

Due to a lack of meaningful consultation over the car parking policies in the old Congleton Borough and also the fact that the consultants report on which the report was based, was rejected by the scrutiny committee and cabinet of the old Borough Council, we are mindful to call in the decision of the cabinet today the 16th June 2009. The decision should be further discussed by the Environment Scrutiny committee at its earliest opportunity.

Councillors:-

Gordon Baxendale

Alan Richardson

Andrew Thwaite

John Narraway

Ray Westwood

George Walton

Howard Murray.
