Dear Kim,

Proposed Variation to the Hackney Carriage Table of Fares.

The members met on Monday evening to discuss the above proposals. They voted unanimously to reject them.

We would ask that the increase be brought in over a numbers of years to dilute the effect the proposals will have on customers. The 20% increase between 9.00 and 12.00 pm was also rejected.

However, it was noted that waiting time was proposed to be axed and we would ask for that be reinstated.

Yours sincerely,

For and on behalf of the members of CELVA

## Cheshire East Taxi Group

Cheshire East Council have decided, on the basis of standardising tariffs across the three towns of Macclesfield, Congleton and Crewe to increase your taxi fares.

A majority of drivers across the borough oppose this move as neither the general public nor ourselves have been consulted properly.

Indeed a number of councillors were unaware that there was a proposed tariff increase !!

If you object to Cheshire East council bringing in fare rises without proper extensive consultation please tick the box.
