Dear Sir/Madam,

I am writing to give a representation of the licence issued to crewe supermarket. Nantwich already has many supermarkets, off licences and pubs. If any more are open there could be more crimes than there is, that will be hard to control for officers. Lately The Crewe Supermarket has applied for a licences and have been open since November 2013. I think that they have be selling illegal tobacco products since they have been open. If the supermarket gets a licence it will continue selling illegal products. I recommend no more licences are issued due to this. This is my opinion to save Crewe's next generations.

Thanks

Yours Sincerely,

DEAR SIR/MADAM,

LATELY THE CREWE SUPERMARKET ON 96
NANTWICH ROAD, CW2 6AT HAS APPLIED FOR A
LICENCE AN ALREADY BEEN OPEN FROM NOVEMBER
2013. WE THINK THAT THEY HAVE BEEN SELLING
ILLEGAL TOBACCOS. ALSO THERE ARE ALREADY
MANY SHOPS AND PUBS THAT HAVE BEEN OPEN FOR
A LONG TIME. I THINK THAT TO SAVE CREWE'S
FUTURE THERE SHOULD NOT BE ANYMORE LICENCES
ISSUED ON NANTWICH ROAD.

Dear Sir/Madam,

I Write concerning the oft licence application at Nantwich Road.

I feel very Strongly that this application should not be allowed, as we already have sufficient outlets along nantwich road.

It is us locals who live and work here that suffer the consequences, and I doubt very much you would welcome another in your back garden eh?

I say definitely NO.

yours Sincerely /.
