

**\*\*DRAFT FOR PURPOSE OF CONSULATION\*\***  
**CHESHIRE EAST BOROUGH COUNCIL**  
**EXTENSION OF A PUBLIC SPACES PROTECTION ORDER**  
**ALLEYGATES**

Cheshire East Borough Council (the Council) having been satisfied on reasonable grounds that activities of a criminal nature, for example dwelling house burglaries, had been facilitated by use of a right of way within the Restricted Areas defined in the original order therein (and highlighted in the schedule below in yellow), which had given rise to nuisance and complaint and had a detrimental effect on the quality of life of those in the locality and the effect of which were likely to be of a persistent or continuing nature and likely to be such as to make the activities unreasonable so as to justify the restrictions imposed, made a Public Spaces Protection Order (the 'Original Order').

The original order took effect on 20<sup>th</sup> October 2020 and had a duration of 3 years (the 'Duration') under section 59 Anti-Social Behaviour, Crime and Policing Act 2014 (the 'Act').

Section 60(2) of the Act gives the Council a discretionary power to extend the PSPO if, in addition to having regard to the rights of freedom of expression and freedom of assembly set out in articles 10 and 11 of the Convention, it is satisfied on reasonable grounds that an extension is necessary in order to prevent after that time, the occurrence or recurrence of, or an increase in the frequency or seriousness of, the activities identified in introduction to the original order.

Furthermore, section 61(1)(a) of the Act, gives the council a discretionary power to vary the order by increasing or reducing the restricted area on if the conditions in sections 59(2) and (3) are met as regards to activities in that area.

The Council has consulted as required by Section 72 of the Act and is satisfied that it is necessary, in order to prevent the occurrence or recurrence after the duration of the Original Order, or an increase in the frequency or seriousness of those activities identified in the Original Order after that time, to extend and vary the original order.

Further, it is satisfied that, without restriction of the public right of way over a highway within the Restricted Areas within the original order and those gated areas added as part of the extension of the original order the effect of these activities is or is likely to be of a persistent or continuing nature is or likely to be such as to make the activities unreasonable, and the effect of the activities justifies the restrictions imposed.

**Cheshire East Borough Council therefore has exercised its power under section 60(2) and 61(1)(a) Anti-Social Behaviour, Crime and Policing Act 2014 to extend and vary (by increasing the restricted areas) the Original Order (through this 'Extended and varied Order') for a period of 3 years commencing on 20<sup>th</sup> October 2023 so as to:**

# PROHIBIT

**1. Person(s)** exercising a public right of way over the highway(s) within the Restricted Areas described in the First Schedule and, in which, for the purposes of enforcement of this restriction, the Order authorises the installation of a gate, operated and maintained by the Council.

**Save that exemptions to the restriction shall apply to:**

- a. All owners and occupiers of premises adjoining the Highway(s).
- b. Police, Fire and Rescue Services, and NHS Trust/Foundation staff when in exercise of their duties.
- c. Employees, contractors or agents of statutory undertakers (providers of gas, electricity, water, or telecommunications services) in the exercise of their functions.
- d. Local Authority officers and their contractors or agents in the exercise of their functions.

# REQUIRE

**2. Person(s)** to use alternative routes for public passage as described in the Second Schedule to this order

In making this Order, the Council certifies that it has had particular regard to the rights of freedom of expression and freedom of assembly set out in articles 10 and 11 of the Convention. Further, the Council certifies that it has had regard to Section 64 of the Act and complied with the additional requirements of, and restrictions imposed on, Public Safety Protection Orders which restrict public rights of way.

**Failure without reasonable excuse to comply** with the prohibitions or requirements imposed by this Order is an offence under **Section 67** of the **Anti-Social Behaviour, Crime and Policing Act 2014**. A person guilty of this offence is liable on summary conviction to a fine not exceeding level 3 on the standard scale, namely **£1000.00**.

A constable or an authorised person may under **Section 68** of the **Anti-Social Behaviour, Crime and Policing Act 2014**, issue a fixed penalty notice to anyone the constable or an authorised person has reason to believe has committed an offence under **Section 67** of that Act in relation to this Order.

# APPEALS

In accordance with section 66 of the Act, any interested person who wishes to challenge the validity of this Order on the grounds that the Council did not have the power to make the Order or that a requirement under the Act has not been complied with may apply to the High Court within six weeks from the date upon which the Order or Variation is made.

By order of Cheshire East Borough Council acting under the authority of its Environment and Communities Committee
