RECOMMENDATIONS

The Children and Families Committee is recommended:

1. To note the decision of the Finance Sub-Committee to allocate the approved revenue and capital budgets, related budget policy changes and earmarked reserves to the Children and Families Committee, as set out in **Appendix A**
2. To note the financial reporting timetable for 2023/24 set out in **Appendix B** due to be approved at Finance Sub-Committee on 7 June.

Background

- 6 All councils are legally required to set a balanced budget each year. The MTFS was approved by full Council on 22 February 2023.
- 7 The MTFS includes a Report from the Chief Finance Officer in line with the Section 25(1) of the Local Government Finance Act 2003. This report confirms that the MTFS is balanced and that the Chief Finance Officer is satisfied with the robustness of the estimates and the adequacy of the financial reserves of the Council. The report also highlights the factors taken into account in arriving at this judgement including relevant financial issues and risks facing the Council during the medium term.
- 8 Finance Procedure Rules set limits and responsibilities for movement of funds, treating reserves as part of this overall balanced position. Any movement within this balanced position is treated as a virement. To increase the overall size of the MTFS requires a supplementary estimate, which must be backed with appropriate new funding and approved in line with the Procedure Rules.
- 9 To support accountability and financial control under the Committee system the 2023/24 budget is being reported across the Service Committees based on their associated functions. This report sets out the allocation of the revenue and capital budgets and earmarked reserves to the relevant service committee in accordance with their functions.

- 10 Each set of Committee budgets reflects the group of services line-managed by Directors. Budget holders are responsible for budget management. Where a team supports multiple services under other Directors the budget for each Committee is included with the line-managing Director's services and is not split across other Committees. For example, Governance and Democratic Services are aligned to the Corporate Policy Committee, even though the activities of those teams relate to support services provided to all Directorates of the Council.
- 11 The financial alignment of budgets to each Committee is set out in Table 1 with further details in Appendix A.

Consultation and Engagement

- 13 The annual business planning process involves engagement with local people and organisations. Local authorities have a statutory duty to consult on their budget with certain stakeholder groups including the Schools Forum and businesses. In addition, the Council chooses to consult with other stakeholder groups. The Council continues to carry out stakeholder analysis to identify the different groups involved in the budget setting process, what information they need from us, the information we currently provide these groups with, and where we can improve our engagement process.

- 14 Cheshire East Council conducted an engagement process on its Medium-Term Financial Plans through a number of stages running from January 2023 to Council in February 2023.
- 15 The budget consultation launched on-line on the 6 January 2023, included details of the budget policy changes against each Corporate Plan aim. This consultation was made available to various stakeholder groups and through a number of forums.

Equality, Diversity and Inclusion

- 23 Under the Equality Act 2010, decision makers must show ‘due regard’ to the need to:
- Eliminate unlawful discrimination, harassment and victimisation;
 - Advance equality of opportunity between those who share a protected characteristic and those who do not share it; and
 - Foster good relations between those groups.
- 24 The protected characteristics are age, disability, sex, race, religion and belief, sexual orientation, gender re-assignment, pregnancy and maternity, and marriage and civil partnership.
- 25 Having “due regard” is a legal term which requires the Council to consider what is proportionate and relevant in terms of the decisions they take.
- 26 The Council needs to ensure that in taking decisions on the Medium-Term Financial Strategy and the Budget that the impacts on those with protected characteristics are considered. The Council undertakes equality impact assessments where necessary and continues to do so as budget policy changes and projects develop across the lifetime of the Corporate Plan. The process assists us to consider what actions could mitigate any adverse impacts identified. Completed equality impact assessments form part of any detailed Business Cases.
- 27 Positive impacts include significant investment in services for children and adults (protected characteristics primarily age and disability). Specific examples are Investment in Cared for Children and Care Leavers, SEND services and School Transport. There is also significant investment in Adult Social Care and support to care providers (protected characteristics primarily age and disability).
- 28 The Corporate Plan’s vision reinforces the Council’s commitment to meeting its equalities duties, promoting fairness and working openly for everyone. Cheshire East is a diverse place and we want to make sure that people are able to live, work and enjoy Cheshire East regardless of their background, needs or characteristics.
