

# V12 VALIDATION REQUIREMENTS:

## APPLICATIONS FOR PRIOR NOTIFICATION OF PROPOSED DEMOLITION

The following form should be completed with your application to ensure all the required information is submitted. Failure to submit any of the requirements will render your application invalid and it will not be registered.

Where an application is not accompanied by 'Local list' requirements a written justification must be produced by a suitably qualified person(s) giving reasons why it is not appropriate in that particular circumstance. In such cases the Council will consider the justification and where it is agreed, the application will be registered. However, if insufficient justification is provided, the Council will declare the application invalid and provide written reasons for the decision.

The list of local requirements is not exhaustive and the local planning authority can still request further information post-validation. Accordingly, an application can still be declared valid and then refused on the grounds of inadequate information.

Supplementary Guidance is available on the Council website which gives more detail of these requirements.
