## **9 TRANSFER OF THE GABLES , NANTWICH**

The Cabinet Member considered a report which sought approval to transfer the freehold title of The Gables, Nantwich , with associated car parking, to Nantwich Town Council.

The Gables was a former Crewe and Nantwich Town Council Asset which had been used for a mix of community and office use for many years. The property comprised of a three storey character property with 1 car parking space attached to the rear. There was also additional land included, which was a small additional car park.

The property was currently occupied by two tenants – a Luncheon Club on the ground floor and the Citizens Advice Bureau (CAB) on the first and second floors. The CAB was due to move into Nantwich Library in May 2015, leaving just the Luncheon Club. The proposal was that the Luncheon Club would remain in occupation as a tenant of Nantwich Town Council until they decide to relocate.

It is understood that as a former private residence The Gables was gifted to the community and that Rotary funds were made available to support the building. As a consequence of this, and perhaps as the result of changes of responsibility for the building to the then local authority, various individual and trustees groups have believed that a covenant was placed to ensure that the proceeds of any subsequent sale of The Gables would be reinvested for the benefit of the local community in Nantwich.

The property has a value in the region of £240,00 - £280,000 and the car park £25,000 - £30,000 so the Council's wellbeing powers would be used as best consideration would not be achieved.

The transfer to Nantwich Town Council would include a covenant that the property was restricted to community use only on the proposed and any subsequent transfer and a claw back for any sale would be linked to community benefit. Any sale proceeds to be re-invested in the Civic Centre as part of a Community Hub for Nantwich.

**RESOLVED:**

That approval be given for the property known as The Gables, Nantwich, together with the land used for car parking, shown edged in red and hatched on the plan attached to the report, to be sold to Nantwich Town Council for a consideration of £1 which is less than the best consideration.

The meeting commenced at 12.15 pm and concluded at 12.25 pm

Councillor P Raynes
