## 1. Introduction

- 1.1 Cheshire East Council (**the Council**) is the Licensing Authority for the area of Cheshire East under the provisions of the Licensing Act 2003 (**the Act**).
- 1.2 The Local Authority's current Statement of Licensing Policy was published on 24<sup>th</sup> February 2009. A review of that policy is due by January 2014. This Statement of Licensing Policy (**the Policy**) is the result of the review and is published by the Council in accordance with section 5 of the Act. The Policy provides information and guidance to applicants and persons who are likely to be affected by an application (e.g residents and businesses) and Responsible Authorities or anyone interested in these matters. It will clarify the manner in which the Council will approach matters relating to licensing. Whilst the policy provides framework guidance regarding the considerations it will take into account when determining any licence application, the Council, as the Licensing Authority, will ultimately determine each individual application on its own merits.
- 1.3 Cheshire East's mission is for 'Cheshire East to be a great place to live, work, visit and enjoy'. The mission statement complements the aims of this Policy. There are a number of Corporate Objectives some of which link with this Policy. They include:
  - Cheshire East has a strong and resilient economy
  - People live well and for longer
- 1.4 The context of the Policy includes the Local Authority's statutory responsibility under the Health and Social Care Act 2012 for the health of the population of Cheshire East and it is noted that it is a priority of the local Health and Wellbeing Board to reduce alcohol related harm.
- 1.5 The context of the Policy includes the Local Authority's statutory duty under the Crime and Disorder Act 1998 to have regard to the need to do all that it reasonably can to prevent crime and disorder, misuse of drugs and alcohol and reoffending in its area.
- 1.6 The Policy takes into account the guidance issued under section 182 of the Act. The latest guidance was published by the Home Office in June 2013. A copy of the guidance may be accessed via the Home Office website [www.homeoffice.gov.uk](http://www.homeoffice.gov.uk)
- 1.7 In accordance with section 4 of the Act, the Licensing Authority shall have regard to the Policy in the exercise of its functions in respect of Licensable Activities and qualifying Licensable Activities in accordance with Section 1

and Schedules 1 and 2 of the Act. The following is a summary of what comprises Licensable Activities:

- The sale by retail of alcohol
- The supply of alcohol by or on behalf of a club to, or to the order of a member of the club
- The provision of regulated entertainment:
  - performance of a play
  - exhibition of a film
  - indoor sporting event
  - boxing or wrestling entertainment
  - performance of live music
  - playing of recorded music
  - performance of dance
  - entertainment of a similar description to the above

**There are certain exemptions to this definition, which relate to incidental live and recorded music, and spontaneous music, singing and dancing, which are set out in full in the Act.**

- The provision of late night refreshment (supply of hot food or drink from a premises between 23:00 and 05:00 hours)

1.8 The Licensing Authority has noted that the vicinity test in respect of relevant representations has been removed and consequently any person can now make a representation.

1.9 In formulating the Policy, the Licensing Authority has consulted all Responsible Authorities, holders of licences under the Act and the public within Cheshire East.

1.10 This policy will be for a 5 year period and a review will take place in accordance with statutory procedures and will take into full account of any relevant information received by way of consultation or otherwise.

## **2. The Aim of the Policy and Statutory Licensing Objectives**

2.1 The aim of the Policy is to secure the safety and amenity of communities within the Cheshire East area, whilst facilitating a sustainable entertainment

industry. The Local Authority recognises the need of residents for a safe and desirable environment in which to work and live and the importance of well-run licensed premises in a vibrant and diverse local economy. The Local Authority will promote the safety of residents and visitors whilst out at night and on their journey home.

- 2.2 In accordance with the guidance issued by the Secretary of State, the Local Authority recognises the need to encourage and promote a broad range of entertainment, particularly live music, dancing and theatre for the wider cultural benefits of our communities. A natural concern to prevent disturbance in the neighbourhood will always be balanced with the wider cultural benefits of our communities
- 2.3 The Local Authority has a duty to protect the amenity of its residents. This extends to the business community, who can expect the Local Authority to ensure that the environment is attractive and sustainable for the conduct of their business.
- 2.4 It is the Local Authority's duty to exercise its licensing functions with a view to promoting the four Licensing Objectives set out in section 4 of the Act:
- **The prevention of crime and disorder**
  - **Public safety**
  - **The prevention of public nuisance**
  - **The protection of children from harm**
- 2.5 Each objective is of equal importance. There are no other statutory licensing objectives, so that the promotion of the four objectives is a paramount consideration at all times.
- 2.6 The legislation also supports a number of other key aims and purposes. These are vitally important and should be principal aims for everyone involved in licensing work. They include:
- protecting the public and local residents from crime, anti-social behaviour and noise nuisance caused by irresponsible licensed premises
  - giving the police and licensing authorities the powers they need to effectively manage and police the night-time economy and take action against those premises that are causing problems
  - recognising the important role which pubs and other licensed premises play in our local communities by minimising the regulatory burden on business, encouraging innovation and supporting responsible premises

- providing a regulatory framework for alcohol which reflects the needs of local communities and empowers local authorities to make and enforce decisions about the most appropriate licensing strategies for their local area
- encouraging greater community involvement in licensing decisions and giving local residents the opportunity to have their say regarding licensing decisions that may affect them

2.7 The Licensing Authority will have proper regard to amongst other issues:

- Location and environmental impact of the proposed activity
- Suitability of the applicant
- Suitability of the premises to the application
- Operation and management of the premises
- Monitoring, review and enforcement

### **Policy Considerations**

2.8 This policy does not prejudice the requirement for the Licensing Authority to consider each application on its own merits.

2.9 Nothing in the policy will

- Undermine the rights of any individual to apply under the terms of the Act for a variety of permissions and have the application considered on its individual merits; or
- Override the right of a person or a body or a Responsible Authority (as defined in the Act) to make representations on an application or to seek a review of a licence or certificate in accordance with the provisions of the Act.

2.10 All persons have equal rights to make representations concerning applications for premises licenses (and hours of trading) and to receive appropriate consideration to their representations. Irrelevant, frivolous and vexatious representations will be disregarded.

2.11 Following Relevant Representations the Licensing Authority will only depart from this Policy where there is satisfactory evidence/information that the Licensing Objectives will be met in full. In cases where a departure occurs, the Licensing Authority shall provide reasons for the departure.

- 2.12 If an application for a licence or certificate has been made lawfully and there have been no Relevant Representations from Responsible Authorities or other persons, the Licensing Authority will grant the application, subject only to conditions consistent with the operating schedule and any relevant mandatory conditions.
- 2.13 To achieve its aims the Local Authority is committed to working in partnership with the Responsible Authorities, local businesses, residents and others towards ensuring the continued success of this Policy in achieving the statutory objectives of the Act. In considering these issues the Local Authority will focus on the four statutory Licensing Objectives.

### **3. Matters within the Control of the Premises Licence Holder**

- 3.1 The Licensing Authority recognises that licensing law is not the primary mechanism for the general control of individuals once they are away from a licensed premises, and therefore away from the direct control of the premises licence holder. Accordingly, in exercising its licensing functions the Licensing Authority will focus on matters which are within the control of the individual licensee and others who are granted relevant permissions. Nevertheless licensees should take reasonable steps to prevent the occurrence of crime and disorder and public nuisance immediately outside their premises, e.g. on the pavement, in a beer garden or in a smoking shelter, where and to the extent these matters are within their control.
- 3.2 The Licensing Authority will expect applicants to consider and make appropriate provisions to ensure that harm is not caused to the Licensing Objectives as a result of activity in, or in the vicinity of, the licensed premises.
- 3.3 It will normally be the responsibility of the premises licence holder to ensure that the managers, designated premises supervisor and door supervisors are competent and appropriately trained.

### **4. Planning and need for Licensed Premises**

- 4.1 When exercising its licensing functions the Licensing Authority will not be influenced by questions of need. The issue of whether or not there is a need for a particular premises is a commercial matter, which is not relevant to the Licensing Authority's considerations.
- 4.2 The Planning Regulation and Licensing Regulation functions are separate statutory regimes. The Licensing Authority recognises that there should be a clear separation of the planning, building control and licensing regimes in order to avoid duplication. The Licensing Authority when exercising its licensing functions will not consider whether there has been any alleged

breach of planning conditions. Planning Permission will usually be required prior to the use of premises for Licensable Activities.

- 4.3 The Licensing Authority is not bound by decisions made by the Planning Authority and vice versa.
- 4.4 There may be circumstances when, as a condition of planning permission, a terminal hour has been set for the use of premises for commercial purposes. Where these hours are different to the licensed hours, the earlier closing time must be observed. Premises operating in breach of their planning permission would be liable to enforcement action under planning law.
- 4.5 It should be noted that Building Regulations govern a variety of issues, which directly contribute to the Licensing Objectives, including means of escape, structural integrity, accessibility and public safety. Building Regulation Approval and Completion Certificates may be required prior to the use of the premises for licensable activities.

## **5. Integrating Strategies**

- 5.1 The Licensing Authority will consider the Local Authority's approved strategies and policies where they are relevant to the exercise of its function as the Licensing Authority.
- 5.2 The Local Authority recognises that Licensed Premises are an important contributor to the local economy. Any licence application will be considered by taking certain factors into account. These include:
  - Employment opportunities
  - The enhancement the proposal might have on the attractiveness of the wider area
  - The general impact in attracting visitors to the area
- 5.3 In undertaking its statutory licensing function the Licensing Authority may have regard to:
  - Section 17 of the Crime and Disorder Act 1998 and requirement that the Local Authority do all that it reasonably can to prevent crime and disorder in its locality
  - The European Convention on Human Rights (which is given effect by the Human Rights Act 1998), which places a duty on public authorities to protect the rights of individuals in a variety of circumstances
  - Any other relevant legislation drawn to its attention

5.4 The Licensing Authority will seek to discharge its responsibilities identified by other Government Strategies, insofar as they impact on the objectives of the Licensing Act. Examples of these strategies are:

- In accordance with Guidance the Licensing Authority will seek to establish a Safe Scheme so that proper liaison and partnership working with all relevant stakeholders will ensure that appropriate Action Plans for Tackling Alcohol Related Crime, Disorder and Nuisance are in place
- Safer Clubbing
- Local Authorities Coordinators of Regulatory Services and Trading Standards Institute Code of Best Practice on Test Purchasing
- Alcohol Harm and Reduction Strategy
- Crime and Disorder Reduction Strategy
- Enforcement Concordat, under which the Local Authority has developed an Enforcement Strategy

## **6. Anti-Social Behaviour**

6.1 The Licensing Authority recognises that in addition to the requirements for it to promote the Licensing Objectives, the Local Authority has a duty under section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder within its area.

6.2 The objective of the licensing process is to allow the retail sale of alcohol and the provision of other Licensable Activities in a manner that ensures the public's safety and which is neither to the detriment of residents, nor gives rise to loss of amenity. It is the Licensing Authority's aim to facilitate well run and managed premises with premises licence holders displaying sensitivity to the impact of their premises on local residents.

6.3 In accordance with the Guidance, the Licensing Authority does not regard this policy as a mechanism for the general control of anti-social behaviour by individuals once they have left the immediate vicinity of the licensed premises.

6.4 Recurring problems of alcohol-related anti-social behaviour, crime and disorder or serious public nuisance can occur in an area, which are not directly attributable to specific premises. In such cases, particularly if supported by the Police, the Licensing Authority may consider whether an Early Morning Alcohol Restriction Order (EMROs) might address the problems. These Orders are considered later in this Policy.

## **7. Prevention of Crime and Disorder**

- 7.1 The Licensing Authority will have regard to the Crime and Disorder Act 1998 (See Section 6.1 above). Any conditions attached to the premises licence should reflect any local crime prevention strategy. Including, the Safer Cheshire East Partnership Plan or a subsequent replacement plan.
- 7.2 The Licensing Authority will consider whether the premises make or will make a detrimental contribution to levels of crime and disorder, and whether the Operating Schedule is based on an adequate risk assessment, undertaken by the applicant, of the likelihood of crime and disorder occurring as a result of the application.
- 7.3 In order to meet its duty to prevent and reduce crime this Policy will have regard to the likely impact of licensing on related crime and disorder in the area. The Licensing Authority will consider the location of the premises and the impact, operation and management of the Licensable Activities. In particular these issues may include:
- Whether the layout, lighting and fittings of the premises have been designed so as to minimise conflict and opportunities for crime and disorder
  - Whether the Operating Schedule includes appropriate management measures to prevent crime and disorder
  - Door supervision together with the maintenance of an incident book
  - Use of toughened glass or plastic glasses
  - Mechanisms for combating drug dealing and use
  - Use of CCTV cameras
  - Membership of any Pubwatch or similar scheme
  - Use of ID scan equipment
- 7.4 The Licensing Authority may impose conditions on licences or certificates. These may include the following conditions (although the list is not exhaustive). The decision to impose conditions and their extent will depend upon the risks of crime and disorder at the particular premises
- Appropriate ratio of tables to chairs to customers and for areas to be allocated for seated customers
  - A requirement for Security Industry Authority door supervisors to control numbers and to deny entry to individuals who appear drunk, disorderly or intent on crime

- A requirement that drinking vessels do not form a sharp edge when broken
- Restrictions on drinking in areas within and outside the premises
- Procedures for checking the ages of young people who appear under the age of 21 or 25 to ensure alcohol is not sold to those under 18 and that those under 16 are accompanied in alcohol-led premises
- Appropriate 'early warning' communication systems with the Police and with other licensed premises
- The installation of CCTV
- Clear policies and measures to prevent illegal drugs being brought onto and used on the premises
- Searching of customers and staff

7.5 The Licensing Authority will carefully consider Police representations and other conditions relating to the deterrence and prevention of crime and disorder and initiatives to reduce crime will be drawn up in liaison with the police to deal with particular premises or types of premises where concerns may arise.

