**CHESHIRE EAST COUNCIL****Procedure for Hearings – Licensing Act 2003  
COVID-19**

This procedure has been drawn up to take account of the restrictions placed on the Country by the Government in its response to the COVID-19 pandemic and the Council's move towards the holding of virtual meetings.

As a Licensing Authority we are conscious that all Hearings of this nature must be run in accordance with the rules of natural justice and that any modifications to the format of the hearing should not undermine the requirements to hold a fair hearing.

It is the Council's intention to run the Hearing as close a possible to our procedure for Hearings set out in our Statement of Licensing Policy. However, it will be necessary to make a number of specific alterations.

The Council does not intend to hold any Hearings just on the pre Hearing papers (eg applications and written representations). The Council considers that a Licensing determination based solely on written material and without the opportunity for amplification, clarification, and questions does not best serve the decision-making process.

**The Licensing Committee**

The full Licensing Committee consists of fifteen elected Members of the Council. From this full Committee will be drawn sub-committees of three members to deal with licensing functions under the Licensing Act 2003. The Chairman and Vice Chairman of the Licensing Committee shall have the discretion to refer a matter up to a hearing of the full Licensing Committee.

**Platform**

The Council will use Microsoft Teams for all Hearings. This platform can be accessed on a landline, mobile, laptop or tablet. The Democratic Services Officers will ensure that the meeting is set up within the Microsoft Teams platform. All parties to the Hearing will received the Notice of Hearing required by the regulations and an email invitation with specific joining instructions for Microsoft Teams.

**Web Casting**

All Council meetings are web cast through the Council's website. This will continue to be the case during any lockdown period and will allow members of the public to listen to proceedings from their own home.

### **Connectivity Test**

The Council will require Members, officers, and all parties to the Hearing to be available for a connectivity test 30 minutes before the start of the Hearing. This is to ensure that any issues can be identified and overcome before the start of the meeting. Notes on how this test will be conducted will be sent directly to parties.

### **Technical Issues**

If during the course of the meeting, the Chairman determines any technical issues (for example, parties dropping out of the meeting or parties being unable to hear or follow proceedings etc) are compromising the integrity of the Hearing, the Chairman will have discretion to adjourn the matter to later date. The test the Chairman will use when considering any adjournment is what is best in the public interest (including the right of all parties to have a fair hearing). Any adjournment will either be to a date when technical issues can be overcome or to a date when a full hearing with all parties physically present can be held.

### **Etiquette**

In order to maximise effectiveness of the Hearing all parties should:

- Identify themselves at the start of the Hearing when asked to do so by the Chairman
- Put their webcam and microphone on mute all times other than when addressing the Committee
- Indicate that you want to speak by using the chat function
- Only address the Committee when called to do so by the Chairman

### **Committee Reports**

The Committee report and all relevant information will be posted on the Council's website at least 7 days prior to the Hearing. A link to the documents will be provided with the Notice of Hearing. The Committee report pack will be paginated and all parties should refer to this pack rather than their own bundles.

### **Late Evidence**

Parties should submit any evidence for consideration of the Committee prior to the drawing up of the Committee agenda packs. This will mean that all information in containing in one paginated bundle that can be referred to by the parties (referencing pages numbers).

Evidence submitted on the day of the hearing can only be included when all parties to the hearing agree. It will ultimately be for the members of the Committee to decide if late evidence is accepted.

## Decisions

In accordance with Hearings Regulations the Committee will make a determination at the end of the Hearing and the decision will be given within 5 working days. Some decisions are required to be given at the end of the Hearing, in this case the public meeting will resume once Members have deliberated and formed their decision.

## Officers at Hearings

- **The Committee Officer** introduces all parties and records the proceedings
- **The Legal Adviser** provides independent advice to the Members on legal matters and procedure and will draw up the decision notice.
- **The Licensing Officer** will introduce the matter and outline the application; the officer will also answer any questions Members may have.

**15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

## Documents which demonstrate entitlement to work in the UK

- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:
  - evidence of the applicant's own identity – such as a passport,
  - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and

- evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:

  - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
  - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
  - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

**Original documents must not be sent to licensing authorities.** If the document copied is a passport, a copy of the following pages should be provided:

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

## **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

**Importance:** High

**Flag Status:** Completed

Dear Licensing,

I wish to make a representation (objection) re. the premises license application for Turquoise Garden Ltd of 1-3 Park Lane Macclesfield SK11 6TJ in my capacity as ward councillor.

My reasons, relating to the main licensing objectives, are:

**The Prevention of Public Nuisance**

The premises license application includes a roof terrace. Having checked with CEC planning department the approved application 19/2263M included a rear extension with a flat roof, and there are no current planning applications for a roof terrace. An unauthorised 1<sup>st</sup> floor outside dining area serving alcohol, with capacity for a significant number of customers, has the clear potential to cause a Public Nuisance to the residents of the flats on Park Lane and Samuel Street that back on to the premises, including but not restricted to loud conversation, music, smokers. Planning conditions to protect the residential amenity are in place, however the addition of the roof terrace could not have been taken into consideration. This demonstrates a lack of regard for neighbouring residents by the applicant.

A report has been made to Planning Enforcement of a potential breach of planning, I was informed earlier today that it has been assigned to an enforcement officer and the reference number is [REDACTED]. While I appreciate that planning matters are outside the remit of Licensing I reiterate the potential for public nuisance.

**Public Safety**

As the roof terrace appears to be an unauthorised addition to the premises, I have concerns about the safety aspects of alcohol consumption in a potentially unsafe area which is above ground level. I understand that the suitability of the premises has to be taken into account.

**Prevention of Crime and Disorder**

The premises are located in an area where disorder, especially at weekends, is not unknown. The application is not clear on how access to the premises would be controlled, particularly from the rear.

Best regards, Liz

Cllr Liz Braithwaite  
Macclesfield Central Ward
