Membership: Councillors M Benson, M Goldsmith and L Smetham
This procedure has been drawn up to take account of the restrictions placed on the Country by the Government in its response to the COVID-19 pandemic and the Council’s move towards the holding of virtual meetings.

As a Licensing Authority we are conscious that all Hearings of this nature must be run in accordance with the rules of natural justice and that any modifications to the format of the hearing should not undermine the requirements to hold a fair hearing.

It is the Council’s intention to run the Hearing as close a possible to our procedure for Hearings set out in our Statement of Licensing Policy. However, it will be necessary to make a number of specific alterations.

The Council does not intend to hold any Hearings just on the pre Hearing papers (eg applications and written representations). The Council considers that a Licensing determination based solely on written material and without the opportunity for amplification, clarification, and questions does not best serve the decision-making process.

The Licensing Committee

The full Licensing Committee consists of fifteen elected Members of the Council. From this full Committee will be drawn sub-committees of three members to deal with licensing functions under the Licensing Act 2003. The Chairman and Vice Chairman of the Licensing Committee shall have the discretion to refer a matter up to a hearing of the full Licensing Committee.

Platform

The Council will use Microsoft Teams for all Hearings. This platform can be accessed on a landline, mobile, laptop or tablet. The Democratic Services Officers will ensure that the meeting is set up within the Microsoft Teams platform. All parties to the Hearing will received the Notice of Hearing required by the regulations and an email invitation with specific joining instructions for Microsoft Teams.

Web Casting

All Council meetings are web cast through the Council’s website. This will continue to be the case during any lockdown period and will allow members of the public to listen to proceedings from their own home.
**Connectivity Test**

The Council will require Members, officers, and all parties to the Hearing to be available for a connectivity test 30 minutes before the start of the Hearing. This is to ensure that any issues can be identified and overcome before the start of the meeting. Notes on how this test will be conducted will be sent directly to parties.

**Technical Issues**

If during the course of the meeting, the Chairman determines any technical issues (for example, parties dropping out of the meeting or parties being unable to hear or follow proceedings etc) are compromising the integrity of the Hearing, the Chairman will have discretion to adjourn the matter to later date. The test the Chairman will use when considering any adjournment is what is best in the public interest (including the right of all parties to have a fair hearing). Any adjournment will either be to a date when technical issues can be overcome or to a date when a full hearing with all parties physically present can be held.

**Etiquette**

In order to maximise effectiveness of the Hearing all parties should:

- Identify themselves at the start of the Hearing when asked to do so by the Chairman
- Put their webcam and microphone on mute all times other than when addressing the Committee
- Indicate that you want to speak by using the chat function
- Only address the Committee when called to do so by the Chairman

**Committee Reports**

The Committee report and all relevant information will be posted on the Council’s website at least 7 days prior to the Hearing. A link to the documents will be provided with the Notice of Hearing. The Committee report pack will be paginated and all parties should refer to this pack rather than their own bundles.

**Late Evidence**

Parties should submit any evidence for consideration of the Committee prior to the drawing up of the Committee agenda packs. This will mean that all information in containing in one paginated bundle that can be referred to by the parties (referencing pages numbers).

Evidence submitted on the day of the hearing can only be included when all parties to the hearing agree. It will ultimately be for the members of the Committee to decide if late evidence is accepted.
Decisions

In accordance with Hearings Regulations the Committee will make a determination at the end of the Hearing and the decision will be given within 5 working days. Some decisions are required to be given at the end of the Hearing, in this case the public meeting will resume once Members have deliberated and formed their decision.

Officers at Hearings

- The Committee Officer introduces all parties and records the proceedings
- The Legal Adviser provides independent advice to the Members on legal matters and procedure and will draw up the decision notice.
- The Licensing Officer will introduce the matter and outline the application; the officer will also answer any questions Members may have.

Name / Rank / No PC 5118 BASSIRAT

I am PC 5118 BASSIRAT of the Cheshire Constabulary currently stationed at Macclesfield Police Station. I am currently attached to the Beat Management Unit. My work includes reducing demand and tackling on going issues within Macclesfield Town Centre area.

