

NOTICE OF MOTION.

Cheshire East Council Meeting 23 /07/09

That Cheshire East Council suspends car parking charges on Saturdays in Macclesfield Town Centre for a trial period of three months initially. Subject to a review of it's effect in increasing local trade, will if proved successful extend the duration of the scheme, and implement the same measure to other town centres in Cheshire East requiring assistance in regenerating local businesses.
Given the urgency of the need for regeneration assistance within our town centres the trial scheme in Macclesfield should be implemented as quickly as possible.

Cllr Ainsley Arnold

Cllr John Narraway
