**Appointments to the Adoption Panel and  
the Fostering Panel**

---

**Report of: David Brown, Director of Governance and Compliance**

**Report Reference No: C/05/23-24**

**Ward(s) Affected: All**

**Purpose of Report**

- 1 The report invites Council to approve a number of appointments to Statutory Panels which do not fall within the definition of “Committee” for the purposes of legislation.

**Executive Summary**

- 2 The Adoption Panel and the Fostering Panel are bodies which carry out statutory functions and therefore the Council is required to make appointments to ensure that the Council meets its obligations.

**RECOMMENDATIONS**

Council is asked to appoint:-

- (a) one Councillor to the Adoption Panel; and
- (b) one Councillor to the Fostering Panel.

**Background**

- 3 The Council needs to make appointments to the following bodies. These bodies are Statutory Panels which do not fall within the definition of “Committee.”

### **Adoption Panel**

- 4 The Panel considers the suitability of anyone who applies to become an adopter, and whether or not to recommend that they are suitable to adopt; and also considers the placement of any child with a particular adopter. The Elected Member is a full member of the Panel and is defined as an 'independent panel member' by the Independent Review of Determinations (amendments) 2011. Under the performance objectives of the Panel, each member is asked to attend 75% of the meetings, which are currently held every 6 weeks. In addition, each member is asked to attend any training events and induction events that are held at least annually, and also to undergo an annual appraisal.
- 5 The role of the Adoption Panel and the appointment of Elected Members are governed by the Adoption Agency Regulations 2005 and the Adoption Agencies and Independent Review of Determinations (amendments) 2011, Adoption and Children Act 2002.
- 6 Councillor B Puddicombe served on the Adoption Panel during the 2022/23 municipal year.

### **Fostering Panel**

- 7 The establishment of fostering panels is laid down by the Fostering Service (England) Regulations 2011. Regulation 23(1) requires the fostering service to provide a central list of persons considered to be suitable members of the Panel, similar to the Adoption Panel.
- 8 The Fostering Panel makes timely and appropriate recommendations in line with the overriding objective to promote the welfare of children in foster care. The Panel considers and advises on the suitability of persons who apply to be foster carers for children who are "cared for" by the local authority. It states what its recommendations are in respect of a particular child or children and clarifies whether the prospective carers matching considerations are to be for certain ages or categories of children.
- 9 It considers the continuing approval of foster carers following their annual carer's review or other significant changes in their circumstances and advice on any other matters relating to the fostering service.
- 10 Councillor Carol Bulman served on the Fostering Panel during the 2022/23 municipal year.

## **Reasons for Recommendations**

- 11 These bodies carry out statutory functions and appointments are needed to ensure that the Council meets its obligations.

## **Other Options Considered**

- 12 The Council could choose not to nominate to these Panels.
