(During consideration of the application, Councillor A Critchley left the meeting and returned. In accordance with the Code of Conduct he did not take part in the debate or vote on the application. Prior to consideration of the following item, the meeting was adjourned for a short break).

51 DRAFT JODRELL BANK OBSERVATORY SUPPLEMENTARY PLANNING DOCUMENT

Consideration was given to the above report.

Members made the following comments:-

- That the Environment and Communities Committee be recommended to extend the consultation period to the middle of January 2022;
- In respect of paragraph 6.1 it was commented that officers needed to be mindful a significant proportion of the new and existing houses would be moving to electric vehicles which would be charged from their properties and therefore likely to have a far greater impact than the items contained within the table;
- In respect of paragraph 6.30 of the document, reference was made to pre application advice. It was noted that as the Council had not been providing pre application advice for nearly two years the document should be amended to remove references to this service;
- Mitigating measures could be used by house builders to protect Jodrell Bank;

RESOLVED

1. That the comments as outlined above be noted.
2. That the draft JBO SPD (Appendix A) of the report be noted.
3. That the associated Strategic Environmental Assessment and Habitats Regulations Assessment Screening Report ("SEA") (Appendix B) of the report be noted.
4. That the associated Equalities Impact Assessment Screening Report ("EQIA") (Appendix C) of the report be noted.

52 CREWE HUB AREA ACTION PLAN UPDATE

Consideration was given to the above report.

(A statement was read out on behalf of Sue Helliwell who was unable to attend the meeting and speak on the item).

Members made the following comments:-

- Preparation for the next Local Plan and the commencement of work on this;
- Development of the Crewe station area needed to be embraced within the Council's planning policy;
- A document which was an alternative to the Crewe Hub Area Action Plan needed to be developed within the existing plan period and included within the next Local Plan;
- The view of local Councillors was Southern link road bridge was not necessary;
- Consideration should be given to traffic management measures which could form part of the consultation process when developing the next Local Plan;
- Requirement for the redevelopment within Crewe and any development should be linked to the network railway and railway heritage of the town;
- A copy of a supplementary planning document should be considered by the Board before it went out to public consultation;
- Decision to remove the Hub station from the Plan could be seen to show a lack of ambition;
- The bridge and junction improvements would have in their own right acted an independent project to deliver significant transport and environmental benefits to Crewe in terms of improvements to traffic flow, reduced congestion, improved air quality and so forth.

RESOLVED

1. That the decision of the Corporate Policy Committee on 4 November 2021 to withdraw the CHAAP and the Crewe SLRB preferred route be noted.

2. That the proposal to prepare a Supplementary Planning Document for Central Crewe be noted.

(During consideration of the item, Councillor S Gardiner left the meeting and returned).

53 FINAL DRAFT HOUSING SUPPLEMENTARY PLANNING DOCUMENT

Consideration was given to the above report.

Members made the following comments:-

- Clarification on the number of homes built since 2010;

- Assurances that those policies in the SADPD, which were retained by the examiner, be considered as part of any future review of the SPD;
- Disappointed by some of the comments from professionals in relation to supporting those sections of society with a disability;
- Like to see the document brought back to the Board before it is considered by the Environment and Communities Committee;
- Possibility of changing some of the descriptions used to describe bedrooms;
- Clarification on the purpose of the document and whether its purpose was to increase rural housing for people who needed it or was it to restate existing policy;
- Inequality Impact Assessment didn't appear to be complete.

RESOLVED

1. That the comment outlined above be noted.
- 2.. That the feedback received to the draft Housing SPD public consultation exercise held between the 26 April 2021 and Monday 07 June 2021 and how it had been addressed in the Report of Consultation (appendix 1) of the report be noted.
3. The final draft Housing SPD (appendix 2) of the report be noted.
4. That the Strategic Environmental Assessment and Habitats Regulations Assessment Screening Report ("SEA") (appendix 3) of the report be noted.
5. That the publication of the final draft Housing SPD (appendix 2) of the report and report of consultation (appendix 1) of the report for public representations for a period of a minimum of four weeks be agreed.

The meeting commenced at 10.00 am and concluded at 1.25 pm

Councillor M Hunter (Chair)
