I have seen this application and as a resident on Old Mill Lane directly opposite these premises this would be highly inappropriate to allow. It's bad enough when someone using the premises plays their drums and guitars until 10pm the noise echo's across the street and has at times kept my 9 year old awake.

It would be a real shame for our normally peaceful street to be subject to what it is they are asking for. Please take into consideration us residents when you are deciding the outcome.

Many Thanks
