Individual members of the public may speak for up to 5 minutes but the Chairman will decide how the period of time allocated for public speaking will be apportioned where there are a number of speakers. It is not required to give notice of the intention to make use of public speaking provision; however, as a matter of courtesy, a period of 24 hours notice is encouraged.

Members of the public wishing to ask a question should provide at least three clear working days notice, in writing, and should include the question with that notice. This will enable an informed answer to be given.
