

Item 7 - Crossing Facilities Strategy

Written response to questions

Response provided by Richard Hibbert – Head of Strategic Transport & Parking

Currently, there are 14 School Crossing Patrol sites within Cheshire East borough. 11 of these are staffed and 3 are unfilled (held vacant).

The budget for the crossing patrol service in 2024/25 is £63,700.

Funding comes from the Childrens and Families service, as part of the Council's expenditure on home-to-school travel.

School Crossing Patrols are provided by ANSA, working on behalf of the Council. Further details are available on their website: [School Crossing Patrol Service \(ansa.co.uk\)](http://ansa.co.uk)
