Hello

I'm aware of a planning application by red willow brewery for an alcohol licence and live music venue just off byrons lane

I'm a resident at [REDACTED] and I'm concerned this will cause disruption to the area as the application states the operating times until midnight and 1am

The noise levels will increase and the parking outside will become more difficult.

I feel there should have been some consultation with residents regarding this application

Please take on residents concerns and communicate with us about what is going to be happening with regards to this

Thank you

Kieron
