Dear Sirs

Licensing Application - Gawsworth Community Shop Ltd 2 Longbutts  
Lane Gawsworth

With regard to the above we wish to express our concern at the hours of the licensing application. Our property is directly above the shop and whilst we have no problem with the proposed normal trading hours of business we do feel that extending the license to 10 pm Monday to Saturday and to 6pm on Sundays would create unacceptable levels of noise.

We would be obliged if you would take this into consideration when making your decision.

Yours faithfully
