentiate between the applications using the nearest school criterion (criterion v) a random allocation tie-breaker will be applied. This may be required for example, where applicants reside in the same block of flats or are children of a multiple birth living at the same address.

EQUAL PREFERENCES

All preferences will be considered on the basis of the **equal preference model** for allocating places, in accordance with legal requirements. This means that in the first instance, all preferences will be considered against the school's published oversubscription criteria **only**, i.e. without reference to the preference ranking. Where a pupil can potentially be allocated more than one school place stated on the application form, the **single offer**, determined by the home authority, will be for the school ranked highest on the application form by the parents or carers.

If the pupil is a Cheshire East resident and the Council is not able to offer any of the preferences stated on the application form a place will be allocated at the nearest Cheshire East school with vacancies using the Authority's Ordnance Survey address point data system for measuring straight line distances from the address point of the home to the address point of the school in miles. This will include allocating vacancies at voluntary aided and foundation schools in liaison and agreement with the governing bodies of those schools.

Where an application has been received from a parent resident in another authority and a place cannot be offered, Cheshire East Authority will not allocate a place.

CHILDREN OF MULTIPLE BIRTHS

In relation to children of multiple births, exceptionally it may be necessary to offer places over the published admission number. This is to ensure that, as far as possible, siblings (i.e. twins, triplets or children from other multiple births) can attend the same school. . The Local Authority will not normally be able to agree admission over the published admission number where to do so would result in a breach of infant class size legislation, which requires that infant classes (where the majority of children will reach the age of 5, 6, or 7) contain no more than 30 pupils with a single qualified teacher.

PARENTS and CARERS with SHARED RESPONSIBILITY for a CHILD

Where parents or carers have shared responsibility for a child the place of residency will be determined as the address where the child lives for the majority of the week (e.g. where the child wakes up between Monday to Friday). Full details must be submitted in writing to enable the Local Authority to determine which address will be used for the purpose of admission.

A panel of officers will consider the information provided. Where the Local Authority is unable to reach a decision based on the information received, e.g. where the child lives equally with both parents, the address provided for claiming Child Benefit and where appropriate, Child Tax Credits will be applied to the admission application. In such circumstances, documentary evidence must be provided.

MOVING HOUSE

Parents and carers must inform the Authority immediately of a change of address, even if details of a future change of residency were included on the application form. The Authority will require supporting evidence to show that the place of residency has changed as follows:

- A letter from the solicitor confirming the completion date;
- A signed rental agreement showing the start of the tenancy (in accordance with the arrangements set out in the Local Authority's Coordination Scheme).

In addition the Local Authority may request further information for example, copies of council tax and utility bills or any other information considered relevant to the application, including evidence of disposal of previous property.

In respect of applications made as part of the normal admission round, (e.g. into the reception class in a primary school and into year 7 as a secondary transfer in September for the first time) Information and supporting evidence must be received by the dates stated in part two of these arrangements. Proof of residency received after the published dates will not be used to process the application, but will be used to send the decision letter on the published offer date.

WAITING LISTS

Waiting lists will be held in criteria order and not on a 'first come, first served' basis. Placing a child's name on a waiting list does not affect the statutory right of appeal.

Waiting lists for oversubscribed schools will consist of those children whose parents or carers have specifically requested in writing (including e-mail) that they remain on the waiting list, along with new applicants and those for whom an appeal application has been received.

Waiting lists will be held until the end of August in the normal year of admission.

Vacancies will be re-allocated to children held on the school's waiting list in line with the dates published in part 2 of these arrangements.

CHANGING PREFERENCES – NORMAL ADMISSION ROUND ONLY

For the normal admission round, the Local Authority will not accept a change of preference after the closing date for applications unless it is satisfied that there is a genuine reason for doing so, such as a recent house move. Full details must be provided to the Authority for consideration by the dates set out in part two of these arrangements.

In the case of a recent house move, a letter from the solicitor confirming the completion date or a signed rental agreement showing the start date of the tenancy (in accordance with the arrangements set out in the Local Authority's Coordination Scheme).

Further confirmation may also be required including evidence of disposal of previous property and recent utility bills. A panel of officers will consider information presented in support of the late change of preference. The parent or carer will be notified of the decision.

Any parent wishing to change a preference after the closing date without, in the opinion of the Local Authority, a genuine reason for doing so will be advised that the application will be treated as a late application.

LATE APPLICATIONS – NORMAL ADMISSION ROUND ONLY

Late applications for places at Cheshire East community and voluntary controlled schools and Sandbach School, i.e. applications not submitted to the Authority by the relevant statutory closing date will be considered after all on-time applications unless the Local Authority considers that there are good reasons for the application being late, which must be stated at the time of application, i.e. exceptional medical reasons preventing an earlier application, late removal into the area. Supporting documentation **must** be provided.

Where supporting documentation has been received by the dates specified in part two of these arrangements and the Authority has accepted reasons stated for the late application, the application will be considered as if it had been received on-time.

