Key Participation & Performance**

2014/15

Quarters 1 & 2 - 1st April 2014 to 30th September 2014

\* Target = 1% uplift on previous year's actual attendance

Participation Q1 & Q2	Target *	Actual	Variance
Adult	570,148	554,622	-15,526
16ys & under	493,192	472,874	-20,318
60 Years +	73,931	58,150	-15,781
Disabled	New category	6,302	
Total Attendance	1,393,193	1,347,457	-45,736

**Comment:**

Attendance figures are now extracted from the new single leisure management system and are more accurate than those produced from merging the three former district council legacy systems. In accordance with the contract, the revised baseline figures will be established this year for future comparison.

### Comments:

August

Delivery remains on track, as despite the number of those trained being low over the August month, this is as a result of school holidays, and is a common occurrence each year which we expect to see. Those trained in August came from summer camps and also from a Young Carers Project.
