In accordance with Procedure Rules Nos. 11 and 35, a total period of 10 minutes was allocated for members of the public to address the Joint Committee on any matter relevant to its work.

There were no members of the public present and the Joint Committee, therefore, proceeded to its next business.

29 MINUTES OF PREVIOUS MEETING

RESOLVED

That the minutes of the meeting held on 30 September 2009 be approved as a correct record.

30 **(1) TRANSITION SHARED SERVICES UPDATE: (2) ICT BUSINESS PLAN CLARIFICATION**

Consideration was given to the joint report of the Borough Treasurer and Head of Assets (Cheshire East Council) and the director of Resources (Cheshire West and Chester Council).

The report provided an update on transition activity and indicated which services, where sharing arrangements were scheduled to end on 31st August 2009, had successfully completed the disaggregation.

At the previous meeting, a number of questions and points of clarification had been requested for the Business Plans and Service Delivery Statement documents for the shared services of –

- ICT
- Farms Estate
- Highways Maintenance Contract
- Archaeology
- Commissioned Community Equipment

The report provided the Joint Committee with responses to the issues which had been raised. It was noted that further amendments to the plans may be required following the outcome of the “Visioning Day” scheduled for 10th December 2009.

With reference to the Highways Maintenance Contract, there was doubt about the expiration date. It had been understood that during the transitional year, an extension to 2012 had been offered to BAM Nuttall and had been accepted. However, current legal advice indicated that the contract would terminate in March 2011. It was suggested that the Cheshire East Strategic Director, Places and the Cheshire West and Chester Director of Environment discuss this issue to clarify the situation for the Joint Committee.

RESOLVED

That

- (a) The closure of shared service arrangements be confirmed for those services disaggregating on 31st August 2009 where the transition had now been completed and approved by the Joint Officer Board, namely the Inclusion and Education and Early Years Reform Programme services;
- (b) The extension of the Schools Admission shared service to 31st October 2009 be confirmed; and

- (c) The points of clarification relating to the questions raised about the business plans, at the previous meeting held on 30th September 2009, be noted.

31 FUTURE MEETING DATES

The Joint Committee was asked to note dates for the remainder of the Municipal Year. Additional meetings would be arranged as and when required.

32 EXCLUSION OF THE PRESS AND PUBLIC

RESOLVED

That the press and public be excluded from the meeting during consideration of the following item, pursuant to Section 100(A)4 of the Local Government Act 1972 on the grounds that it involved the likely disclosure of exempt information as defined in Paragraphs 2 and 3 of Part 1 of Schedule 12A of the Local Government Act 1972 and the public interest would not be served in publishing the information.

33 SHARED SERVICES STAFF REDUCTIONS