I am making this statement in relation to

• A2Z Convenience Store, 39 Sunderland Street, Macclesfield, SK11 6JL

This store is a small shop serving a small selection of essentials and a large selection of alcohol and cigarettes. The shop is located in the town centre close to Macclesfield Railway Station which is a Mainline busy Railway Station.

In March 2020 I was tasked by my supervision to specifically look at Anti-Social behaviour in the town centre involving young people after we had been contacted by Security guards in the town centre who were complaining of the high volume of Anti-Social behaviour committed by the young people in the town. It was deemed to be taking up so much of the demand of local Officers, the plan was given an operation name, namely Operation Skimp. Much of the Anti-Social behaviour happens on Gas Road which is often referred to as the underpass as it is a main road.
dark secluded location underneath a dual carriageway linking the town centre with the Hurdsfield Estate. This location is less than 400 metres from the location of this shop. Much of this Anti-Social behaviour is young children congregating in the area drinking alcohol and shouting loudly which prompts residents to contact Police.

This shop has come to my attention as we have received information that they are selling alcohol to underage children in the Macclesfield area. Initially this was intelligence received to us prior to the lockdown brought in by the Government. The lockdown presented a number of challenges to both trading standards and the Police when dealing with matters such as these. A decision was made by trading standards that an operation targeting the selling of alcohol to would be difficult given the restrictions and they have told me that often these operations fail as the shops only sell to those children they know.

Trading Standards have produced 3 pieces of intelligence that they have received

- 13/01/20-Details how the store has sold cigarettes and vodka to a 15 year old female who was not asked for ID
- 22/01/20-During an Early Help meeting (a meeting held with social workers and children who have come to their attention) a child has disclosed that children under 18 years old are being sold alcohol and cigarettes.
- 22/02/20-Details that a Grandparent of a 15 year old girl has reported that his 15 year old granddaughter had purchased Vodka from the shop.

Macclesfield Police received numerous reports around January to March of kids drinking and causing Anti-Social behaviour in the Gas Road area. This ties in with the intelligence above.
On Tuesday 2nd June 2020 we received a call from a father in Macclesfield informing is that his daughter and her friend had bought alcohol from A2Z whilst underage and that the friend had been hospitalised as a result of consuming the alcohol. An investigation began and both girls came to Macclesfield Police Station and provided statements where they state that they are underage and that they know they can get served alcohol from the shop. Rather worryingly they state that all the young people in Macclesfield know they can get served alcohol from this shop. One of the girls bought alcohol twice on the same day from this shop being served by two different people. It was after the second time they had been into the shop, an Ambulance had to be called.

Following this incident I have visited the shop with Cheshire East’s Trading Standards. The shop had a CCTV system which was password protected and the shop owner did not know the password. He had no access to the CCTV at all. It is very uncommon for a town centre shop, especially one which sells alcohol and cigarettes and one which is a common target for shoplifting and burglaries, I believe that this adds further suspicion as to why they don’t have readily accessible CCTV footage.

It is quite clear that this shop is selling alcohol to underage children. The situation has escalated further recently with one child being hospitalised which significantly increases the risk to other children which cannot be ignored. We have to take action to protect the children in this town as it is clear that they will make attempts to buy alcohol.

I am seeking a closure order for this premises as I believe that this would be the most effective way to deal with the matter. I believe that if the magistrates would grant a closure order, it would send a strong clear message to the local children that they can no longer use the store to buy or attempt to buy alcohol. It would also provide some reassurance to the parents in the
town that we are taking this matter seriously and give them the confidence that whilst their children are out they cannot buy alcohol. A further positive consequence of a closure order would hopefully be that once the shop reopened that the owner would be more likely to follow his licencing conditions.

If granted, a closure order would mean that the young people of Macclesfield would be unable to purchase alcohol and as such this should lead to a reduction in Anti-Social behaviour around the town. This would provide some much needed respite for the local residents.

