CHESHIRE EAST COUNCIL**Procedure for Hearings – Licensing Act 2003
COVID-19**

This procedure has been drawn up to take account of the restrictions placed on the Country by the Government in its response to the COVID-19 pandemic and the Council's move towards the holding of virtual meetings.

As a Licensing Authority we are conscious that all Hearings of this nature must be run in accordance with the rules of natural justice and that any modifications to the format of the hearing should not undermine the requirements to hold a fair hearing.

It is the Council's intention to run the Hearing as close a possible to our procedure for Hearings set out in our Statement of Licensing Policy. However, it will be necessary to make a number of specific alterations.

The Council does not intend to hold any Hearings just on the pre Hearing papers (eg applications and written representations). The Council considers that a Licensing determination based solely on written material and without the opportunity for amplification, clarification, and questions does not best serve the decision-making process.

The Licensing Committee

The full Licensing Committee consists of fifteen elected Members of the Council. From this full Committee will be drawn sub-committees of three members to deal with licensing functions under the Licensing Act 2003. The Chairman and Vice Chairman of the Licensing Committee shall have the discretion to refer a matter up to a hearing of the full Licensing Committee.

Platform

The Council will use Microsoft Teams for all Hearings. This platform can be accessed on a landline, mobile, laptop or tablet. The Democratic Services Officers will ensure that the meeting is set up within the Microsoft Teams platform. All parties to the Hearing will received the Notice of Hearing required by the regulations and an email invitation with specific joining instructions for Microsoft Teams.

Web Casting

All Council meetings are web cast through the Council's website. This will continue to be the case during any lockdown period and will allow members of the public to listen to proceedings from their own home.

Connectivity Test

The Council will require Members, officers, and all parties to the Hearing to be available for a connectivity test 30 minutes before the start of the Hearing. This is to ensure that any issues can be identified and overcome before the start of the meeting. Notes on how this test will be conducted will be sent directly to parties.

Technical Issues

If during the course of the meeting, the Chairman determines any technical issues (for example, parties dropping out of the meeting or parties being unable to hear or follow proceedings etc) are compromising the integrity of the Hearing, the Chairman will have discretion to adjourn the matter to later date. The test the Chairman will use when considering any adjournment is what is best in the public interest (including the right of all parties to have a fair hearing). Any adjournment will either be to a date when technical issues can be overcome or to a date when a full hearing with all parties physically present can be held.

Etiquette

In order to maximise effectiveness of the Hearing all parties should:

- Identify themselves at the start of the Hearing when asked to do so by the Chairman
- Put their webcam and microphone on mute all times other than when addressing the Committee
- Indicate that you want to speak by using the chat function
- Only address the Committee when called to do so by the Chairman

Committee Reports

The Committee report and all relevant information will be posted on the Council's website at least 7 days prior to the Hearing. A link to the documents will be provided with the Notice of Hearing. The Committee report pack will be paginated and all parties should refer to this pack rather than their own bundles.

Late Evidence

Parties should submit any evidence for consideration of the Committee prior to the drawing up of the Committee agenda packs. This will mean that all information in containing in one paginated bundle that can be referred to by the parties (referencing pages numbers).

Evidence submitted on the day of the hearing can only be included when all parties to the hearing agree. It will ultimately be for the members of the Committee to decide if late evidence is accepted.

Decisions

In accordance with Hearings Regulations the Committee will make a determination at the end of the Hearing and the decision will be given within 5 working days. Some decisions are required to be given at the end of the Hearing, in this case the public meeting will resume once Members have deliberated and formed their decision.

Officers at Hearings

- **The Committee Officer** introduces all parties and records the proceedings
- **The Legal Adviser** provides independent advice to the Members on legal matters and procedure and will draw up the decision notice.
- **The Licensing Officer** will introduce the matter and outline the application; the officer will also answer any questions Members may have.

