The Cabinet Member considered a report on the Council Tax Base for Cheshire East with a view to making a recommendation to Council.

In accordance with the Local Authorities (Calculation of Tax Base) Regulations 1992, Cheshire East Council was required to agree its Tax Base before 31 January 2011 so that the information could be provided to Cheshire Police Authority and Cheshire Fire Authority for their budget processes.

The Tax Base for the area was the estimated number of chargeable dwellings expressed as a number of Band D equivalents adjusted for an estimated number of discounts, exemptions, disabled relief and appeals plus an allowance for non-collection.

The Cabinet Member requested further information and agreed to adjourn the meeting so that this could be provided.