### **Safer Clubbing**

7.6 The Licensing Authority wishes to promote the principles of 'Safer Clubbing'. The current Home Office Guidance on the subject is recommended to relevant Premises Licence and Club Premises Certificate holders. Following relevant representations appropriate licensing conditions may be imposed to control the environment at relevant premises in support of the 'Safer Clubbing' objectives.

### **Drugs**

7.7 Following Relevant Representations, conditions may need to be imposed for certain types of venues to seek to eliminate the sale and consumption of drugs and to create a safer environment for those who may have taken them. These conditions will take into account the above-mentioned 'Safer Clubbing' advice issued by the Home Office. In all cases where conditions are to be imposed advice will be sought from the Drug and Alcohol Action Team and the Police.

7.8 The Licensing Authority, Police and Licence Holders need to be aware that power is available under the Anti-Social Behaviour Act 2003 that allows for the closure of a licensed premises by the Police where there is production,

supply or use of Class A drugs and/or serious nuisance or crime and disorder. This provides an extra tool to the Police in enabling instant action with regards to premises where there is a Class A drug problem.

### **Door Supervisors**

7.9 Following Relevant Representations the Licensing Authority may consider that certain premises require supervision for the purpose of promoting the reduction of crime and disorder, and to generally provide a safer operation of the premises. In such cases licensed door supervisors (registered by the SIA) must be employed at the premises either at all times or at such times as certain licensable activities are taking place, at a number and ratio to be determined by the Licensing Authority. (This excludes stewards/glass collectors who are not involved in the security of the premises and do not therefore require registration with the SIA).

### **CCTV**

7.10 Licence holders may wish to install cameras for the protection of staff, customers and for the prevention of crime on or in the vicinity of the premises. In exercising its licensing functions, the Licensing Authority may for the purpose of promoting any of the Licensing Objectives, impose as a condition of the licence the installation of a CCTV system. It should be noted that in such cases the Licensing Authority may take into account the type and quality of recordings, the location of cameras, storage and the availability of recordings to the Licensing Authority and Police.

### **Cinema Exhibitions (see also under Protection of Children from Harm)**

7.11 No film shall be exhibited at a licensed premises which is likely to:

- Lead to disorder
- Incite hatred or violence towards any section of the public on grounds of colour, race or ethnic or national origin, disability, religious beliefs, sexual orientation or gender

## **8. Public Safety**

8.1 The Licensing Authority wishes to promote high standards of public safety in relation to premises and activities within the scope of the Act.

8.2 The Licensing Authority recognises that the Public Safety Objective is concerned with the physical safety of the customers using the relevant premises and not with Public Health, which is dealt with by other legislation.

- 8.3 Where the Local Authority Director of Public Health submits a relevant representation the relevant Licensing Objective is likely to be Public Safety. This may include where a premises has undermined the objectives in respect of accidents and injury and other harms that may be caused by alcohol consumption. These issues may also impact on the prevention of crime and disorder objective and/or the protection of children from harm objective.
- 8.4 Where activities are organised by volunteers or a committee of a club or a society the Licensing Authority considers it good practice that the same level of Health and Safety protection is provided as if an employer/employee relationship existed, irrespective of whether there are strict legal duties applicable under Health and Safety legislation.
- 8.5 Following Relevant Representations, where the Licensing Authority considers that general health and safety duties do not adequately cover certain Licensable Activities, conditions may need to be attached to the licence to ensure public safety.
- 8.6 Organisers of temporary/large scale events will be encouraged to seek advice and information from the Local Authority's Event Safety Advisory Group prior to submitting any application.

### **Fire Safety**

- 8.7 The Licensing Authority will have due regard to the representations of Cheshire Fire and Rescue Service regarding licensing applications.
- 8.8 Following Relevant Representations, the Licensing Authority may impose appropriate conditions in relation to fire safety matters in consultation with Cheshire Fire and Rescue Service.
- 8.9 The Licensing Authority will only include an occupant capacity condition on a Premises Licence or a Club Premises Certificate where there is a genuine fear or a genuine problem with overcrowding and it is considered appropriate for public safety. This figure will be arrived at in consultation with Cheshire Fire and Rescue Service. If an occupant capacity is fixed in accordance with any risk assessment required by The Regulatory Reform (Fire Safety) Order 2005 that figure will be used.
- 8.10 Where the special provisions of Section 177 of the Act (dancing, amplified and unamplified music in premises with a capacity of no more than 200 persons) are utilised, the Licensing Authority reserves the right to confirm with Cheshire Fire and Rescue Service the safe capacity of the premises.

## **9. Prevention of Public Nuisance**

9.1 If Relevant Representations are received the Licensing Authority, when making an objective judgment about what constitutes a nuisance in respect of an application or review of a premises licence or certificate, will take a broad common law meaning when considering matters such as:

- Noise from premises
- Waste
- Litter
- Car parking
- Light pollution
- Noxious odours

9.2 In considering the potential impact of licensed premises on the surrounding locality the Licensing Authority, when in receipt of any Relevant Representations will take into account the type of entertainment activity, proposed hours of operation, the capacity of the premises, the character of the areas and the proximity to local residents. Consideration will be given to the potential steps which could be taken to reduce the risk of nuisance occurring. This will particularly apply in areas where there is residential accommodation in the proximity of the premises.

### **Noise and Vibration**

9.3 In order to enforce the provisions of the Environmental Protection Act 1990 (which relate to noise nuisance) the Police, Environmental Health Officers and Licensing Officers will liaise to ensure that adequate control measures are properly used to protect the local environment. Any action taken will be conducted in accordance with relevant enforcement policies

9.4 Consideration will be given to whether the operating schedule contains adequate measures to prevent noise and vibration, generated from within the premises, outside it, or from an open site, that may cause disturbance. Stricter conditions will be considered on premises in areas that have dense residential accommodation or have residential accommodation close to them. Noise includes music and human voices. Measures in the Operating Schedule may include installation of soundproofing, air conditioning, acoustic lobbies, sound limitation devices or locking doors at specified hours. If the proposed operating schedule fails to address noise nuisance issues, the Environmental Health Department may request that an independent acoustic report is conducted. Environmental Health may use any recommendations from such a

report to propose amendments to the Operating Schedule or suggest conditions for the consideration of any (Sub) Committee.

9.5 Applicants will be expected to have included measures in their Operating Schedules that make adequate provision to:

- Restrict the generation of any noise within the premises and from activities associated with the premises in the vicinity, or from an open air site
- Limit the escape of any noise from the premises or open air site
- Restrict any noise emissions to below levels that could affect people in the vicinity going about their business, at work and when at home both while relaxing and while sleeping
- Minimise and control any noise from customers arriving and departing from the premises

9.6 The Licensing Authority will not impose conditions on licensed premises that cannot be directly controlled, or on matters not related to the vicinity of the premises.

9.7 If it is considered that any noise emanating from within the curtilage of a licensed premises is causing a public nuisance, under the provisions of the Anti-Social Behaviour Act 2003, an Authorised Officer can require its immediate closure for a period of up to 24 hours. It should be noted that the 'test' is a lesser one than that required to determine a Statutory Noise Nuisance and the statutory defence of 'best practicable means' is not available.

9.8 The Licensing Authority further recognises the Government's view that licensing hours should not inhibit the development of thriving and safe evening and night-time local economies which are important for investment and employment locally and attractive to domestic and international tourists. Whilst providing consumers with greater choice and flexibility is an important consideration, the Licensing authority takes the view this should always be carefully balanced against the duty to promote the four licensing objectives and the rights of local residents to peace and quiet.

9.9 The Licensing Authority will not seek to impose uniform closure times in relation to alcohol licensed premises and will consider each application on its merits. However, where premises are situated in sensitive areas, in circumstances where the Licensing Authority's discretion has been engaged through the receipt of relevant representations, consideration will be given to the imposition of conditions aimed at limiting the impact of noise and

disturbance on residents. Such conditions may, for example, include the use of door supervisors, or measures to prevent the escape of sound from within the premises. Licensees and certificate holders are reminded that they should take reasonable steps to prevent the occurrence of crime and disorder and public nuisance in outside areas such as beer gardens or smoking shelters and in areas such as pavements immediately outside their premises, where and to the extent that , these matters are within their control.

### **Eating, Drinking and Smoking Outside Premises**

9.8 The Licensing Authority will take the following into consideration:

- Whether people standing or sitting outside are likely to cause obstruction or other nuisance
- Whether premises are under or near residential accommodation
- The hours of sale of alcohol in open containers or food for consumption outside the premises
- Measures to make sure that customers move away from outside premises when such sales cease
- Measures to collect drinking vessels and crockery, cutlery and litter
- The extent and location of areas proposed to be set aside for the consumption of food and alcoholic drink for smoking
- Whether there is a need for door supervisors to prevent or to control customers congregating in outdoor areas to smoke, consume food or drink (whether supplied by the premises or not), between certain hours or at all times.

### **Other Environmental Impacts**

9.9 Consideration will be given to whether Operating Schedules contain adequate measures to prevent:

- Litter, smells, fumes, dust, tobacco or other smoke, or other emissions
- Street fouling
- Light pollution
- Congestion of the pavement or roadway, impeding reasonable access

arising from the proposed licensable activity that may cause nuisance to people in the vicinity.

9.10 If the sale of alcohol in open containers or food for consumption outside the premises has been proposed, the following considerations are relevant:

- Whether measures would be undertaken to prevent nuisance caused by the storage, handling and collection of refuse and recyclable materials
- Whether late night premises are likely to generate litter and whether the sale of take-away food is proposed and the measures planned to prevent littering in the vicinity and to clear up any litter that occurs
- The steps proposed to prevent queuing or, if some queuing is inevitable, to divert queues away from residential properties and entrances to neighbouring premises, and to manage the queue to prevent disturbance and obstruction
- The steps taken to prevent disturbance by patrons arriving at or leaving the premises
- The steps taken to ensure staff leave the premises quietly
- The arrangements made or proposed for parking by patrons and the effect of parking on local residents
- Whether taxis and private hire vehicles serving the premises are likely to disturb local residents
- Whether routes to and from the premises on foot or by car or service or delivery vehicles pass residential premises
- Whether other measures to prevent nuisance such as the use of CCTV or the employment of SIA registered door supervisors are necessary
- The measures proposed to prevent the consumption or supply of illegal drugs, including any search procedures
- The likelihood of any violence, public disorder or policing problem arising if a licence were to be granted
- If the applicant has previously held a licence within the Cheshire East area, the details of any enforcement action arising from that premises
- Whether the premises would result in increased refuse storage or disposal problems, or additional litter in the vicinity of the premises.

## 10. Protection of Children from Harm

10.1 Protection of Children from harm includes the protection of children from moral, psychological and physical harm. This includes protection from premature exposure to strong language and sexual expletives. The Act does not prevent children having free access to premises selling alcohol for consumption on those premises, although the Licensing Authority when in receipt of Relevant Representations may impose conditions necessary for the prevention of harm to children. Where there are matters that give rise to serious concerns and the restriction of access may not ensure adequate protection of children from harm, children should be excluded. Examples of what may give rise to these concerns include:

- Where there have been convictions for serving alcohol to minors or where the premises has a reputation/evidence for underage drinking (to include any action undertaken regarding test purchases in relation to the supply of alcohol)
- There is a known association with drug taking or dealing
- There is a strong element of gambling on the premises
- Entertainment of an adult or sexual nature is provided

*Note: The Act makes it an offence to permit children under the age of 16 who are not accompanied by an adult to be present on premises used exclusively or primarily for the supply of alcohol for consumption on the premises.*

10.2 Matters which the Licensing Authority will take into consideration include:

- Whether there are effective measures to check the age of those young people who appear under 25, to ensure alcohol is not sold to those under 18 and those under 16 are accompanied in alcohol led premises
- Whether the supply of alcohol for consumption on the premises is the exclusive or primary purpose
- The hour to which accompanied children under 16 are proposed to be on the premises where the exclusive or primary purpose of the services provided at the premises is the supply of alcohol for consumption on the premises
- The likelihood of children being attracted to the premises e.g. by the nature of activities or facilities provided, whether or not these are licensed
- Whether there is evidence of heavy, binge or underage drinking on the premises

- 10.3 Where Relevant Representations have been received and it is considered necessary that the access of children should be restricted to protect them from harm then conditions may be attached to the licence. These may include:
- Limitation on the hours when children may be present
  - Restrictions to the age of persons on a premises (e.g. to over 18's only)
  - Restrictions on access to certain parts of the premises
  - Limitations or exclusions when certain activities may take place
  - Require an accompanying adult to be present at all times
- 10.4 Where large numbers of children are likely to be present on any licensed premises, for example, a children's show or pantomime, then the Licensing Authority may require the presence of an appropriate number of adult staff (who will have provided a satisfactory Disclosure and Barring Service check) to ensure their safety and protection from harm. The exact ratio is to be assessed in respect of each individual application and is dependent on the type and size of the premises and the control measures in place as outlined within the operating schedule, and importantly the particular group of children likely to visit the premises in question.