This action is supported by Cheshire East and Trading Standards.
The following conditions are to replace all existing conditions in Annex 2 of the premises Licence:

Signed by Amanda Fallows
On behalf of Cheshire East Borough Council
Licensing Act 2003 – Premises Licence

Duration of a Premises Licence

A premises licence has effect until such a time that it is suspended, revoked or surrendered.

Duty to notify change of name or address

The holder of a premises licence must, as soon as is reasonably practicable, notify the relevant licensing authority of any change of name or address. Where the designated premises supervisor (DPS) under a premises licence is not the holder of the licence, he should notify the licensing authority of a change in name or address as soon as possible. The DPS must also notify the holder of the premises licence.

Failure without reasonable excuse to comply with the above is an offence, and a person will be liable on summary conviction to a fine not exceeding level 2 on the standard scale (ie £500)

Duty to keep and display licence

The holder of a premises licence must ensure that the licence or a certified copy of it is kept at the premises in the custody of or under the control of the holder of the licence or a person who works at the premises whom the premises licence holder has nominated in writing. A notice should be prominently displayed at the premises specifying the position of any such nominee.

The premises licence holder has a duty to ensure that a summary of the licence or a certified copy of that summary is prominently displayed at the premises.

Failure without reasonable excuse to comply with the above is an offence, and a person will be liable on summary conviction to a fine not exceeding level 2 on the standard scale (ie £500)

Duty to produce licence

A constable or an authorised person may require production of the premises licence for examination. An authorised person must, if requested, produce evidence of his authority to exercise the power.

Failure without reasonable excuse to comply with the above is an offence, and a person will be liable on summary conviction to a fine not exceeding level 2 on the standard scale (ie £500)

Theft or loss of premises licence

Where a premises licence or summary is lost, stolen, damaged or destroyed, the holder of the licence may apply to the relevant licensing authority for a copy of the licence or summary. A fee of £10.50 is payable in relation to such an application.

Where an application is made for a replacement licence or summary the licensing authority must issue the holder of the licence with a licence or summary if it is satisfied that –

(a) the licence or summary has been lost, stolen, damaged or destroyed; and
(b) where it has been lost or stolen, the holder has reported that loss or theft to the police.

Surrender of premises licence

Where the holder of a premises licence wishes to surrender his/her licence he/she may give the licensing authority a notice to that effect. The notice must be accompanied by the premises licence, or where that is not practicable, by a statement of the reasons for the failure to provide the licence. Where a notice of surrender is given, the premises licence lapses on receipt of the notice by the licensing authority.

Death, incapacity, insolvency of licence holder

A premises licence lapses if the holder of the licence –

(a) dies,
(b) becomes mentally incapable (within the meaning of section 13(1) of the Enduring Powers of Attorney Act 1985)
(c) becomes insolvent,
(d) is dissolved, or
(e) if it is a club, ceases to be a recognised club
(subject to provision for re-instatement in certain circumstances).

Dear Licensing,

I wish to make a representation for consideration at the Premises Licence review for A-Z Convenience Store, 39 Sunderland Street, Macclesfield SK11 6JL, which is located in Macclesfield Central ward.

I understand that an order to close the premises was granted recently by the Magistrates Court under Section 167 of the Licensing Act, triggering the review.

As a Ward councillor I wish it to be noted that anti-social behaviour involving under-age drinkers is a longstanding problem in areas around the town centre. The premises have sold alcohol to minors and has not met, in my view, the ‘Prevention of Crime and Disorder’ and ‘Protection of Children from Harm’ licensing objectives. Children and young people who drink alcohol, particularly outside the home, are also at risk of exploitation. We have a duty of care toward the wider community and if the premises are allowed to re-open I ask that it is with strict conditions and regular monitoring.

I’d like to thank the Licensing Team and all those involved in tackling this issue.

Best regards, Liz

Cllr Liz Braithwaite
Macclesfield Central Ward
