Observations

I have considered the above notice and wish to object under the licensing objectives of:

The prevention of public nuisance and crime and disorder

The premises are already licensed to provide Late Night Refreshment as late as 02:30 at weekends and as a result already provide an incentive and encouragement for people at the end of the night to resort to the area and remain in the vicinity instead of going home. As a result they have been a focus for anti-social behaviour and disorder both at the premises and in its immediate environs. Licensing the premises to operate even further into the small hours will simply exacerbate the current situation and in doing so undermine both the crime and disorder and public nuisance licensing objectives.

Additionally the police have already experienced these premises operating later than their licensed hours and the problems this can create to the promotion of the licensing objectives.

Consequently the police object to the Temporary Event Notice to prevent the undermining of the licensing objectives of crime and disorder and public nuisance.
