

Notes:

1. For 100 series General Arrangement drawings see B1832001_100_000 to B1832001_100_005
2. For General Arrangement Layout Plans refer to drawings B1832001/100/001, B1832001/100/002 and B1832001/100/003
3. For longitudinal sections refer to drawings B1832001/100/004 & 005
4. Proposed layout based on 3rd preliminary design fix November 2014.
5. The design shown is preliminary and has been issued for the basis of more detailed engineering, environmental and cost assessments. The design is subject to change following the outcome of these assessments.
6. Ground conditions have been assumed based on information obtained from a desk study. Following the outcome of the Site Investigation significant changes to the earthworks and drainage strategy may be required.
7. Location and size of proposed soakways or attenuation ponds are indicative only. These are subject to change following the outcome of the Site Investigation.
8. Proposed structures are indicative only.
9. Accommodation works and access tracks are indicative only. These are subject to change following further consultation with landowners and maintenance stakeholders.
10. The layout shown does not account for environmental mitigation works (e.g. bunding, planting etc). This will be included following the outcome of the more detailed environmental assessments.

Key:

- Congleton Link Road Emerging Preferred Route
- Watercourse/Waterbody
- Vegetated area
