## **6.0 Risk Assessment**

- 6.1 Failure to carry out a consultation exercise prior to the introduction of the conditions could lead to a legal challenge about their validity.

## **7.0 Background and Options**

- 7.1 The proposed private hire vehicle conditions have been drawn from the conditions currently in force at either one or more of the three constituent authorities of Cheshire East. They have been chosen to reflect the best of the current practices from those authorities.
- 7.2 It is proposed to hold a six week consultation exercise with the existing holders of private hire vehicle licences at Crewe and Nantwich, Congleton and Macclesfield on the proposed conditions.
- 7.3 The result of the exercise will be reported to a further meeting of the Committee to enable a final decision to be made with a view to their introduction with effect from 1<sup>st</sup> April 2009.

## **8.0 Overview of Day One, Year One and Term One Issues**

- 8.1 The requirement to have private hire vehicle licence conditions in place is a Year One requirement.

## **9.0 Reasons for Recommendation**

- 9.1 The recommendation is made with a view to enabling the introduction of Cheshire East licence conditions with effect from Day One. It also recognises that the holders of existing licences should have an input and for this reason it recommends the holding of a consultation exercise prior to a final decision being taken by the Committee.
