BUDGET CONSULTATION PROCESS

1. Cheshire East Council completed the Budget Consultation Events for the 2010/2011 Budget in January 2010, where it was able to share budget proposals with stakeholder groups and meet the relevant statutory and best practice requirements.

Background

2. Local authorities have a statutory duty to consult on their Budget with certain stakeholder groups such as the Schools Forum and businesses. In addition, the Council chose to consult other groups, including social care users / carers, third sector organisations, Trade Unions, Primary Care Trusts, members of the Local Strategic and Local Area Partnerships (LSPs/LAPs), Cheshire Police Authority and Cheshire Fire Authority.

Business Planning Process

3. In July 2009, the Cheshire East Cabinet agreed a comprehensive Business Planning Process, designed to align priorities with resource allocation. The process acknowledged the commitment to improving consultation arrangements over the next few years. A two stage approach was confirmed for 2010/2011:

```
Round 1 – held in November 2009
Round 2 – held in January 2010
```

4. The strap line of 'Shaping Our Services' was chosen for the events and further work was undertaken throughout the year to develop the format and content of the events.

Round 1

5. Round 1 of the Shaping Our Services consultation exercise was held in November at the following venues:

```
23rd November - Knutsford High School
24th November - Congleton Town Hall
26th November - Nantwich Civic Hall
```

It was agreed these meetings would be used to ask stakeholders for their views on service priorities. Therefore, they were presented with a list of 24 service areas (attached at **Annex A**) and asked to collectively and individually select:

- 3 service areas where we could "Do more"
- 7 service areas where we could "Do less"
- 4 service areas where we could "Stay the same"
- 6. The events were well attended and prompted some lively debates when opposing view points came together. In all 100 feedback forms were collected

from the first round of "Shaping our Services" consultation events; 50 from the event in Nantwich, 26 from the event in Congleton and 24 from the event in Knutsford. A detailed analysis of the results is shown at **Annex B.**

Round 2

7. Round 2 of the Shaping Our Services Consultation took place in January 2010 as follows

Tuesday 12th January – Schools Forum.

Wednesday 13th January – Business Breakfast

Monday 18th January – Town and Parish Councils

Wednesday 20th January – General People & Places event

Wednesday 20th January – Corporate Trade Unions

Thursday 21st January – Cheshire East Councillors

Friday 22nd January – Cheshire East Councillors

January Consultation Material

- 8. The key purpose of the January round was to consult on the Council's first Pre Budget Report. This document goes some way to address the request of stakeholders for more detailed information and enables the Council to inform stakeholders of the expected service performance and delivery levels in 2010/2011. The Pre Budget Report was circulated in advance of the meetings and made available to delegates at each event.
- 9. The Pre Budget Report was placed on the Cheshire East Council website on 8th January and subsequently placed in libraries and the public areas of Council buildings. The document (at Chapter 6) and website included details of how to comment on the issues.

Format of the January Meetings

- 10. The three headline events took a similar format with presentations relating to:
 - The profile of Cheshire East and achievements in its first year.
 - The financial issues, budget process and key policy proposals for revenue and capital
- 11. The Cheshire East Council Cabinet and Management Team were well represented, with the Leader of the Council and Chief Executive attending most of the events.

Feedback

12. A summary of feedback from the events is attached at **Annex C** in the format of "You said : We did".

Where Next?

13. Cabinet Members have given a clear undertaking to further improve consultation arrangements for the 2011/2012 budget and planning for this will start early in the new Financial year.

Conclusion

14. Cabinet Members reviewed all the feedback from the events and, where possible, have factored these into their detailed budget deliberations. Some of the feedback will assist with setting out proposals for the 2011/2012 Budget.

Communication should be an ongoing process, not an event.	This will be addressed by the People and Places Directorates and consultation will be improved for the next Budget setting cycle.
There is a need to clarify the relationships between the Council and the third sector.	This will be addressed in 2010/2011.