Late applications and supporting documentation received after the dates specified will be considered after all on-time applications even where the Authority accepts that there are good reasons for the late application and as such these applications may be disadvantaged in the consideration of their preferences.

Parent and carers making new applications after the published offer date will be advised of the outcome of their application after the date specified in part two of these arrangements.

ACCEPTING AND DECLINING PLACES

All parents and carers will be required to **accept or decline** the school place offered by the published date as stated in part two of these arrangements. The Local Authority reserves the right to withdraw places not accepted by this date.

RIGHT OF APPEAL

Applications for admission appeals are normally considered in relation to the child's chronological age group, other than in exceptional circumstances.

Parents and carers who are not offered a place for their child at a school stated as a preference have a right of appeal to an independent appeals panel. Parents can submit an appeal in respect of each school for which admission has been refused.

Application forms to appeal against a decision by the Local Authority to refuse admission to a community or voluntary controlled school can be obtained from the Council's School Admissions Service. All appeal application forms must be returned to the relevant admission authority.

REPEAT APPLICATIONS

Repeat applications will not be considered within the same school year, unless the parent's/carer's or the school's circumstances have changed significantly since the original application was made. Full details of the change of circumstances must be provided for consideration by the Local Authority.

PART THREE - ADMISSIONS TO YEAR 12 OF SCHOOLS WITH SIXTH FORMS

Applications for admission to the Sixth Form of a Cheshire East school are dealt with by the school in accordance with the published admissions arrangements and not by Cheshire East Council.

Children already in the school are **not** required to apply formally for places in Year 12 but should have reached the minimum entry requirements for admission into the sixth form. Minimum entry requirements are the same for internal and external applicants.

Schools will not interview pupils or their families for entry to year 12, although meetings may be held to provide advice on options and entry requirements for particular courses.

SIXTH FORM MINIMUM ENTRY REQUIREMENTS

- The minimum entry requirement for admission to the sixth forms of Cheshire East community and voluntary controlled schools to study primarily at A level is **5 GCSEs grade A* to C (or equivalent)**. Individual subjects may require a specific level of attainment. Further information will be provided by the school.
- Minimum entry requirements for admission onto specific vocational courses vary and a full list of requirements can be obtained from the school. Parents are advised to contact the school for further information.

COMMUNITY AND VOLUNTARY CONTROLLED SCHOOLS - OVERSUBSCRIPTION

In the event that the number of eligible applicants exceeds the number of places available, the oversubscription criteria to be applied are:

- i) **‘Cared for Children’**
A ‘looked after child’ is a child who is in the care of a local authority or provided with accommodation by that authority (as defined in section 22 of the Children Act 1989).
- (ii) **Children for whom there are particular medical or social reasons which, in the Council’s view, justifies admission to a particular school.** Supporting evidence from a registered professional, such as a medical practitioner, psychologist or social worker, must be provided which sets out the particular reasons why the school in question is the most suitable school and the difficulties that would be caused if the child had to attend another school. A panel of officers will consider the information presented and will determine whether the evidence is sufficiently compelling to apply this criterion to the application. The Council, if it is considered appropriate, will seek the views of the School Doctor or Educational Psychologist in the event of parents requesting admission on medical or psychological grounds. This criterion cannot be considered if the required documents have not been received. Few applications fall within this category.
- (iii) **Children resident within the designated catchment zone of the school**
Children will be classed within this category if they and their parents/carers are resident within the area served by the school on the closing date for applications.

- (iv) **Pupils living nearest to the school (Distance)** measured using an Ordnance Survey address-point system which measures straight line distances in miles from the address point of the school to the address point of the place of residence.

PUBLISHED ADMISSION NUMBERS – EXTERNAL CANDIDATES ONLY

This number relates to the admission of **external candidates only**. The admission numbers included in the table are based on an estimate of the minimum number of external candidates likely to be admitted, although it would be acceptable to exceed this if demand for available courses can be met.

SIXTH FORM ADMISSION APPEALS

Any applicant refused a place in Year 12 is entitled to make an appeal to an independent appeal panel, whether the child is already attending the school or is an external candidate.

Parents or children* refused admission to a sixth form in a Cheshire East community or controlled school will be advised to contact the Cheshire East Authority for an admission appeal application form and details on the appeals process.

*The Education and Skills Act 2008 made changes to the law relating to admissions and appeals placing a new duty on local authorities to make arrangements:

- a) for children to express a preference as to the school at which they wish to receive sixth-form education (i.e. secondary education suitable to the requirements of pupils who are over compulsory school age); and
- b) for children who are above compulsory school age, or will be above compulsory school age by the time they start to receive education at the school, to express a preference as to the school at which they wish to receive education other than school sixth-form education.

Regulations have also been amended to give a corresponding right of appeal to a child who expresses a preference for a school place in relation to applications for admission for the academic year 2010-11 and subsequent years.

These new children's rights are **in addition** to the rights of parents to express a preference as to the school at which they wish their child to receive education.