### **Cinema Exhibitions (see also under Prevention of Crime and Disorder)**

- 10.5 Where the exhibition of films is permitted the Licensing Authority will expect age restrictions to be complied with in accordance with the British Board of Film Classifications (BBFC) recommendations. Where a film has not been classified by the BBFC the Licensing Authority will consider whether it is appropriate to provide a local classification. When setting a local classification the Licensing Authority will have regard to the BBFC's guidelines.
- 10.6 In considering applications, the Licensing Authority will take into account any evidence that age restrictions for cinema exhibitions have not been adhered to.

## **11. Cumulative Impact**

- 11.1 The Licensing Authority does not consider that there are areas where Cumulative Impact occurs presently nor is there a need at this time for the Licensing Authority to adopt a special policy relative to designating 'Stress Areas'.

- 11.2 Where there is a concentration of licensed premises this can lead to serious problems of nuisance and disorder arising in the area itself and even some distance away from the premises. In such circumstances the impact of those premises when taken as a whole can be far greater than that arising from individual premises and it may not be possible to distinguish individual premises as being the sole cause or even a major contributing factor, of a particular problem. It is the **Cumulative Impact** of all the premises which causes problems for the wider area.
- 11.3 It is clear however, that the vicinity within which licensed premises are or may be located is a major consideration in determining whether a licence should be granted and what conditions should be attached to it should representation be received. Due consideration will be given to the direct impact of the operation of the premises on members of the public living, working or engaged in normal activity in the vicinity of the premises.
- 11.4 It should be noted that 'Cumulative Impact' should not be confused with the issue of 'need', which relates to commercial demand for licensed premises. 'Need' is not a matter to be taken into account by the Licensing Authority.
- 11.5 Where a particular area becomes saturated with licensed premises making it a focal point for large groups of people to congregate, this might create exceptional problems of disorder, noise and other nuisance and in such circumstances the grant of further Premises Licenses or Club Premises Certificates may undermine the Licensing Objectives.
- 11.6 Notwithstanding these concerns each application has to be considered on its own individual merits. Where an objector is seeking to establish that the grant of a licence or certificate would result in a cumulative impact which undermines one or more Licensing Objectives, the following shall apply:

### **Objections on the grounds of Cumulative Impact**

- 11.7 In cases where objectors seek to establish that an application should be refused on the grounds that it would result in or further contribute to cumulative impact which would undermine one or more of the Licensing Objectives the objector shall:
- Identify the boundaries of the area from which it is alleged problems are arising
  - Provide full details and evidence as to the seriousness of the nuisance and disorder caused in the area
  - Identify the licensing objective(s) which it is alleged will be undermined with specific regard to:

- The occupancy figure for the proposed premises
- The nature of the licensed activity to be carried on at the premises and its patrons.

### **Identifying Stress Areas**

11.8 Where as a result of an objection under paragraph 11.7 above and the Licensing Authority is satisfied that there is a serious or chronic concern about nuisance and disorder in a particular area and has refused an application on the grounds of Cumulative Impact the area shall be declared as a 'Stress Area'. In doing so the Licensing Authority shall:

- Follow the statutory procedures outlined in the Home Office Guidance issued under Section 182 of the Act
- Identify the boundaries of the area
- Identify the licensable activities causing the nuisance and/or disorder
- Monitor and review the 'Stress Area'

### **Applications for a New Premises Licence in a Stress Area**

11.9 New premises licenses will not be granted for the activities identified as causing nuisance and/or disturbance in Stress Areas except where:

- No objections are received to the application, or
- The grant of the licence will not undermine the Licensing Objectives

11.10 In considering such applications the Licensing Authority will have particular regard to:

- The occupancy figure for the proposed premises
- The proximity of the premises to others in the Area licensed for similar activities and the occupancy figures for those other premises
- Whether the proposed premises will act as a replacement for others in the Area that no longer has a licence
- The proposed methods of management outlined in the applicants' operational plan
- The proposed hours of operation
- Transport provision for the Area

### **Existing Premises Licenses in Stress Areas**

11.11 The above factors cannot be used as a justification for removing an existing licence. If representations are received about existing licensed premises relating to matters other than cumulative impact and which undermine the Licensing Objectives then appropriate action may be taken.

### **Applications for variations to existing Premises Licenses in Stress Areas**

11.12 Applications for variations to existing Premises Licenses in Stress Areas will not be granted where those modifications directly affect the issue of Cumulative Impact in the Stress Area or otherwise undermine the Licensing Objectives. An example of where a modification may directly affect the issue of cumulative impact would be where an application was received to extend premises and significantly increase the occupancy level of the premises.

## **12. Applications for New Grants and Variation of Existing Terms and Conditions**

12.1 In the absence of any Relevant Representations in respect of any application made to the Licensing Authority, it is the duty of the Authority to grant the licence or certificate subject only to conditions that are consistent with the Operating Schedule and any Mandatory Conditions prescribed in the Act. This will also apply to any applications made in respect of premises within an identified Stress Area.

12.2 The EU Services Directive (Directive 2006/123/EC) and the Provision of Services Regulations 2009 require the Authority to enable an electronic application facility. This is available through [www.GOV.uk](http://www.GOV.uk) for Premises Licence applications, renewals and variations and for Club Premises Certificates, renewals and variations. An automatic grant is not available for these applications since visits to premises are required in order to ensure the Licensing Objectives would be promoted. In addition the consideration of a licence needs to take into account the management of the premises.

12.3 The Licensing Authority will consider the same issues in respect of a variation and a renewal as they do in respect of an application for a new grant.

12.4 The Licensing Authority may take into account any non-compliance of other statutory requirements brought to its attention. Particularly where these undermine the Licensing Objectives, as non-compliance with other statutory requirements may demonstrate that the premises are unsuitable for the activities proposed or that the management of the premises is not adequate to protect the public from harm or nuisance.

12.5 The Licensing Authority will consider whether appropriate measures have been put into effect by the applicant to mitigate any adverse impact.

### **13. Temporary Events**

13.1 Arrangements are made under Part 5 of the Act for the temporary carrying on of licensable activities which are not authorised by a premises licence or a club premises certificate.

13.2 The Licensing Authority will provide advice about, amongst other things, public safety. Organisers of temporary/large scale events will be encouraged to seek advice and information from the Local Authority's Event Safety Advisory Group prior to submitting any application.

13.3 Legislation states that a minimum of ten working days notice should be given to the Licensing Authority of temporary events (or five working days in respect of a late temporary event). In accordance with the Act, 'Working Day' excludes Saturday, Sunday and Bank Holidays. The Licensing Authority cannot and will not accept notification of a Temporary Event Notice or a late Temporary Event Notice outside the statutory time limit.

13.4 The Licensing Authority acknowledges that in exceptional circumstances, some Temporary Events may and do have an impact upon crime and disorder. Therefore, in cases of large scale events, organisers should consider providing as much notice as possible. The Licensing Authority considers two months notice to be advisable in relation to such events.

13.5 The Licensing Authority expects organisers to give due consideration to the four licensing objectives and to consider local residents and those attending events, in areas such as:

- Health and Safety
- Noise Pollution
- Use of Temporary Structures
- Road Closures
- Use of Pyrotechnics or Fireworks
- Controlling Anti-Social Behaviour

13.6 The Licensing Authority may advise applicants to consult with Cheshire Fire and Rescue Service and North West Ambulance Service for guidance with regards to assessing possible risks.

- 13.7 Applicants will also be reminded that giving a Temporary Event Notice does not relieve the premises user from planning law and any requirement to obtain the appropriate planning permission where it is required.

#### **14. Operating Schedule**

- 14.1 It is recommended that that applicants contact Responsible Authorities when preparing their operating schedules. This is likely to reduce subsequent objections.
- 14.2 This Statement of Licensing Policy sets out criteria and considerations, which relate to the Licensing Objectives, which applicants should have in mind when drawing up their Operating Schedule.

#### **15. Hours of Operation**

- 15.1 The Licensing Authority will determine licensing hours based on the individual merits of each application.
- 15.2 The Licensing Authority will consider whether longer licensing hours will achieve a gradual dispersal of people leaving licensed premises and therefore promote the Licensing Objectives.
- 15.3 The Licensing Authority recommends that applicants indicate within the operating schedule that consideration has been given to the extent the licensing hours applied for will impact on local residents and the surrounding area.
- 15.4 The Licensing Authority will consider licensing shops, stores and supermarkets to sell alcohol for consumption off the premises at any time when the retail outlet is open for shopping unless there are good reasons, based on the licensing objectives, for restricting the hours. Consideration may be given to restricting the licensing hours of individual shops in circumstances where representations received indicate that the premises is a focus of disorder and disturbance.

#### **16. Conditions**

- 16.1 The Licensing Authority may, when considering the content of the Operating Schedule, select appropriate conditions from the Home Office Guidance, pool of Conditions, where it is deemed appropriate to ensure that the Operating Schedule reflects the four Licensing Objectives.
- 16.2 Where appropriate, following receipt of Relevant Representations, the Licensing Authority, may attach conditions to the grant of a licence which seeks to regulate the behaviour of persons as they leave licensed premises.

16.3 Where existing law already places statutory obligations on applicants the Licensing Authority will not usually impose the same or similar duties by way of condition.

## **17. Enforcement and Review**

17.1 It is the intention of the Licensing Authority to work proactively with the Cheshire Police and other enforcement agencies. Proportionate targeting of agreed problem and high-risk licensed activities needing greater attention will be applied. A corresponding lighter touch for well run, lower risk premises will also be applied.

17.2 The Review of licences or certificates provides a key protection for the community where the Licensing Objectives are being undermined. The Review system should allow the Licensing Authority to apply a light touch bureaucracy to the grant or variation of a licence or certificate. The Licensing Authority may then take a more robust approach when problems relating to the Licensing Objectives arise later in respect of any premises.

17.3 At any stage following the grant of a premises licence or a club premises certificate, a Responsible Authority or any other person, may ask the Licensing Authority to review the licence or certificate because of a matter arising at the premises in connection with any of the four licensing objectives. The Licensing Authority shall refer to Guidance when assessing whether any Relevant Representations are irrelevant, vexatious, frivolous or repetitious.

17.4 Although the Act does not require premises inspections to be undertaken, they will take place at the discretion of the Licensing Officers charged with this role and will take place as judged necessary. This will ensure that the Licensing Authority manages resources efficiently and that 'effective enforcement' is directed at 'problem premises'.

17.5 Where any conditions have been applied to a Premises Licence or Club Premises Certificate and Authorised Officer of the Local Authority may inspect the premises at any reasonable time for the purpose of checking that the conditions are being complied with.

### **Door Supervisors**

17.6 The Security Industry Authority (SIA) plays an important role in preventing crime and disorder by ensuring that door supervisors are properly trained and licensed. Specific enquiries or premises visits may occur in order to ascertain that SIA Licenses are being executed in the correct manner and not as a tool for crime and disorder such as fronts for serious and organised criminal activity. Intelligence led operations by the SIA, Licensing Authority and/or Police will be conducted without notice

## 18. Early Morning Alcohol Restriction Orders (EMROS)

- 18.1 Under Section 172 A to E of the Act, the Licensing Authority has the power to make an EMRO prohibiting the sale of alcohol for a specified period between the hours of 24:00 and 06:00. They are designed to address recurring problems with licensed premises, serious public nuisance and other instances of alcohol-related anti-social behaviour which is not directly attributable to specific premises.
- 18.2 The Licensing Authority will consider evidence that such a decision is appropriate for the promotion of the Licensing Objectives. Consideration will be given to evidence provided by partners, Responsible Authorities and the Local Community Safety Partnership as well as evidence the Licensing Authority has gathered to determine whether an EMRO would be appropriate for the promotion of the licensing objectives. The Licensing Authority will consider the problems that have been identified. A range of evidence may be considered, including local crime and disorder statistics, statistics on anti-social behaviour offences, health related statistics (e.g. alcohol related emergency attendances and hospital admissions, environmental health complaints, complaints recorded by the Local Authority, residents' questionnaires, evidence from local councillors and evidence obtained through local consultation).
- 18.3 It is acknowledged by the Licensing Authority that an EMRO is restrictive, whilst also being a powerful tool to address recurring problems of alcohol-related crime and disorder, serious public nuisance and alcohol-related anti-social behaviour. Prior to making an EMRO the Licensing Authority will consider whether any other measures (implemented by themselves or with partners) may address the problems that have been identified, in particular other measures might include:
- Development of a Cumulative Impact Policy
  - Reviewing the licenses of specific problem premises
  - Encouraging the creation of business-led practice schemes
  - Use of powers of the Local Authority to designate an area where alcohol may not be consumed publicly (Designated Public Places Order)
  - The confiscation of alcohol in designated areas
  - Police enforcement of the general law concerning disorder and anti-social behaviour

- Prosecution for the offence of selling (or allowing such a sale of) alcohol to a person who is drunk
- Use of Police powers to close down any licensed premises instantly for up to 24 hours in respect of which a TEN has effect

18.4 In taking any decision to make an EMRO, the Licensing Authority will follow the statutory process and will invite representations.

## **19. Late Night Levy**

19.1 Under Section 125 of the Police Reform and Social Responsibility Act 2011 the Local Authority can adopt a Late Night Levy, following a consultation process, outlined by the Home Office. It allows the Local Authority to charge an additional fee to any licensed premises that has a licence for the sale of alcohol (on and off sales) after 12 midnight and up to 06:00 in order to cover the additional costs associated with late night alcohol trading. Legislation allows this to start from midnight but it is up to the Local Authority to decide when they wish to apply it.