- 2.2. The Licensing Act Sub-Committee is requested to consider the application and any relevant representations and determine what steps, if any, it considers are appropriate to promote the Licensing Objectives.
- 2.3. Acting in the capacity of the Licensing Authority, Members must seek to promote the Licensing Objectives and where Members consider that

matters have engaged one or more of the Objectives, they may exercise their discretion. The Licensing Objectives are:

- a) The prevention of crime and disorder
- b) Public Safety
- c) The prevention of public nuisance
- d) The protection of children from harm

2.4. Members of the Licensing Sub-Committee are reminded that they may not exercise discretion in any case, merely because it considers it desirable to do so. Careful consideration should be given to the application and the evidence presented by the parties in relation to the review.

2.5. Finally, Members are also reminded that in determining the application, consideration also needs to be given to:

- a) The rules of natural justice;

5.1. Prior to this material application, it is noted for information that two previous applications for a Premises Licence were received by the Licensing Team on 3rd August 2020, and 5th August 2020 respectively. Such applications were deemed to be invalid due to the failure to display a Public Notice at the proposed premises; and a failure by the applicant to advertise their application in a local publication respectively. These are requirements under the Licensing Act 2003.

The material application was subsequently resubmitted, and was sent out for consultation on 26th August 2020. The last date for representations to be made was 23rd September 2020. A copy of the full application is attached to this report at **Appendix 1**.

5.2. A map of the area in which the premises is located is attached to this report at **Appendix 4**.

The proposed conditions, and the applicants agreement, are set out in **Appendix 2**

- b) Exclude from the scope of the licence any of the Licensable Activities to which the application relates;
- c) Refuse to specify a person in the licence as the Premises Supervisor;
- d) Reject the application.

6.1.2. Members are reminded that should any conditions be added, they should be practical, enforceable and appropriate to promote the Licensing Objectives.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

A CCTV system shall be used and shall be designed and installed in accordance with the Cheshire Constabulary's CCTV guidance document called 'CCTV in Licensed Premises – An Operational Requirement'. This system shall be in operation at all times when licensable activities are taking place.

A staff member from the premises who is conversant with the operation of the CCTV system shall be on the premises at all times when the premises are open to the public. This staff member shall be able to show a Police officer or an authorised officer of the licensing authority data or footage upon request.

Designated supervisors will need to demonstrate that their CCTV system complies with their Operational requirements. They will need to be able to demonstrate the following:-

- Recordings are fit for their intended purpose,

- The supervisor has an understanding of the equipment/training,
- Management records are kept,
- Maintenance agreements and records are maintained,

The applicant has not offered any age verification policy as part of the operating schedule so for clarity the following is to apply:

Protection of Children from Harm

A “Challenge 25” policy shall be operated at the premises at all times.

The only forms of ID that shall be accepted (at the discretion of the Management) as proof of age are a valid passport, a valid photographic driving licence, a PASS approved proof of age card, HM Services Warrant Card or other reliable photo ID (that has been approved for acceptance by the Police or an Officer of the Local Authority)

Publicity materials notifying customers of the operation of the “Challenge 25” scheme shall be displayed at the premises.

The Designated Premises Supervisor or Premises Licence Holder shall operate and maintain an up-to-date Register of Refusals of Sale of Alcohol, indicating the date, time and reason for refusal which shall be made available for inspection by Local Authority Officers and the Police.

The DPS or other responsible person shall check and sign the register once a week.

Alternatively an electronic point of sale refusals log shall be kept.

A documented training programme shall be introduced for all staff in a position to sell, serve or deliver alcohol. A written record for each member of staff shall be kept of the content of such training and shall be made available for inspection at the request of Local Authority Officers and Police.

The DPS or Premises Licence Holder shall conduct six monthly training reviews with all members of staff authorised to sell, serve or deliver alcohol in order to reinforce the training and to promote best practice. A written record for each member of staff shall be kept of the content of such reviews and shall be made available for inspection at the request of Local Authority Officers and Police.

A list of persons authorised to sell alcohol shall be kept on site and made available for inspection at the request of Local Authority Officers and Police.

