## **9 APOLOGIES FOR ABSENCE**

There were no apologies for absence.

## **10 DECLARATIONS OF INTEREST**

There were no declarations of interest.

## **11 PUBLIC SPEAKING TIME/OPEN SESSION**

No members of the public were present.

## **12 DELIVERY AND ADMINISTRATION COSTS OF NEW BINS**

It is the Council's policy to provide for a significant number of new dwellings in all parts of the Borough to 2030 to support economic growth and development and to ensure that there is an appropriate mix of house types, sizes and tenures.

With an increase in the number of new dwellings there had been a corresponding increase in the number of waste bins required and, in the first 6 months of this year, the number of requests was over 30% higher than the previous year.

To sensibly manage this budget pressure it was proposed that developers be charged for the delivery and administration costs of new waste bins. In line with many other Authorities the Council had looked at ways to manage this increase without passing on additional costs to the general public.

The report included copies of the guidance that had been prepared and it was intended this would be placed on the Council's website and also linked to information in respect of planning applications.

### **RESOLVED**

That approval be given to the principle that all developers of new properties be requested to cover the delivery and administration costs of new bins.

The meeting commenced at 11.00 am and concluded at 11.15 am

Councillor (none)
