### **LICENSING OBJECTIVES**

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

We are a national retailer that sells alcohol as part of a broad offering of goods and services. We have held off-licences in our stores for many years and are an approved British Institute of Inn-keeping examination centre. We have written training policies and formal training programmes are in place, which ensure our people are equipped to meet all licensing objectives. All training and revision/refresher materials are reviewed regularly. All stores currently comply with our 'Think 25' policy, this is brought to customer's attention through point of sale material within the store. We take legal compliance very seriously and in addition to local training we employ a central alcohol licensing compliance manager and have a compliance committee.

b) The prevention of crime and disorder

The premises will have digital CCTV system that covers many areas of the shop floor, including the proposed area which will be used for beer and wine, should we be successful with our application.

Images will be retained for a minimum of 21 days and made available on enforcement request.

Ordinarily, a member of the Management team will be on the premises all the time the store is open. A person will have responsibility for the premises whilst the premises are open.

c) Public safety

A person will have responsibility for the premises whilst the premises are open. Management will be trained to support the running of the premises including looking after our customers and staff. The store will adhere to all rules and regulations relating to public safety.

d) The prevention of public nuisance

We intend to be an active member of the community.

We welcome the opportunity to liaise with Police and enforcement authorities should the need arise.

*Continued from previous page...*

e) The protection of children from harm

All staff will be trained and regularly refreshed in the corporate 'Think 25' Policy. Staff will be trained to look at the customer and 'Think 25' when selling alcohol.

A till prompt will appear on the initial sale of alcohol that will remind the seller of their responsibilities including not to sell alcohol to anyone under the age of 18.

The store will display signage around the premises informing both staff and customers of our 'Think 25' policy on alcohol.

Reference to Tesco application for increased hours for West Road premises

I wish to object to the application for the extended hours on these premises on the grounds of excessive noise pollution and disruption of neighbourhood houses rights of quietness within the area. There have been at least two reports of police activity within the local area since the 3rd August and even more may ensue with extended hours of selling alcohol to already inebriated customers. I am submitting this request on behalf of constituents .

From:  
Sent: 09 August 2013 13:52  
To: LICENSING (Cheshire East)  
Subject: Tesco, West Road, Congleton, Cheshire, CW12 4HB

To whom it may concern:

I wish to object in the strongest possible terms to the alcohol sale licensing hours of the Tesco Express on West Road, Congleton, Cheshire, CW12 4HB being extended.

Currently, the hours are capped at 2200hrs at night due to various matters. Concerns were also expressed by local residents in complaints to planning, in relation to the store facilitating potential nuisance.

The increase of one hour into the night for example may seem trivial. But it isn't, especially now schools, colleges and universities have broken up for the holidays coupled with the light summer nights. Alcohol bottles are regularly found littering the main roundabout verges, passageways, Dane Housing grass verges as well as local pavements. This could further be exacerbated by an extension of hours, likewise the incidences of nuisance in this locale. Sometimes the bottles end up in people's gardens.

A recent example of what drunken youths can do in this locale is in relation to the kicking down of many residents' bottle bins/throwing bottles down drives, specifically on Longdown Road, Back Lane, Elm Road and West Road. These events may be partially gleaned from the most recent known reports relating to them as made to the Police on **25th July** (Incident No.1192) and **26th July** (Incident No.121) amongst others. There have been, and still are, issues with youths/adults drinking in local passageways in and around this locale. The broken bottles are testimony to this.

A local supply outlet thus facing a park bench and bus shelter and - more specifically - being permitted to increase its available supply hours will not reduce this aspect, nor the hours into which it can extend. Selling in minimum quantities has no effect whatsoever on people walking in with potentially £40+ in their pocket - each; and a bottle of spirits or wine or 4-6 minimum quantity bottles/cans of beer are not prohibitive. An abandoned beer bottle box and many smashed bottles were found some time ago in a local passageway for example. A grown adult was seen walking nearby recently drinking from a large beer bottle on a Sunday.

It may also be noted that the burglar alarm to the Tesco Express went off at approx. 2.55am on **6th August** coupled with a car slamming its door and speeding off from the location (Incident No.72). Whether the alarm going off and the car departure are connected I do not know, but it occurred. We also have enough nuisance from the Tesco as it is with staff parking now on Elm Road due to allegedly not being allowed to park in the Tesco car park. There has also been an observable increase in discarded cigarette lighters and cigarette packets here for reasons - as yet - unknown.

An increase in licensing hours could thus exacerbate matters here, so I object to the hours being extended in any way. It also has to be borne in mind the good service that limiting licensing hours provides, specifically in limiting access to alcohol by those suffering with alcohol issues, and consequently the limited licensing helping their suffering families.

As Tesco have an interest in charities (as was likewise displayed when the store opened) I am sure they too would not wish to enable nor exacerbate harm. Coupled with staff stating that black-background signage was erected at the Tesco due to this area being deemed 'up market', the

2 (continued)

### APPENDIX - 3

capping of hours as already in place likewise reflects this, also bearing in mind most residents on the nearby Elm Road are widowed and aged in their 70's and 80's. Ambulances and home helps are often seen here. Passing drunks, beer bottles, parking issues, loitering and bins being kicked down doesn't do them any good.

Regards,

**From:**  
**Sent:** 12 August 2013 15:02  
**To:** LICENSING (Cheshire East)  
**Subject:** Tesco West Road Congleton New Licence

I am writing to show my disapproval of the application for a new licence for Tesco, West Road, Congleton, Cheshire.

I believe that the licencing hours should not be extended at all and should remain as they are at present. I am concerned

that a few people living in the West Heath area will be drinking in town and return and buy alcohol at Tesco, and this will

cause disturbances to a lot of people living in this area, and possible distruction of property. I am worried that the shop has only been

open a few weeks and Tesco is already applying for a new licence. I think Tesco should consider all the potential customers of

West Heath and consider if selling more alcohol to some customers, and possibly causing alcohol-related incidents in this area, is worth the money. People may become annoyed that the area could be a target for alcohol-related problems and blame Tesco whenever this occurs. Tesco must accept that Congleton is an area where people respect their homes and think highly of their town. We are not living in the centre of a city where shops are open all hours, the streets are not full of litter in Congleton and there is little crime and disturbance at present. People living in Congleton are trying to maintain this peaceful attitude and would like Tesco to co-operate instead of trying to change the area. No other shops in West Heath have the same opening hours as Tesco and Tesco have no right to cause problems to West Heath residents, just because they operate longer hours of opening and licensing in other areas.
