10.5.2 The Health & Safety Officer states in his response: at the time of my visit to the above premises it was closed, the access to the premises was in a shared outdoor area which was roughly 18 metres from the main entrance which is adjacent to the footpath on the main highway. As a Health and Safety officer my concerns are with the actual premises, therefore I do not have enforcement powers relating to issues outside these premises. The access and egress to the actual premises appeared to be suitable at the time of my visit.