19.2 Any income raised by the Levy must be split with the local Police force; the Police would receive a minimum of 70% of funds raised and the Local Authority's 30% must be used to fund services which make the late night economy a more welcoming place.

19.3 The Local Authority will consider implementing a Late Night Levy if appropriate.

## **20. The Licensing Process**

20.1 Applications can be made on the prescribed forms that can be found on the Home Office website.

20.2 Applications can also be made via the government website [www.gov.uk](http://www.gov.uk). In order to fulfil its obligations under the Provision of Services Regulations 2009 (and the EU Services Directive) the Council will continue to enable the application process and payment online. Tacit consent is however not applicable for applications under the Licensing Act 2003 since the suitability of an applicant and the suitability of premises are under consideration.

## **21. Delegation and Decision Making**

21.1 One of the major principles underlying the Licensing Act 2003 is that the licensing functions contained within the Act should be delegated at an appropriate level to ensure an efficient and cost effective service.

- 21.2 The Licensing Authority is committed to the principle of delegating its powers to ensure that these objectives are met and has arranged for its licensing functions to be discharged in accordance with the Home Office Guidance. The table at Appendix 1 sets out the agreed delegation of decisions and functions to the Licensing Committee, Sub-Committees and Officers
- 21.3 The Act itself creates a presumption that applications will be granted unless a Relevant Representation (objection) is raised. Where a function is delegated to an officer, that officer will be responsible for liaising between the applicants, objectors and Responsible Authorities to ensure that any licence granted is subject to any appropriately agreed conditions and relevant mandatory conditions
- 21.4 Where objections are made, an officer of the Licensing Authority may liaise with the Applicant, objectors and the Responsible Authorities to see if agreement is possible to conditions which would overcome the objections, without the need for the matter to go before the Committee or Sub-Committee. Only where objections are raised which cannot be reconciled will matters be referred to either the Sub-Committee or the Full Committee for determination.
- 21.5 Contested Licensing Applications and Review Hearings are administrative in nature and the (Sub) Committee will ensure that any meetings are conducted as informally as possible. However, some degree of formality is needed to ensure that all parties receive a fair hearing. Procedural requirements will be established to ensure that all parties are able to express their views openly and fairly. The (Sub) Committee procedure is inquisitorial rather than adversarial and, whilst applicants, objectors and Responsible Authorities are entitled to bring legal representation with them if they wish, this is by no means a requirement or a necessity.
- 21.6 Whilst the (Sub) Committee usually meets in public, it does have the power to hear certain applications in private. The Committee, however, will always reach its decision in private. A public announcement of the decision is normally made at the end of the Hearing together with an outline of the reasons for that decision. However on occasion this may not be possible, due to time constraints and/or the complexity of the issues under consideration, in which case a written decision will be issued as soon as possible after the Hearing.
- 21.7 The procedure which will generally be used by the (Sub) Committee, unless the Chairman of the (Sub) Committee takes the view that natural justice and fairness require a change to be made to the process, is set out at Appendix 2.

## 22. Exclusions

22.1 In formulating this Statement of Licensing Policy in accordance with Guidance and recognising the need to treat each application on its individual merits the Licensing Authority makes specific exclusions, which are detailed below.

### **Commercial Demand**

22.2 The commercial demand for additional premises licenses (as distinct from cumulative impact) will not be a matter for the Licensing Authority, such matters being a specific consideration for the Planning Authority.

### **Zoning and licensing hours**

22.3 Fixed predetermined closing times for particular areas will not form part of the Policy and restriction on trading hours will be considered only where appropriate to meet Licensing Objectives.

### **Children**

22.5 Nothing in this Statement of Policy shall limit or require access of children to premises unless there is an overriding necessity to prevent harm to children. Areas that will give rise to particular concern are highlighted elsewhere in this Policy.

### **Standardised conditions**

22.6 The Policy does not provide for 'standard conditions' to be imposed so as to avoid the imposition of disproportionate and burdensome requirements. Conditions attached to licenses or certificates, if deemed appropriate in particular circumstances, will be tailored to reflect the individual operation of the premises in question. Conditions will not be imposed which are beyond the responsibility or control of the premises licence holder.

## **23. Consultation**

23.1 In reviewing this Policy the Licensing Authority has consulted widely to ascertain an appropriate licensing framework for its area. Various bodies have been consulted including:

- Cheshire Constabulary
- Cheshire Fire and Rescue Service
- Cheshire East Health and Wellbeing Board
- Current licence holders
- Representatives of the local licensing trade

- Representatives of local businesses and residents
- Community Safety Partnership and Event Safety Advisory Group
- Borough Councillors
- Parish and Town Councils
- Macclesfield Charter Trustees
- Council Officers

## **24. Changes to Legislation**

24.1 This Statement of Licensing Principles reflects the law in force in June 2013. The following are some of the main changes which are currently proposed:

- An authorisation for an indoor sporting event or a performance of a play or dance may be required only when the audience exceeds a specified number (1000 for an indoor sporting event and 500 for the performance of a play or dance) or the entertainment does not take place between 8am and 11 pm on any day
- It is intended that it will be made clear that a contest exhibition or display which combines boxing or wrestling with one or more martial arts (a 'combined fighting sport') is licensable under the Act as a boxing or wrestling entertainment rather than an indoor sporting event

24.1 As changes to legislation occur the Local Authority will implement them using the principles stated in this Statement.

## **25. Review of the Statement of Licensing Policy**

25.1 The adoption of a revised Statement of Licensing Policy is reserved to Full Council. However if a review were necessary during the 5 year period for which the Policy is adopted this can be undertaken by the relevant Cabinet member and the Council's Licensing Committee which would make a recommendation to Council.

### Notes

1. The hearing shall normally be held in public. There may be occasions on which the Committee find it necessary to exclude members of the press and public; any such decision will be taken on the basis that the public interest in doing so outweighs the public interest in the hearing, or that part of the hearing taking place in public.
2. The Chairman may require any person behaving in a disruptive manner to leave the hearing and may (a) refuse to permit that person to return, or (b) permit him/her to return only on such conditions as the authority may specify, but any such person may submit in writing any information which they would have been entitled to provide orally if they had not been required to leave.
3. Prior to the hearing each party shall have given notification and served documentation (eg statements of witnesses or reports of experts) as required. Late representations and evidence will only be considered with the agreement of all parties.
4. Anyone entitled to be heard may be represented by any person, whether or not that person is legally qualified.

Dear Sir/Madam,

**APPLICATION FOR A PREMISES LICENCE**  
**SANDBACH UNITED COMMUNITY FOOTBALL CLUB**  
**HIND HEATH ROAD, SANDBACH. CW11 3LZ**

It has been noted within local press, despite reassurances to the contrary, that on 21<sup>st</sup> March, 2014 Sandbach United Community Football Club wish to apply for a premises licence.

As a resident within close proximity to the site in question I strongly urge you to give refusal to this application. The grounds being due to the numbers who frequent the venue in question, coupled with the young element and the unsocial hours quoted as time spans, give grave cause for concern. It is felt that the granting of a licence under the Licensing Act 2003 would cause public nuisance, crime and disorder. In the circumstances I respectfully request that the misgivings I have expressed are given full consideration when appraising this application.

Yours faithfully,

Dear Sir/Madam,

**APPLICATION FOR A PREMISES LICENCE**  
**SANDBACH UNITED COMMUNITY FOOTBALL CLUB**  
**HIND HEATH ROAD, SANDBACH. CW11 3LZ**

It has been noted within local press, despite reassurances to the contrary, that on 21<sup>st</sup> March, 2014 Sandbach United Community Football Club wish to apply for a premises licence.

As a resident within close proximity to the site in question I strongly urge you to give refusal to this application. The grounds being due to the numbers who frequent the venue in question, coupled with the young element and the unsocial hours quoted as time spans, give grave cause for concern. It is felt that the granting of a licence under the Licensing Act 2003 would cause public nuisance, crime and disorder. In the circumstances I respectfully request that the misgivings I have expressed are given full consideration when appraising this application.

Yours faithfully,

Application for a premises licence  
at Sandbach United Community Football Club. 6.4.2014

Dear Sir,

At public meetings several years ago, the question re licensing was asked, and locals were assured by the Football Club that "only pop and crisps would be sold."

Are Cheshire East about to renege on a planning agreement? Is it a sporting venue or a pub?

I know you will do what you like, regardless of public opinion.

Yours Sincerely

P.S. Is it true that the 'pub' side of things is open for business on Easter Monday?

APPLICATION FOR A PREMISES LICENCE

SANDBACH UNITED FOOTBALL CLUB

HIND HEATH ROAD

SANDBACH CW11 3LZ

Dear Sir,

An application has been made for a premises licence at Sandbach United Football Club. When the club first asked for permission to create the football club and facilities for Sandbach United and pitches for the benefit of local children and young people, it was stated categorically that no alcohol licence would be sought.

Local residents would not have approved such an application. Large numbers of young people were likely to frequent the club and the prospect of anti-social behaviour in the area would have met with strong opposition from local residents. Far more locals would have opposed the creation of the football facility if such a licence were to have been proposed.

This local feeling is still the same. The granting of a licence would cause nuisance, crime and disorder. In addition the roads in the area, already very busy, have had a huge increase in traffic levels. The traffic is set to increase even further with all the building planned on the greenfield sites all around.

We sincerely hope that this application is rejected.

Yours faithfully

Dear Sir/Madam.

APPLICATION FOR A PREMISES LICENCE  
SANDBACH UNITED COMMUNITY FOOTBALL CLUB  
HIND HEATH ROAD, SANDBACH, CW11 3LZ

It has been noted within local press, despite reassurances to the contrary, that on 21<sup>st</sup> March, 2014 Sandbach United Community Football Club wish to apply for a premises licence.

As a resident within close proximity to the site in question I strongly urge you to give refusal to this application. The grounds being due to the numbers who frequent the venue in question, coupled with the young element and the unsocial hours quoted as time spans, give grave cause for concern. It is felt that the granting of a licence under the Licensing Act 2003 would cause public nuisance, crime and disorder. In the circumstances I respectfully request that the misgivings I have expressed are given full consideration when appraising this application.

Without Prejudice

Sir /Madam,

**Licensing Act 2003 - Application for Premises Licence  
Sandbach United Football Club, Hind Heath Road Sandbach CW11 3LZ**

The above premises are only a few hundred metres from my address and I write to **Object** to the above application.

The above development took place despite considerable local objection and at the time of the Planning application Sandbach United had no hesitation in using children to lobby in favour of what is intrusive development in open countryside. It would appear the proposed use now is a lot more grown up. The application is not in the spirit or intent of what local residents were led to believe and I object on the following grounds:

- The consumption of alcohol by visitors to the site will cause disruption to the quiet enjoyment of my property.
- The proposal will bring about an increase in casual users and their traffic rather than footballers, whether members or not.
- The proposals will lead to an increase in activities not associated with football at the premises which will become yet another disruptive gathering place in the close proximity of my home.

Sandbach Cricket Club is located directly opposite this football club and they already have a licence. Your records will show a series of complaints from me and several neighbours about the unruly behaviour of some of the visitors to those premises (urinating in peoples drives, throwing bottles, loutish gangs disrupting late evenings). Do not exacerbate this problem by allowing another premises licence in close proximity.

APPENDIX 104

Already we are subjected to yelling and bawling and shouting from the people on these pitches, almost all weekend. It is essential that you do not expand the use of the premises further by permitting this application and I urge you to refuse it.

I point out that you must not base your decision on the future financial viability of the applicants organisation.

Under the Freedom of Information Act 2000 I would be pleased if you will let me have details of the Officers and Councillors who will be responsible for determining this application.

Yours faithfully,

Dear sir/madam

**Application for Premises Licence - Sandbach United Football Club, Hind Heath Road,  
Sandbach CW11 3LZ**

I object to the above application.

The original Planning Application was for Football Facilities for local children and young people. Now the Applicant appears to want it to become a social entertainment venue for adults.

This is unacceptable development of the site.

Sandbach Cricket Club is also close to our home and what use to be a quiet residential area has been ruined by:

- Noise and nuisance
- Drunk and disorderly groups of youths leaving the Cricket Club walking past our property
- Youths urinating in ours and our neighbours front gardens
- Broken, smashed beer bottles outside and on our property
- Items stolen from our front garden

It is unacceptable in a residential area to have 2 competing license establishments when one is already a source of trouble.

Yours faithfully

Dear Sir or Madam,

Letter of objection relating to:-

'Sandbach United Community Football Club, Hind Heath Road, Sandbach, CW11 3LZ  
 Application for a premises licence - Licensing act 2003'

I write in my capacity as the recently elected chairman of Friends Of Abbey Fields, a properly constituted voluntary body established in 2008 with the sole purpose of protecting Abbey Fields, Sandbach and surrounding areas, to register objection to the application made by Sandbach United Community Football Club for a license to sell alcoholic liqueur for consumption within the club premises.

Objection is based on the following grounds:-

- Residents of Abbey Road already suffer a degree of noise nuisance during match play. The emotive nature of football results in raised voices and shouting from both players and spectators. The playing pitches and club house are sufficiently close to residential properties such that aggressive shouting including, at times, language that many people find disturbing or offensive, can clearly be heard and understood. The consumption of readily available alcoholic drinks is highly likely to exacerbate this existing nuisance.
- The club currently limits play to finish by 22:00 after which activity and resulting noise die down quickly as players and spectators have little incentive to remain at the club. The licensing hours stated in the application would extend the effective period of activity and is likely to result in and are likely to result in more people leaving at the same time once the bar has closed.
- Many of the club teams consist of minors in various age bands ranging from aged 5 through to adolescents and adults. As such a license would not be appropriate as it would promote the consumption of alcohol within a facility which is intended for community sport that has been both supported and part funded by Cheshire East Council.

- When the current club facility was being progressed through the planning process representatives of Sandbach United clearly and categorically stated that the club would not be seeking a license to sell alcohol. The clubhouse facilities were to provide changing rooms, storage of maintenance equipment, and rooms suitable for player presentations. They pointed out that any demand for social facilities, including a licensed bar, was already catered for by the existing cricket club located on the other side of Hind Heath Road which is within easy walking distance of the football club. The planning application for the football facility was supported by the synergy of sharing facilities with the cricket club. Clearly this current license application completely undermines this significant factor which provided some weighting towards the Cheshire East planning department finding in favour of approving the football facility.

In view of the above, Friends Of Abbey Fields on behalf of many local residents respectfully request that the Licensing Authority to refuse said application.

Yours faithfully

We would like to voice our objection to the application for a licence to serve alcohol at Sandbach United Community Football Club on Hund Heath Road, Sandbach, when being built residents were assured that this would not happen, we already have noise, heavy traffic and anti social behaviour from the Cricket club opposite and we feel anymore of the afor mentioned would be very detrimental to the residents that live in the surrounding area.

10<sup>th</sup> April 2014

Dear Sir / Madam

I am writing to appeal against Sandbach Football Club obtaining a licence to sell alcohol at the football club.

The reasons are listed below,

1 As part of the planning permission for the football club to be built it was stated that they couldn't sell alcohol due to the number of children been on the premises.

2 There are no footpaths along the road for people to walk home.

3 The football club isn't on a bus route.

4 There are no street lighting along the road.

5 As the football club is built in open countryside the noise from them carries across to the nearby housing. You can hear them playing football at the moment. The times that they want to be open until will disturb the residents at night when most of them will be in bed.

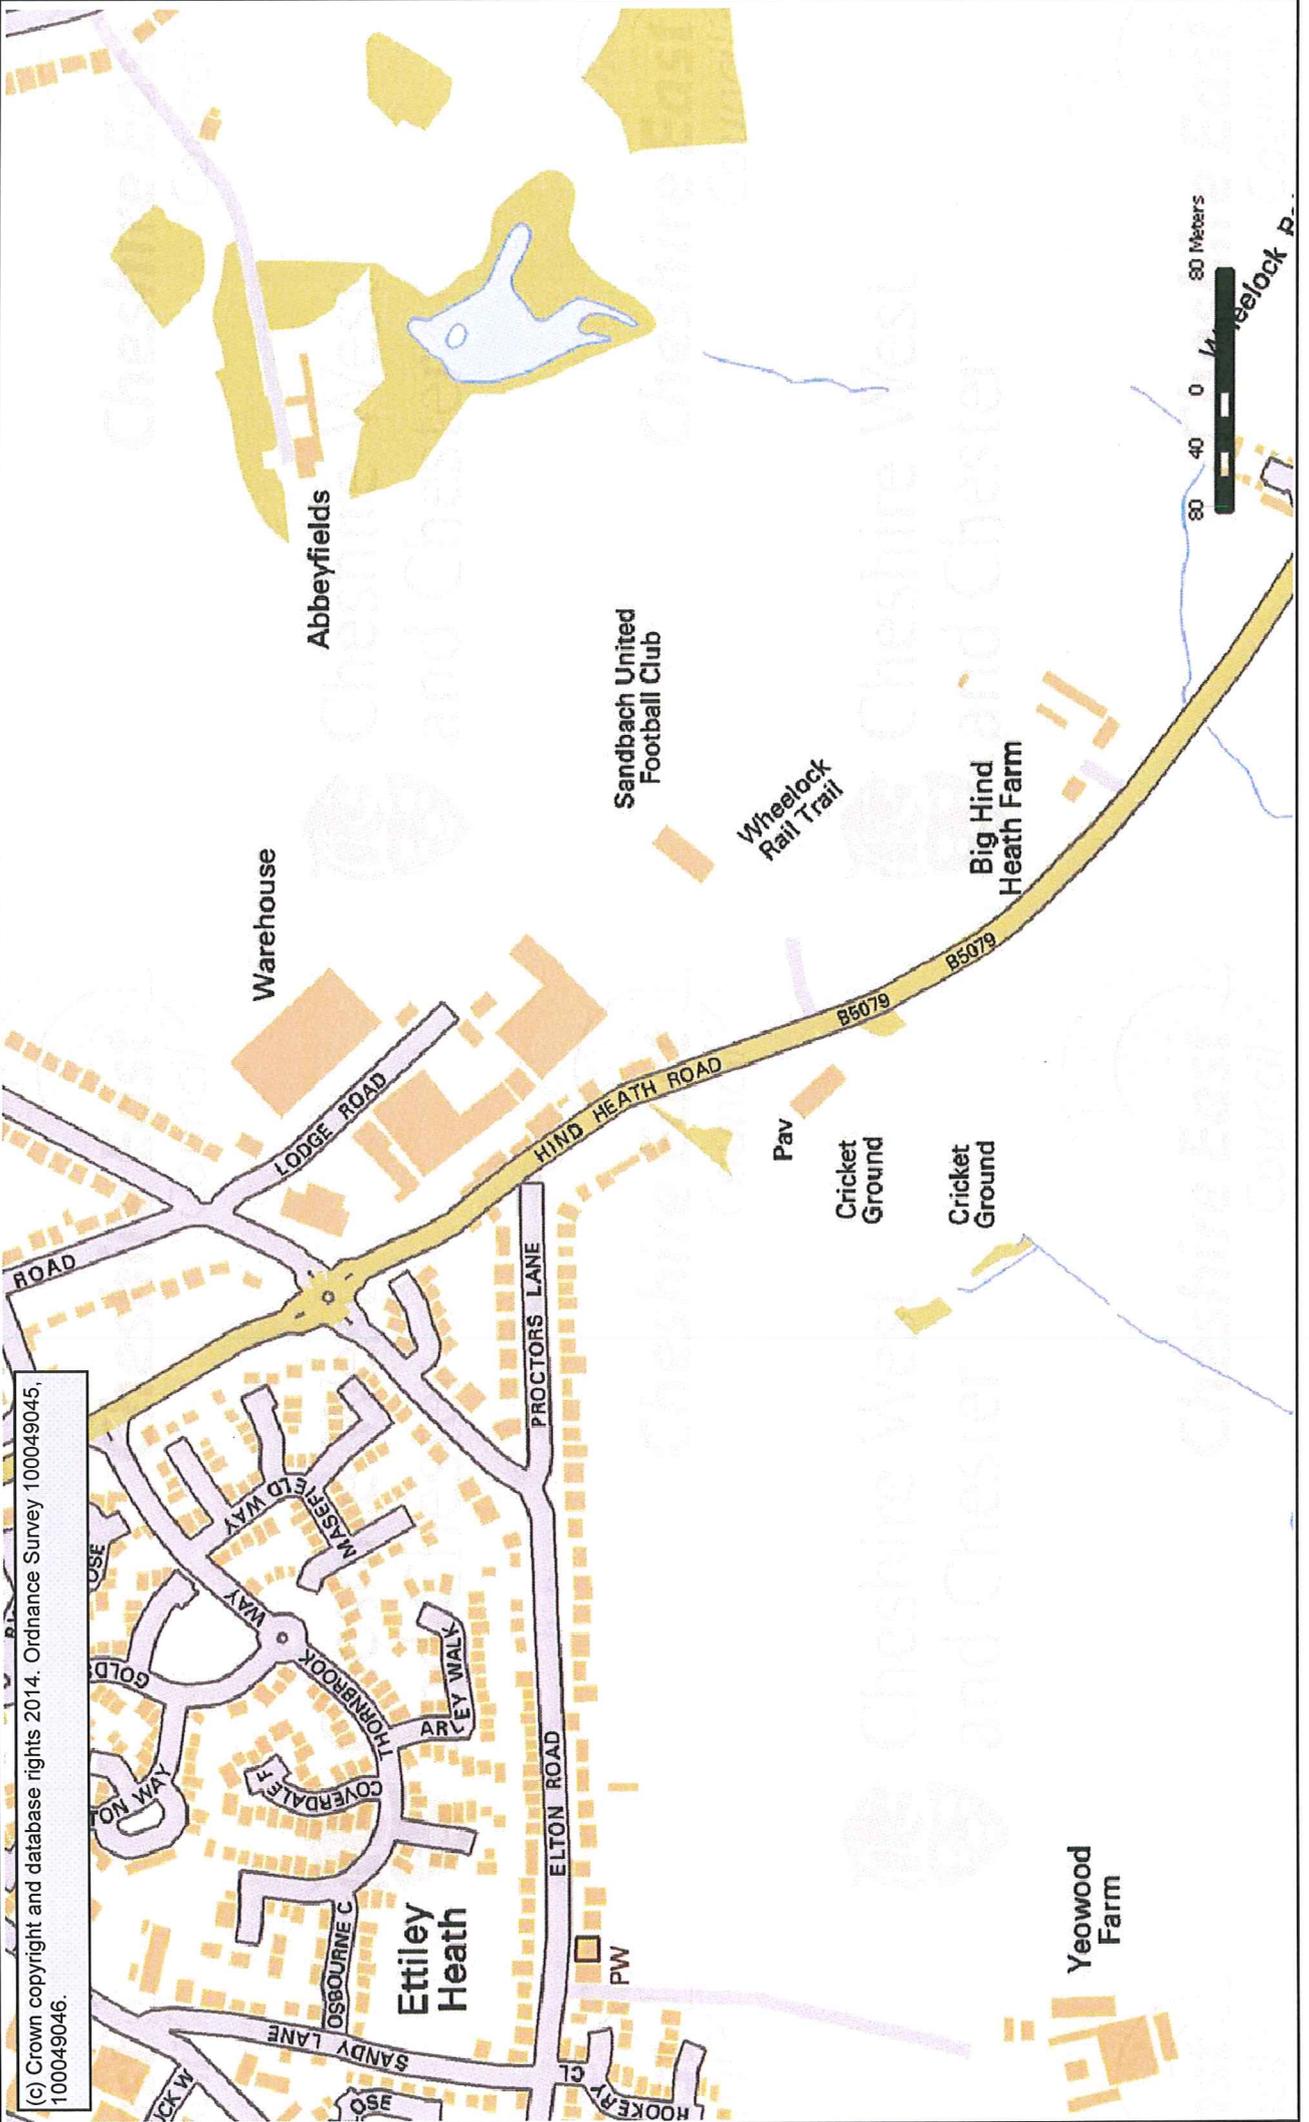

6 The local cricket club across has a licence to sell alcohol with restrictions so they can visit there as the sign informs them at the football club.

7 The only way for people to walk home is the salt line way, but this is only lit with street lights towards Ettiley Heath. The other way to Wheelock is all in darkness.

Yours faithfully

Dear Sirs

We strongly contest the application for variation of the Club Premises Certificate for Alderley Edge Cricket Club.

We have lived on a peaceful cul-de-sac which directly borders the cricket club for eighteen years and are a family of 2 adults and 3 children aged 14, 11 and 8 years old.

The club have annually held a Summer and Christmas ball for many years in a marquee which although very loud and intrusive, we have accepted this noise from the club.

Over the last five years or so there has been a significant increase of marquee events - a 'one-off' members wedding reception a few years ago; has happened several times since, as recent as this February when a Friday evening wedding reception was held, which was followed by the Hockey Club 125th Anniversary dinner on the Saturday night, followed by a beer festival on the Sunday afternoon. Both evening events were a live band and DJ which can be clearly heard inside the comfort of my living room. My children do not have a good nights sleep on these weekends which impacts on the sports activities which they play on both Saturday and Sunday mornings.

During the summer months when windows and doors are open; the noise is ridiculous to the point where it is necessary to go out for the evening rather than try and enjoy an evening in; a somewhat expensive option this is becoming. Firework displays are becoming a popular addition to some of these functions thus sending noise disruption to another level for 20-30 minutes after 10 o'clock when my children are trying to get to sleep.

Over the past years we have telephoned the club and the police to complain about the noise from bands and DJ's and have requested this be reduced. We have contacted the council previously to complain by telephone and email, this will be on file.

We really do believe that if this application is accepted then the club will become a venue for all types of parties ie 18th, 21st, weddings not just club affiliated functions. The club will want to increase their revenue and make the most of the use of the marquee when it has been erected and this will mean a full weekend of back-to-back discos and parties many times during the year.

Please consider carefully the impact this will have on not just our family but all neighbours surrounding Alderley Edge Cricket Club.

Yours faithfully

Dear Sir/Madam,

I would just like to express my concerns regarding The Alderley Edge Cricket Club application to include live and recorded music extended hours.

I live on [redacted] and my house backs on to the cricket pitch so therefore im in very close proximity, i live with my little girl who is only 6.

We as residents appreciate that at certain times of the year the cricket club holds its annual Summer ball and certain other events that weekend and i totally accept that and can make provisions for the late extra noise, i usually go and stay with family instead of been kept awake til all hours and disturbing my daughter!

I would dread the thought of it becoming a regular event at the club and would envision it being a social problem for myself as i am such a light sleeper, also upsetting my daughters sleep which would then have a knock on effect the following morning, mainly school and activities etc!

I have loved living here for the past 5 years and hope to continue doing so in the lovely peaceful enviroment that appealed to me so much when i bought my house.

Therefore i do hope that the license for late night noisy parties is declined.

Yours faithfully

Dear Sir/Madam,

I write to make my case for objections to the above.

My home at [redacted] is positioned along the boundary of the club adjacent to court 14 (Tennis). The club house enjoys an open uninterrupted aspect to our house and our position is elevated above the club house.

Our entitlement to view documents for this application is not openly possible to us as my wife & I are both disabled. However, we learn that the club proposals include the provision of daily live music up to 1am. We are both rounding 80 years old & looking to a quite life in a quite location but now seem likely at risk of a disturbance by noise & overusage.

For 29 years we have, dare I say, enjoyed our location with the club but now we seemingly are threatened by hostility in the form of noise nuisance.

I ask for your considerations in this matter.

Yours Faithfully,

We wish to object to Club's application for a licence for very late-night music. The disturbance from this to many people living nearby would be completely unacceptable especially as the sound coming from music in a marquee would be very loud. We do not object to an occasional night but not a license for any night.

We understand that Alderley Edge Cricket Club has applied to change their licence to include the provision of live and recorded music outside between the hours of 11am and 23pm Monday to Thursday, 11am and 1am Friday and Saturday and 12 noon and 22.30 on Sundays. As local residents living within about 200 yards of the club, we wish to register our objection to this proposal on grounds of noise pollution. On the occasions over several years when the cricket club has obtained temporary licences for events running to midnight or beyond, the noise has been distinctly audible in our house. These are times when we can reasonably expect to have peace and quiet. Once or even twice a year as has been the case in the past is (just) acceptable, but we object to the idea that the club should have blanket freedom to provide live or recorded music outside within the hours stated in the application at any time during the year. This would produce in our view unacceptable noise pollution. Most objectionable is the application for a licence up to 1.00 am at weekends.

We hope the authority will reject, or at least severely limit, the application.

Re: Alderley Edge Cricket Club's Application for a variation of a Premises Licence.

Dear Sirs,  
I am greatly concerned that the Alderley Edge Cricket Club is now seeking an application to play live and recorded music from 11.00 until 23.00 every day and even longer and later hours at the weekends.

I have never objected to the current arrangements previously and have recognised that on some occasions there has been very loud music and disturbance. (but I knew that it would not be too often or too late.)

I now strongly object to this new application to "extend the licensing hours" because of the potential noise disturbance as I am an immediate and very close neighbour to the Cricket Club. I also feel that I would truly suffer from this disturbance.

Yours sincerely

Dear Sir/Madam

I would like to register my concern in regard to Alderley Edge Cricket Club's application to change their licence to include the proven of live and recorded music outside 11 am - 23 pm Mon-Thurs, 11 am - 1 am in the morning Fri and Sat and 12 noon - 22.30 Sundays.

Currently this is a leisure and sports facility in the middle of a residential area. With the prospect of a change of licence the facility would change its nature and become more of a nightclub.

The residents adjacent to the Cricket Club experience what the provision of music does to the vicinity - the summer events, already licensed to operate, cause immense disturbance with elderly people and children finding it difficult to sleep. Although it is disruptive, it is at least time limited to a few occasions in the year.

I therefore join with my neighbours to object most vehemently to any extension of their licence on the grounds of noise pollution. The cricket club was never intended to be a nightclub.

This is a very anti social move on their part - during the summer months they do not secure their playing fields and children invade the pitch and the open tennis court (which backs onto my garden), where they exhibit considerable anti-social behaviour. (Including attacking my boundary fence). When I have rung up to ask for some supervision I was told they were too busy to attend to this. Despite the prospect of damage to their own property! I have emailed the cricket club about this problem but had no response.

~~I would ask the licensing committee to be made aware of my and my neighbours objection to the extended changes of license.~~

Thank you

Yours sincerely

Dear Sir/Madam

I am writing to you with regards to the application that Alderley Edge Cricket Club has applied for to play live music Outside from early morning until the late hours.

I object to this application as I believe that it will be disruptive to the local community and in particular the neighbours in the area. During the Annual Summer Ball that is held there the live music keeps many residents awake late at night, which comes under noise pollution. Once a year is tolerable, however as a regular disturbance from what is a cricket club is quite unacceptable and I trust that CEC will not accept this application on behalf of the local community.

I am sending this email to say I object as I live very close to the cricket club and I do know when events have been held before they have kept me awake and are very noisy so I would prefer not to have the late license. I think it would cause a lot of disruptions of noise to people living nearby many people seem to feel the same as me so I hope something can be done to not carry this through.

Dear sirs,  
I have just returned from a short holiday and discovered that the above, who are very near neighbours, have applied for an "**OUTSIDE**" licence for drinking and worse still live and recorded music. Unbelievable!! How on earth can they have decided to do this and wreck the peace of the village and more particularly the neighbours. Surely you will not approve this lunatic application. We put up with losing quiet evenings and no sleep for their B-B-Q and Annual Ball and the racket of Fair Rides and fireworks on November 5th without complaint but not this. I find it difficult to believe that you will give this application your serious consideration but please register my strong objection.

We STRONGLY object to a change of license to include the provision of live and recorded music OUTSIDE 11 am – 23 pm Mon.-Thurs., 11 am –1 am in the morning of Friday and Saturday and 12 noon – 22.30 on Sundays at the Alderley Edge Cricket Club.

Having lived in our house in [redacted], Alderley Edge, for 42 years we remember a time when music was played until after midnight on several occasions – it was so loud and intrusive even at this distance from the site, that we were unable to sleep and it was extremely annoying and upsetting. We cannot think why it is even necessary to carry on the music until later than at present in such a residential area as this.

Dear Licensing Team

I am writing to object to the application which is currently being managed by your office regarding the changes to the licence at Alderley Edge Cricket Club. I moved to

Alderley Edge, last September and have already been surprised and disappointed by the loud music coming from the cricket club very late at night during events through the winter. As the summer approaches I am worried that the proposed changes to the licence could see more music being played outside more frequently and extremely late at night.

As a mother to a young family this loud music being played very late at night is already very disruptive to our family life, the noise pollution is already extensive and would be more so if the new licence was granted permitting unrestricted live and recorded music until 1am at the weekend.

I strongly object to this application and would be happy to represent local residents at any licensing committee if that would help to restrict the noise pollution, negative impacts that the club already has on local residents and serious disruption of family life brought about by loud music coming from the club late at night.

I look forward to hearing about the outcome of the application.

Kind Regards

I have just been informed that the Cricket Club wants to play loud music in the open air for many hours each day. This idea is monstrous in this quiet residential area and totally unheard of. We have an understanding that no one even plays a transistor outside except when there are workmen employed. What reason do they have for this imposition and how will they answer young mothers who are trying to get young children to sleep.

This should not happen.

Dear Sirs,

My wife and I and all the neighbours we have talked to are horrified at this music licensing application. If one lives in the country or in a country village or small town surely one is entitled to some peace and quiet and tranquility.

The application, if granted, will allow the club to blast out a cacophony of high volume noise during at best most of the day and evening and at worst until one o'clock in the morning. The peace which surely is a reasonable entitlement would be lost overnight. We have all experienced what it would be like on previous occasions when licenses have been granted for a limited period for special reasons. It has been highly obtrusive during the day and evening and even worse at night when getting to sleep has been difficult.

In a general spirit of give and take most of us have been quite prepared to accept this intrusion on an occasional basis. If it is to occur on any (or maybe every) day of any week in any month and any year this is a quite different matter and we strongly request that the application be refused.

Alderley Edge would become overnight a place where many people would no longer wish to live.

PLEASE, PLEASE, PLEASE refuse this application.

Your normally content and satisfied residents,

We would like to object strongly against the proposed change in licensing at Alderley Edge Cricket Club. We live in [redacted] and like our neighbours we feel that continuous noise would be too much if a disturbance in our small quiet street. Given the open nature of the functions they have, the noise from the marquee is just too loud and travels in our direction.

Although we are not against infrequent one off events such as the summer fair, firework display and occasional wedding function, more regular events would cause too much noise pollution as Orchard Green accommodates many elderly residents along with families with small children..

Please ensure this objection is formally logged and passed on to the appropriate committee when considering the application.

Dear Sir

I live on [redacted] which adjoins Alderley Edge Cricket Club, and I wish to object to the application for variation of the licence made by the Cricket Club.

The application is to extend the times during which live and recorded music can be played. It is totally unacceptable to the houses adjoining the Cricket Club that music can be played until 11.00pm Monday to Thursday, 01.00 Friday and Saturday, and 10.30pm on Sundays. There is already a lot of noise coming from the club house particularly on light evenings when people are able to sit outside on the terrace, so to have music blaring out as well would be very unpleasant for the neighbouring houses.

Nobody minds having music when there is a function on, and the Cricket Club always notifies the adjoining houses of their intention to do so, but I do not believe it is necessary for them to be able to have music every night if they so wish.

Dear Sir/Madam,

It has been brought to our attention that Alderley Edge Cricket club has applied for an extension of their licensing provision to include music outside throughout the week and weekends.

As local residents we would like to strongly object to these proposals. We live on [redacted] and our back garden is to the west of the cricket pitch. Occasionally the club have events in a marquee during the summer months and these events cause a considerable amount of disturbance to us. On occasion I have rung the club to complain (and to be fair to John Berry he has turned the music down). We have small children whose bedrooms face the back of the club and the noise carries quite considerably especially when at first floor level. We put up with them because we understand that as a local amenity these events will happen at the club. However if these events were happening every weekend it would create a nuisance for us and our neighbours which we feel is unacceptable in a residential area.

I would ask you to seriously consider the potential nuisance that these proposals would cause to Cheshire East residents when assessing the application.

Yours faithfully,

Dear Sirs

My wife and I write to object to the change to Alderley Edge Cricket Club's license applied for. The cricket club is in the middle of a residential area and, as local residents, we do not want to be subjected to intrusive noise levels late at night weekdays or weekends. We go to bed at 11.00 pm and want to be able to sleep at this time uninterrupted by increased noise levels.

To whom it may concern,

I am writing to object about Alderley Edge Cricket Club changing their licence.

I am worried that if they get the licence then they will have more and more parties as the time goes on. As I work extremely early morning at weekends I do not want to be kept awake most weekends and weekdays with banging of the music beat.

I live right behind the cricket club and when they do have the parties I am kept awake until midnight as we can hear the beat of the music.

The cricket club did say they will not have many parties, but if they do get the licence there is no stopping them having more.

Also most the people around me have children and the second bedroom is on the back of the houses (with the cricket club behind) so when they have school the next day and been kept awake with someone having a wedding or a big birthday party, this will affect their school or day time routine.

Please take into account the families and people who have to live behind and around the cricket club.

I do hope you take this into consideration as I know that I do not want the licence to go ahead.

Dear Sir

With regards to Alderley Edge Cricket Club - Variation to Premises Licence Licensing Act 2003.

As an immediate neighbour of AECC, whose house overlooks the cricket field, the requested change of licence directly impacts on me and also on all other local residents. AECC is situated in a residential area and the requested change in licence to allow live and recorded music in the club house and in any part of the cricket field and to extend the licenced premises to the whole cricket field and extend the hours to 1am every Friday/Saturday, is in every detail far beyond a reasonable change.

I THEREFORE STRONGLY OBJECT TO THIS APPLICATION.

The club suggests that they have no plans to increase the current use of extended hours on limited occasions. If that is the case there is no need to change. However, if change were allowed now, future AECC plans could have music on licenced premises on an entirely unacceptable scale.

I have no objection to the current use, which causes some noise and nuisance, but is limited to a reasonable number of days/nights per year.

I therefore request that the application is rejected and the current licensing arrangements remain.

your faithfully

I wish to object to the application by Alderley Edge Cricket Club, Moss Lane, to extend their license to provide live and recorded music to the outside grounds.  
My objection is based on the following points:  
The club and grounds are sited in the midst of a densely populated residential area. The residents would be very disturbed by music being played throughout the evening and on Fridays and Saturdays until 1am.  
The club is situated by the hillside of the Edge and the noise bounces off the hill and reverberates around, increasing the sound.  
The application implies that the club wants to alter its character and provisions in a totally unsuitable way.

I write to forward my concerns, and objection, to the proposed extension to Alderley Edge Cricket Club's application to extend their licensing hours.

I have lived on [redacted] for the past 20 years and have been aware of the gradual increase over the years of the number of late night events being held at the Club. I have two children still at school and the volume disrupts their sleep, and therefore has a negative impact on their education. This has become much worse in recent years when the Cricket Club hires a marquee from Wednesday to Sunday, holding events each evening.

The letter that was sent around to residents concerning the extension to licensing hours stated midnight as the latest time, but I see from the Application that they are actually wanting to extend to 1 am. I do wonder if this was a deliberate attempt to mislead residents. This raises concerns about their trustworthiness in sticking to the times and number of events stated in their Application.

Alderley Edge Cricket Club is situated in a residential area and consideration must be shown towards the families who live there. Not only is it important for children to get their sleep so that they can concentrate at school, but parents need sleep too so that they can perform well at work. I do not think it necessary for the Cricket Club to extend their licensing hours further.

Dear Sir/Madam,

I would like to object strongly to the proposed extension of license requested by Alderley Edge Cricket Club. They have applied to play live or recorded music outside of 11:00am - 23:00pm Monday to Thursday and 11:00am - 1:00am Friday/Saturday. Also outside 12:00 noon - 22:30 Sundays.

We live on [redacted] and have young children and even the current license creates many occasions of significant noise nuisance and disturbed nights in what is clearly a residential area. We have tried to plan to visit friends etc on the worse affected weekends previously, but we cannot reasonably keep moving out to accommodate cricket club parties.

When we moved here, more than 20 years ago, the intrusion from the club was minimal, but they keep trying to extend their reach. We even had to install blackout blinds on the children's bedroom windows because of the light pollution from the tennis court floodlights.

Please understand we have no objection to the cricket club per se, who provide a valuable local service, but we live here and do not want our lives, and more particularly our children's, blighted further with noise pollution.

Dear Sir / Madam,

I am writing in regards to the recent notification of Alderley Edge Cricket Club's application to perform live music outdoors.

I would firstly like to point out that I firmly AGAINST this proposal. As someone who is up every morning before 5.30am every weekday for work, and therefore in bed before 9.30pm each night, I am concerned the noise pollution would be intolerable. Learning from situations in the past, where the cricket club has hosted previous events of a similar nature, the loud music played late into the night caused great disturbance. Not only do I speak for myself when referring to the above, but I also speak for other members in the household: all of which also have to be up before 5.30am.

Another concern I have with this proposal, is the use of Mottram Road as a car parking facility for these functions. Again, learning from past experiences, we have experienced issues accessing our own property with people double parking along this road.

Dear Sir or Madam,

please accept this email as a formal objection to the recent application for a change in licence by Alderley Edge Cricket Club.

This objection is founded on the unacceptable levels of noise that has been generated during similar outdoor functions held at this venue.

Needless to say the club is located in a residential area and home to many working and young family's. I am of the opinion that the members of this club have little respect for their neighbours and by granting this license it would have a detrimental affect on the quality of our lives.

- valuation – the proposed levels of noise would inevitably have a negative effect on property values.

Dear Sir or Madam,

We wish to object most strongly to the application made by Alderley Edge Cricket Club for extensions to its licence to include the provision of live and recorded music. We also object to extending the licensed premises to the cricket field, which could result in much larger functions being hosted outdoors or in marquees.

As long term local residents we are tolerant of occasional events at the cricket club and the disturbance they bring in the form late night music followed by noisy groups of clearly drunken people passing by in the early hours of the morning, however it would be unacceptable to grant the club carte blanche to hold such events whenever it chooses. I understand that the applicant has stated:

*"Please be assured we are not applying to increase our overall licensing hours, nor to significantly increase the number of functions we hold. I can also assure you that there is no agenda to change our status. We will remain a members club."*

That may be presently true, but in future they or their successors could well change that.

The Club's stated aim is *"to reduce the administration associated with TENs"*. Surely a little 'admin' is a small price to pay for the reassurance it provides to those of us that live nearby. The Cricket Club is an important local business but also a neighbour to many residents and consideration of the latter is something we hope the Licensing Committee will take into account and reject this application.

I am writing to strongly object to the proposed new licensing criteria that would include live and OUTSIDE music every day of the week.

I have had notification in the past of a couple of parties with outside music - one or two incidents and these were so loud that despite closing all the windows I still could not get to sleep. The noise dominated and spoiled my own entertainments / conversations.

My daily day and night life would also become dominated by this noise - I wouldn't have any peace at all - either inside or outside!!

How can I listen to my own music, watch tv or even converse in the garden when this music will be playing loudly?

The constant background noise would be extremely stressful. I have poor health and require quiet - this is one of the reasons I moved to this particular area.

The length of time proposed is also completely unacceptable.

Its astonishing that the club have applied for this license change - they clearly have no concern for the noise pollution and echo of sound in the area.

It is amazing that they have not considered the local residents,

I sincerely hope that you will not allow this intrusive and unpopular proposal to be accepted,

I live on [redacted] in Alderley Edge and have been informed that Alderley Edge Cricket Club wish to extend their license to play live and recorded music outside until late.

We are disturbed by their music as it is at present, it wakes our children late at night even with the windows closed, the sound also reverberates between the backs of the houses on Moss Lane and the houses on [redacted] causing the windows to vibrate, we are able to clearly hear the speakers using the microphones over the sound of our television and the constant beat of the music.

Alderley Edge Cricket Club have applied for an outside music license to be valid every day of the week. This causes great concern as at odd times in the summer AECC have a ball and other functions using a marquee on the cricket ground. We usually try to be out on those days as the noise is relentless. Because it is only on the odd occasion few people grumble officially (a lot more privately). To have music every night potentially is beyond belief. The noise would rattle the windows of most of the houses through to Moss road and up to the London Road. Alderley Edge Cricket Club's application to have an external music license is highly anti-social behaviour and unnecessary for the survival of the Club.

Those of us who live on [redacted] already have to put up with the 'noise pollution' on occasions which disrupts our sleep more than enough already. This is exacerbated by the sound echoing off the Edge. I try to go to sleep at 10:30pm in order to get up and work the next morning most days.

Dear Sir/Madam,

I would like to raise an objection to the licensing application to play music at Alderley edge cricket club outside.

We live on [redacted] and whenever there is an outside event at the cricket club it can be heard in our bedroom and prevents sleep.

I think allowing further noise pollution in a residential area is not warranted.

The outside playing of music would most likely be in summer when residential windows would be open ,so it would condemn us to either sleeping with windows shut on warm evenings/nights or keeping windows open with the music coming straight into our houses.

there are enough venues that allow music and I do not feel that this residential area needs further commercialisation of this venue ,over the interests of the surrounding residents.

Thanks

Dear Sir/Madam

I would like to object to the above application on the grounds of noise pollution or on any other basis which would be acceptable to yourselves.

My address is:

I pay council tax to East Cheshire.

In recent years AECC has had 'one off' licences for summer balls etc with music in marquees.

Whilst the music is on, it is impossible to sleep (and you will observe that I am not even immediately adjacent to the club) and if the television is on the volume has to be turned up.

I haven't complained to date because it has only been several times a year, and normally for a good cause.

To have music seven nights a week would be totally unacceptable.

Kind regards

APPENDIX 52

Alderley Edge Cricket Club.

I object to the recent application to extend the hours that music be permitted.

This application is from a cricket club. It is not necessary to have any music to fulfil its primary objective.

The club exists to serve the residents of Alderley Edge, as its name implies.

According to enquiries I made at Macclesfield Town Hall the only restriction on the numbers that could be present is 5000. If this so, it is excessive and unnecessary for the cricket loving population of Alderley Edge

I understand that the question of noise is the responsibility of another department, but I don't think anything can be done in anticipation of the events.

Equally the question of parking does not come under the jurisdiction of the licensing authority.

If however I am wrong and the licensing authority can consider these last two items, then I would like to register my objection. Both these are difficult to control, but not impossible. There would be a cost implication for council tax payers.

I acknowledge that the club is one of which the people of Alderley Edge can be proud.

**Subject:** ALDERLEY EDGE CRICKET CLUB - OBJECTION

To whom it may concern,

Please be aware that we object to the Alderley Edge Cricket Club's application to change their license to include the provision of live and recorded music outside from 11:00hrs-23:00hrs Mon-Thurs, 11:00hrs-01:00hrs Fri-Sat and 12:00hrs-22:30 on Sundays.

We object for the following reasons:

- 1) The Alderley Edge Cricket Club, is in the heart of the village. The village is a residential area. Therefore such a scheme would result in noise pollution that would not only be disruptive, but also unreasonable. Families with young children would struggle during such performances to have a good nights sleep, or just a quiet evening. This would be especially irritating in the summer months when residents have their windows open.
- 2) The Alderley Edge Cricket Club is in the heart of the village and therefore is flanked on all sides by residents, therefore the noise pollution would have a direct impact on a large percentage of people who do not want to be burdened by an incessant racket from the neighbouring cricket club.
- 3) The Alderley Edge Cricket Club, is supposed to be a sports venue, for the local community, not an events centre, a night club, or an arena. Should such a license be granted, there would be increased volumes of traffic, increased parking provision required, persons leaving the venue late at night causing a disruption, especially in the summer when people often sleep with their windows open. Moss Lane is already congested with parking and the cricket club suffers from insufficient parking when attracting large gatherings. So this would also have an environmental impact.
- 5) In the event of an emergency, there is insufficient access for emergency vehicles on Moss Lane, presenting a further potential hazard and unnecessary disruption to neighbours on the Mottram Road. Whilst it doesn't suffer from the same level of parking congestion as Moss Lane, there are regularly parked cars along the roadside opposite the 5-bar gate to the rear of the cricket club. It is far from ideal.
- 4) The Alderley Edge Cricket Club already has 3 or 4 such events annually which are too loud and inconvenient, especially when you have a baby and small children, and the noise rarely ceases exactly on time. The events already hosted outside in the evening, are a nuisance and insufferable, such events are presently infrequent, are far from tolerable. To allow a change in the license would be unsociable and thoroughly disagreeable.
- 5) There are other venues nearby such as Mottram Hall, Addlington Hall, Capesthorpe etc if the members of the social committee feel it necessary to have such parties, better to host them at a more appropriate venue.
- 6) Granting such a license could set an unwanted precedent. This is not a License that is required for the residents of Alderley Edge, or by the residents of Alderley Edge. Moreover it is to attract visitors. The cricket club is a sports club for its village members, and should work within that remit, and perhaps provide events that are more community minded, rather than for the minority, perhaps less glamorous, but have the potential for revenue, which is most likely the only reason this license has been requested.
- 7) It is important to maintain the integrity of the village, as a village for its residents and not make it into some sort of 'night-life' destination. Or indeed, to alienate its neighbours.

Presently the cricket club operates a small number of parties annually, for which they seek a special license, these events are often not welcomed by nearby residents, however we all have to accommodate each other, and live together, so I would imagine that the current arrangement is more than adequate for the cricket club, and a compromise for the neighbours.

Furthermore, the village does not seem to welcome this kind of venue. Happily the local nightclub, most recently known as the 'Panacea' has now ceased trading and will now re-open only as a restaurant.

Thank you for noting our objections when considering this application.

Yours faithfully

Dear Sir/Madam,

I write to make my case for objections to the above.

My home at [REDACTED] is positioned along the boundary of the club adjacent to court 14 (Tennis). The club house enjoys an open uninterrupted aspect to our house and our position is elevated above the club house.

Our entitlement to view documents for this application is not openly possible to us as my wife & I are both disabled. However, we learn that the club proposals include the provision of daily live music up to 1am. We are both rounding 80 years old & looking to a quite life in a quite location but now seem likely at risk of a disturbance by noise & overusage.

For 29 years we have, dare I say, enjoyed our location with the club but now we seemingly are threatened by hostility in the form of noise nuisance.

I ask for your considerations in this matter.

Yours Faithfully,

Objection to Licence Application Alderley Edge Cricket Club

From

I object the granting of the licence to cover the grounds of the cricket club.

Each year, when the annual dance takes place in a marquee we are considerably disturbed by the heavily amplified music. We have to move out of our bedroom which faces the grounds, as sleep is impossible. To contemplate this on a regular basis would be intolerable and unreasonable.

Additionally we are often disturbed by people leaving early in the morning shouting out to each other, slamming car doors and singing loudly without any consideration of those living nearby.

**Follow Up Flag:** Follow up  
**Flag Status:** Completed

Dear Sir/Madam,

I would like to strongly object to the current application for an extension and change to the Alderley Edge Cricket Club(AECC) licensing agreement.  
The objection is based on the following reason:

**Residential Area** - the profile of the immediate area bounding the AECC is residential. As such the impact on the residents will be significant and abnormal from that which would be expected in such a area.

**Restricted Access** - access to the club car park and grounds are restricted by a single entry/exit point on a single track lane. Limited internal parking and increased vehicle movement as a result of large social events within the club increase the risk of safety issues relating to vehicular and pedestrian movement.

**Burden on Residential Parking** - current residential parking is strained on a standing basis of normal traffic and vehicle usage. Previous events held at the club have increasing the issue of parking on Moss Lane and surrounding areas, resulting in congestion and vehicles being parked on pavements limiting and restricting pedestrian access. This results in pedestrians having to transit on the road with the obvious increase in risk of accidents between vehicles and pedestrians.

**Sports Club Profile** - there is no objection to current arrangements which appear to be balanced and in line with the requirements of a Sports Club allowing proportional investment and profit making in support of the club ethos. The proposed changes would indicate that the Sports Club is changing profile to that of a hospitality business and as such is using the guise of its club status to raise funds and generate revenue as part of an extended business plan. This type of activity/event management would not be in keeping with council policy. Any other hospitality business would not be allowed to set up or impact a community in the heart of a residential area.

**Geographic Profile** - the AECC sits within a unusual and unique geographic profile. Situated at the seat of a large escarpment feature on open ground surrounded by residential buildings generates a increased sound profile. This situation is accentuated by the playing of live and recorded music outwith a fixed building structure. The effect is one similar to live festival music events, which if conducted on a regular basis would directly and negatively impact on the residents in the immediate and surrounding area.

I hope that my objections will be considered in context of genuine concern principally based on health and safety concerns and reflecting what is a disproportional and inappropriate impact on a residential community.

Yours Sincerely,

**HINTON, Amanda**

Dear Sir,

Abbley Edge Cricket Club  
Application for the Variation of a Premier Licence.

