3 AMENDMENT TO SCHEDULE OF FEES & CHARGES 2010/11 REGARDING MENTAL HEALTH PLUS DAY CARE

The Cabinet Member for Adult Services considered a proposed amendment to the Schedule of Fees and Charges approved by Council on 25th February 2010.

Cheshire East Council operated client charges within the Non-Residential Charging Policy which applied to various services including day care provision across all service groups. Mental Health Plus users were not included for means test historically as the service was originally a drop-in provision. Mental Health Plus had now developed into sessional day care provision and the charging policy needed to apply consistently across all service groups.

RESOLVED

That the approved sessional day care rates which apply to Family-Based day care in the carers home be corrected in line with the approved and published rates from April 2010, and extended to cover day care sessions in Mental Health Plus from 5th June 2010. Sessions in excess of six hours continue to be charged for at the standard day care rate. The extension of existing charges being summarised as:
