

The Development Strategy sets out the overall number of homes and employment land that will be needed in in Cheshire East over the period to 2030. It also suggests levels of development for each of our main towns as well as the amount of development we expect to see in the smaller towns, villages and rural areas of the Borough.

The document also identifies proposed strategic development sites.... [more](#)

### Shaping our Future: Policy Principles

Cheshire East Council

December 31, 2012

This document sets out proposed policy principles for the Borough. The purpose of these principles will be to make sure that new development helps to deliver the objectives for enterprise and growth, stronger communities, sustainable environment and connectivity that are set out within the document. These principles will form the basis for strategic policies contained within the Local Plan.

### Possible Additional Sites

Spatial Planning Cheshire East Council

May 3, 2013

As part of the production of the new Local Plan, we are currently consulting on possible additional sites proposed by developers and land interests.

Responses received to the recent Local Plan consultation in January and February 2013 have revealed a number of possible strategic sites that developers and landowners consider suitable for inclusion in the Local Plan as well as other strategic... [more](#)