I would refer to the application by the Abbley Edge Cricket Club to vary the Club Premises Certificate, to include the cricket ground as part of the licensed premises, which will include the provision of live and recorded music from 11am - 23hrs Monday to Thursday, and 11am to 0100hrs Friday and Saturday, and 12 noon until 22.30 Sunday.

I have the following objections to this application being granted to either the above application, or an amended request for a change to the current Club Premises Certificate.

This is a cricket and tennis club, sited in the midst of a residential area and was never intended to include what will become a "Disco Club".

The few accepted occasions that the Club at the present time holds a Disco and Dance event in a large

Marquee tent, the decibal noise is unbelievable, it invades your entire home. Personal entertaining embarrassing, and sleep impossible until the early hours. As these current events are covered by the present Certificate, two or three times a year it is accepted. Disco events are noisy, especially when held outside, the noise increases with the use of a microphone, the Disc Jockey gets more excited, and alcohol is consumed over quite a long period, with obvious results.

As a country, we enjoy watching cricket and hearing the cricket ball being hit, or players demanding a batsman is out, - all part of the cricket scene, restful and enjoyable, and part of Club life. As well, many children and young people are learning how to enjoy sport, not only cricket but tennis.

Changing what we have known from this Club as it is at present, to what could happen if the changes to the Certificate take place, could affect the value of the surrounding properties: many of those attending the possible Disco events do not live in the surrounding properties. We are all Council tax payers, and should not be subjected to the inevitable unwelcome change if this application is approved. I trust Council members will visit the Club, and consider a meeting with local residents, either at the Club or Assembly Rooms.

I therefore wish to submit a strong objection to this application and trust that the Council members will refuse this variation to the current Club Certificate.

Yours Sincerely

RE:- ALDERLEY EDGE CRICKET CLUB – APPLICATION FOR VARIATION OF A PREMISES LICENSE

We are writing to register our strong objection to ALDERLEY EDGE CRICKET CLUB'S recent licensing application. We feel very strongly that any increase in the number of days that the Club is allowed to play music would have a detrimental effect on the quality of life of ourselves and the other residents in the vicinity of the Club. It is bad enough as it is now. When they are playing music, that's all we can hear all night long. It is totally unacceptable that even when we are inside our own home with the windows shut, all we can hear is the thump, thump, thump of the music. Can you imagine how hard it is trying to get to sleep with that sort of noise going on? And especially when you have to get up early the next morning to go to work!! Maybe it would be a good idea to get the Environmental Health involved. The Club is positioned right in the middle of a residential area, and is in very close proximity to peoples' houses. Also we would like to point out that the Club posted a letter to all the residents regarding their application, which we feel was very misleading. The letter does not state that they would virtually have free reign to play music whenever they wanted. We think a lot of the residents don't realise this. Please find enclosed a copy of their letter.

We sincerely hope that you will take all of the above into consideration when discussing their application.

Kind Regards

Dear Neighbour,

I am writing to let you know that AECC will be applying for a variation of its Club Premises Certificate and to let you know why we are doing this.

Our current Club Premises Certificate licenses us for the supply of alcohol but not for music and dancing. When we hold functions with music and dancing beyond 11pm we need to notify the licensing authority, Cheshire East, by means of a Temporary Event Notice (TEN). We are allowed 12 TENs covering 21 days in any one year; an event that runs over midnight counts for 2 days. In order to reduce the administration associated with TENs we are applying to Cheshire East for music and dancing to be incorporated into our Club Premises Certificate in line with our current licensing hours i.e. until 12.30am on Friday and Saturday evenings (the only days on which our alcohol license extends beyond 11pm). Please be assured we are not applying to increase our overall licensing hours, nor to significantly increase the number of functions we hold.

I can also assure you that there is no agenda to change our status. We will remain a members club.

Dear Sir/Madam,

Alderley Edge Cricket Club, License Application

I would like to register my objections to the above application. I am a young mother and live immediately adjacent to the Cricket Club. Any noise from outside events is very noticeable and in summer, where myself and my child like to sleep with the windows open, causes significant personal inconvenience.

Events which already take place regularly exceed the license provisions so I don't see how the club can be trusted to limit the use of any extensions that might be granted.

Dear Sir/Madam,

## Alderley Edge Cricket Club, License Application

We would like to object in the strongest possible terms to the above application. We live part way up [redacted] and the noise levels from the Cricket Club during outdoor and live music events already border on the intolerable. The noise carries uninterrupted up from the club and even with windows closed the bass-level booming noise is very intrusive and in summer we like to keep our windows open.

Furthermore, we believe that incorporating the entire grounds of the club into the license would be an act of folly, opening the opportunity for large events with untold consequences for the village, village life and surrounding infrastructure and services.

Even the current arrangements whereby there are occasional events are troublesome – on at least one occasion last year loud music was played well beyond 2.00 am. To be subjected to noise pollution late at night on a regular weekly basis would be completely unacceptable. We are retired and normally go to bed well before 11.00 pm.

Not only do we object to any extension to the existing arrangements, we would like to see the current arrangements properly enforced and even curtailed.

Dear Sir or Madam,  
 I live facing Mottram Road,

As marquees have no sound-proofing,  
 the sound of loud music is intrusive, and disturbs

Dear Sir,

We understand the above club has applied for extension to include the grounds in the licence.

We live close to the club and the music is very loud and intrusive when Outside events are held there even with all windows in the house closed.

Because they are infrequent we do not object but if the frequency is going To increase this needs to be considered carefully in what is a quiet residential area.

Certainly more events with very loud music lasting until one a.m. must be regarded as a potential public nuisance in this area. We read the club says they do not intend to increase number of events but what guarantee do we have they will not change their mind after licence is granted.

We hope this will be taken into consideration in this application.

Dear Sirs,

**Re: Alderley Edge Cricket Club ("AECC")  
Application for Variation of a Premises Licence – Licensing Act 2003**

I live, with my wife and son, in a property neighbouring AECC.

I am writing to you to formally object to the above application to vary the Club Premises Certificate of AECC.

AECC have applied to you to vary their Club Premises Certificate, to include the cricket ground as part of the licenced premises, and to include the provision of live and recorded music from 11:00 until 23:00 Monday to Thursday, 11:00 until 01:00 Friday and Saturday, and 12:00 until 22:30 Sunday.

I, and no doubt most (if not all) of the other neighbours who live close to the cricket club, are extremely concerned by this application.

You will be aware that AECC is surrounded on all four sides by residential housing. Each year AECC hold events in the evening in a marquee (or the like) on the cricket ground. I assume (but I do not know) that AECC apply for Temporary Event Notices in relation to these events. These events usually create considerable noise: by reason of the (live or recorded) music played at them. I have often been appalled at the noise levels generated at these events (which have often run into the early hours of the night) given the proximity of AECC to residential housing. I have been dismayed that AECC have taken no (or no reasonable steps) to ensure that the noise levels were reasonable having regard to the close vicinity of residential housing and the time of day.

The level of acceptable noise created at such events or functions is different depending upon whether the event or function is (1) held with the confines of the AECC Clubhouse or (2) held in a marquee (or the like) on the cricket club grounds. It appears to me obvious that if music is played at the same volume in an event or function on the cricket grounds (in a marquee or the like) then the music will be louder in adjoining neighbouring properties than would be the case if the event or function was held with the confines of the clubhouse.

I understand that over the years various neighbours adjoining AECC have complained about the level of the noise at AECC events or functions held in the marquee late into the evening on consecutive nights and in some case midweek. In my opinion they have had good reason to

complain. The noise (from the music) must have been such as to exceed any permitted limits and amount to an (actionable) noise nuisance.

We have recently received an (undated) letter from AECC advising us of their application to vary the Club Premises Certificate. A copy of this letter is enclosed. The letter materially misrepresents the application to be made to vary the Club Premises Certificate and I do not believe that the misrepresentations are inadvertent. It has only served to heighten my concerns as to the true motives or intention of AECC in making the application. My concerns with the letter are as follows:

1. There are 2 elements to the application that have been made:
  - a. An application to include the provision of live and recorded music (which is mentioned in the enclosed letter); and
  - b. (More significantly) an application to include the cricket ground as part of the licenced premises. This is not mentioned in the letter at all. It is the events held in the cricket club grounds in the evening which have previously created the noise which in my submission must have amounted to noise nuisance.
2. The notice says "please be assured we are not applying to increase our overall licensing hours.....".and that their "....current licensing hours [are] until 12:30am on Friday and Saturday evenings (the only days on which our alcohol licence extends beyond 11:00pm)". These statements are false:
  - a. The application makes clear that they are actually applying to include provision of live and recorded music beyond 11:00pm on Monday through to Saturday (inclusive): not just on Friday and Saturday; and
  - b. As regards Friday and Saturday, the letter says that AECC have applied for a licence until 12:30am when the application itself makes clear they have applied for an extension to 1:00am.
3. The letter says that they are not applying to increase their "overall licensing hours". This seems inherently unlikely given the extension of time being applied for.
4. It also says "please be assured we [i.e. AECC] are not applying ..... to *significantly* increase the number of functions we hold" (*emphasis added*). It is implicit in this statement that the application is being made with a view to holding *more* functions than are held at present. It is unclear what is meant by the word "significantly" in this context. The letter fails to make it clear that AECC wish to have the right to hold the increased number of events/functions on the cricket ground (e.g. in marquees, tents or like).

It seems clear that (at the very least) the intention of AECC is to hold more (and probably significantly more) functions or events on the cricket ground such that we will experience even greater incidences of noise nuisance than at present.

We have lived in our house on \_\_\_\_\_ since January 2007. The number of events that AECC have held in the evening in marquees (or the like) has increased significantly over the years. Originally I believe they only held an annual ball (or the like). It has now become to their practice to hold other events in the marquee once erected (e.g. weddings, birthdays, charity dinners) such that neighbours have to suffer three to four days of (unreasonably) levels of noise late in the evening.

On the basis of the above, I wish to make two (alternative) submissions:

1. That the application to vary the Club Premises Certificate is refused - and that AECC be required to apply for Temporary Event Notices. This will ensure that you can properly assess

whether the function or event is appropriate for the venue (having regard to the close proximity of substantial residential housing); or

2. (Alternatively) that if you decide (based on all the evidence presented to you) that the Club Premises Certificate should be varied that conditions be imposed on that certificate such that:
  - a. The cricket ground is not part of the licence premises;
  - b. The hours applying to the varied certificate should not extend beyond 12:30am (being the time stated in the enclosed letter from AECC; and therefore to be presumed to be acceptable to them); and
  - c. It is stipulated that AECC should not be able to hold, in any one calendar year, more functions or events in the evening on the cricket ground than the average number of such functions or events (rounded down) for which they have obtained a Temporary Event Notice over the last 5 years.

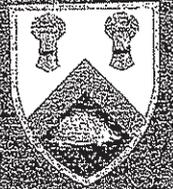

We would be grateful if you could acknowledge safe receipt of this representation.

Whilst not directly relevant for the purposes of this letter (or objection), I would ask that the Council (if it has done so already) monitor the levels of noise at any future event held by AECC in the cricket grounds in the evening.

Yours faithfully

Dear Sirs

Re: Alderley Edge Cricket Club - Application to vary club premises certificate

We object to the application by Alderley Edge Cricket Club (the "Club") to include the cricket ground as part of the licensed premises and to include the provision of live and recorded music within the hours requested.

The grounds of our objection are that, if granted, the variation to the existing licence will adversely impact those living near the Club in a residential area.

The Club aims to provide facilities to play amateur sports and its club house is licensed to sell alcohol. Occasionally the Club hosts functions which continue beyond 11:00pm. These functions generate a considerable volume of noise from guests but mainly from loudspeakers and music systems. However, as they are held only occasionally there is a tolerable balance between the interests of the Club and the interests of nearby residents.

The variation applied for would destroy this balance in two ways. First, it would considerably extend the licensed area and thereby bring it closer to residential properties. Secondly, it would allow the Club to host late night functions on an unrestricted basis.

The Club Secretary has been quoted on the alderleyedge.com website as saying that the Club is not applying to increase significantly the number of functions it hosts. However, significant is subjective and what may be viewed as insignificant by the Club may be very significant to those living nearby who are affected. The Secretary is also quoted as saying that the application is made to reduce administration because the Club currently has to apply for Temporary Event Notices for late night functions. The number of Notices that can be applied for is only twelve and the administration involved in making twelve applications is hardly onerous. The requirement for an application means that holding late night functions is restricted by a body other than the Club itself. This safeguard for neighbours would be lost if the application is granted.

For the reasons outlined the application should be refused.

Yours faithfully

Re The Application for Variation of a Premises licence, made by Alderley Edge Cricket Club

Dear members of the licencing committee

I am the occupier of the above property which abuts the land occupied by Alderley Edge Cricket Club, I am writing to voice my concerns regarding the club's application to increase the provision of live and recorded music. The grounds for my concern are the increased noise and disturbance that is likely to result. The current licencing arrangements mean that on the occasions the club currently holds events the residents are forewarned by letter that there will be noise emanating from the club, the outside sitting area and the car park area. At the moment we the residents find this level of disturbance barley manageable. My concern is that any increase in noise disturbance would seriously impact upon the quality of life in the surrounding areas, in particular neighbours with young children.

I would request that this application is examined very carefully given the nature of the Cricket Club Premises and the lack of sound insulation for residents living in such close proximity.
