Dear Sir or Madam

We wish to object to the Public Entertainment (Premises) Licence Application on the field in Bridgemere Lane, Hunsterson.

\* Our concern is the noise and disturbance from the amplified music and the effect it will have on us, as residents, and our animals. \* Our farm is close to this field and we have a herd of pedigree dairy cattle, in addition we have serious concerns regarding the possible use of fireworks.

It is not reasonable to create this noise and disturbance so we trust you will treat these concerns seriously because of the effect it would have on our business.

Yours faithfully
