	<p>To whomever it may concern,</p> <p>This email is regarding my concern and worries about the extension of licensing hours to 'The Studio',</p> <p>Castle Street, Nantwich, CW55BA. My wife and I live at number XXX Mill Street and our house is XXXXXXXXXX XXXXXXXXXX the street from the aforementioned establishment. Noise can be an issue, but has always ceased by 2 am when the bar stops trading and guests leave to go home.</p> <p>The impact of the increased length of service to 4am, will have a detrimental effect level on the local area, community, my wife, and me. There will be a noticeable and probably intolerable increase in both noise and duration of noise at the front of our property. The increase in noise will be from both revellers and people collecting revellers using the street under our bedroom window as a taxi rank.</p> <p>Unfortunately, I also expect an increase in anti-social behaviour, be it foul language, vandalism, fighting, and public urination.</p> <p>Over the last 10 years, the area around 'The Studio' has seen a marked increase in residential dwellings, from the flats directly opposite, houses of multiple occupancy to the side and Crown Green Court. We are now a strong residential community and don't wish to go back to an area known only for late-night drinking and trouble.</p> <p>Please help us keep Mill Street, Castle Street, and the surrounding area a safe and happy place to live,</p> <p>If you would like to discuss further? I can be contacted at XXXXXXXXXXXXXXXXXX or call me on XXXXXXXXXXXXXXXXXX</p> <p>Much regard and please take this e-mail as an objection to extending the 'Studios' current licensing hours,</p> <p>XXXXXXXXXX XXXXXXXXXX.</p>

	<p>Good morning.</p> <p>As a local resident in XX CASTLE COURT, MILL STREET, NANTWICH CW5 5SL</p> <p>PLEASE CONTACT CHESHIRE POLICE TO CONFIRM BELOW</p> <p>I must seriously object to the extension of opening for the above night club for the following reasons. In fact this Night club should not have a licence</p> <p>in my opinion as it is in the wrong place. The club is in a residential INCLUDING a</p>

	<p>number of residents in Castle Court receiving END OF LIFE CARE. I have approached the owner on numerous occasions to inform him of the above. The reply I have received was "we were here before you tough"</p> <p>Not a very considerate reply and to be honest he doesn't care about the local residents only taking money. The end of life residents really don't deserve this place to be in ear shot.....what they have to listen to is appalling. The club is constantly been visited by Police for various reasons. From Anti social behaviour from their customers to drug issues both inside and outside the club itself. Issues including NUMEROUS arrests for violence with offensive weapons and fights outside because of too much alcohol being served after the local pubs have closed. The amount of times I have seen women, men urinating in the street opposite..... also women defecating in the street as they are unable to return to the club after leaving at stupid hours in the morning. Public toilets are too far away.</p> <p>The line for taxis after the club closes at 2.00pm is ridiculous, again loud behaviour and all of the above continues. For all of the above reasons I must object to the club licence extension – if anything it should be revoked..... It is common knowledge that after everywhere is closed, you can still obtain your drugs and drinks in Nantwich from The Studio Night club. If you need any other residents to confirm the above please let me know how I can help.</p> <p>Kindest regards XXXXXXXXXX XXXXXXXXXX</p>

	<p>Hi,</p> <p>Me and my partner live at XX castle court. Our apartment is opposite studio, the amount of drunken idiots causing fights outside, having police turning up, people screaming their heads off. Studio encourage people to drink as much as possible then do not control them once they leave the door. We are constantly getting woken up by people screaming, fighting, arguing, police cars or ambulances. We've had people trying to get in the apartment building, shaking the gates over and over. I try to put my car in the garage on weekends as I don't trust that it won't be damaged. There's sick outside on the floors, there's been people outside covered in blood. We do not agree with studio extending opening hours!</p> <p>Many Thanks XXXXXXXXXX and XXXXXXXXXX XX Castle Court</p>

I have witnessed anti-social behaviour, by the late night revellers for example, urinating against neighbours wall, exchanging drugs, leaving drinks and other litter on my property/car and surrounds.</p> <p>There have been occasions when lost, distressed, intoxicated young adults have knocked on our door, asking for help. Once a drunk was found asleep in our garden and there have been other incidents.</p> <p>Given the above, you will appreciate, I strongly object to the extension of The Studio's licensing hours as this will cause further disruption to our nights sleep and the</p>
