

**NOTICE OF MOTION FOR MEETING OF CHESHIRE EAST COUNCIL 2<sup>ND</sup>**  
**APRIL 2009-03-24**

**PROPOSED BY CLLR ROD FLETCHER**  
**SECONDED BY CLLR DAVID NEILSON**

**SUSTAINABLE COMMUNITIES ACT.**

Council regrets that Cheshire East is not one of the eighty listed authorities that have signed up to the Sustainable Communities Act. THIS ACT HAS ALL PARTY SUPPORT. The philosophy behind the act being that as there are so many centrally imposed duties on councils, accepting this act will enable them to be more accountable to their electorate on a local basis. Council asks the Cabinet to reconsider their position and sign up to the act for the benefit of the people of Cheshire East.
