Dear Michael Rowan,

I wish to object to the Disposal of Public Open Space concerning all the allotments in Crewe(JC,9511)

My understanding is that the purpose of disposing of these allotments is to hand control of them to Crewe Parish/Town council.As such a body does not exist I believe the disposal to be premature and against the spirit,if not the word,of the Localism Act.I ask for a deferment of the disposal until after a Parish/Town council is in place.

Yours faithfully,

D. P. Hughes
