Has the report been considered at any other committee meeting of the Council/meeting of the CCG board/stakeholders?	The Council's Corporate Leadership Team Meeting The LSCB		

Has public, service user, patient feedback/consultation informed the recommendations of this report?	<p>Yes, the plan was developed in consultation with children and families, frontline practitioners, and LSCB partners. The progress report includes evidence from these key stakeholders to support our evidence of progress to date.</p>
If recommendations are adopted, how will residents benefit? Detail benefits and reasons why they will benefit.	<p>The Children's Improvement Plan aims to improve outcomes for our most vulnerable children and young people through improving the quality of our Children's Social Care services. By scrutinising progress against the plan, challenging Children's Social Care and holding them to account, Health and Wellbeing Board members are ensuring we continue to improve how we safeguard children and young people.</p>