Clearly visible signage is to be displayed at the entrances and at points of sale indicating it is illegal to sell alcohol to people under the age of 18.

Young people under the age of 18 shall not be permitted to remain of the premise after 20:00 hrs unless attending a pre-booked private function. A diary of privately booked functions shall be kept and shall be made available for inspection at the request of Local Authority Officers and Police.

Prevention of Public Nuisance

Background music shall not be played at a level that will cause unreasonable disturbance to the occupants of any properties in the vicinity.

The applicant shall co-operate with Police or Officers of the Local Authority in the implementation of any initiatives to combat crime, disorder, antisocial behaviour or nuisance in the vicinity.

The premises license holder shall take appropriate measures to ensure that patrons leave the premises in a quiet & orderly fashion.

All other steps offered are welcome and acceptable to the Police and will assist in promoting all four objectives of the Act.

Subject: Representations in Opposition to an Application for a Premises Licence

Dear Sirs,

RE: Representations in Opposition to an Application for a Premises Licence, The Service Course Wilmslow, 56 Alderley Road, Wilmslow, SK9 1NY

We refer to an application dated 26 August 2020 by The Service Course Wilmslow Limited ("the Applicant") for a premises licence relating to music and the sale of alcohol under the Licensing Act 2003 relating to The Service Course Wilmslow, 56 Alderley Road, Wilmslow, SK9 1NY ("the Applicant's premises").

We are HCA International Limited ("HCA"), the operator of The Wilmslow Hospital, 52-54 Alderley Road, Wilmslow SK9 1NY ("The Wilmslow Hospital").

The Wilmslow Hospital shares the same building as the Applicant's premises.

Under the terms of the Licensing Act 2003 we wish to make the following representations to you in opposition to the application on the ground of prevention of nuisance:

1. The café at the Applicant's premises currently plays music during its opening hours. During these periods this music is audible in areas of the Ground, First and Second Floors of The Wilmslow Hospital. The Wilmslow Hospital treats patients who stay overnight following procedures. We are therefore concerned that if the application is successful the additional noise resulting from extended hours for playing music and alcohol consumption would disrupt patients' overnight stays at The Wilmslow Hospital whilst they are recovering from treatment. For the same reasons we are concerned that meetings and educational events currently held at The Wilmslow Hospital in the evenings could be adversely affected in the future.
2. The Wilmslow Hospital's outpatient department is open until 10pm on the majority of evenings and day case patients are discharged from The Wilmslow Hospital often late into the evenings. Tables are situated outside the café at the Applicant's premises and therefore (especially during the summer months) we are concerned that if the application is granted this will result in the potential disruption for patients leaving The Wilmslow Hospital in the evenings. This could especially be the case where any customers drinking until the late hours at the Applicant's premises spill over on to the pavement in front of the main entrance at The Wilmslow Hospital.

3. The Wilmslow Hospital currently shares its car park with the Applicant and its customers. Currently issues arise where the Applicant's customers park in The Wilmslow Hospital's car parking spaces and from time to time their vehicles block our patients and doctors' vehicles. If the application is granted this situation could be aggravated further, especially in cases where customers of the Applicant make the decision to consume alcohol and consequently decide to leave their vehicles in the car park overnight. Ultimately this could lead to a shortage of car parking spaces for use by The Wilmslow Hospital.
4. At the car park at the rear of the building the Applicant shares with The Wilmslow Hospital there are a number of outbuildings housing waste, medical gasses and the emergency generator, all of which serve The Wilmslow Hospital. If the application is granted we would be concerned at the prospect of customers of the Applicant trespassing onto these areas.
5. As The Wilmslow Hospital shares its building with the Applicant, if a fire alarm is triggered in the Applicant's premises then a pre-alarm is triggered in The Wilmslow Hospital. If the application is granted we would be concerned there will be an increase in the likelihood of fire alarm incidents and of the potential for disruption and stress caused to patients if a fire alarm is triggered late at night when a limited amount of hospital staff are located on The Wilmslow Hospital site.
