### **Convenience Store Overview.**

This is a well-established convenience store which is due to undergo refurbishment later this year. The site trades under Shell UK Oil Products Limited and is operated by Hassan Halwani.

### **The Convenience Store.**

The convenience store will have a retail area of approximately 410 sq ft. The purpose-built store has been designed to serve both the local community along with passing trade. The convenience store operates 24 hours per day, seven days per week under the company's own format. The store stocks a range of fresh foods and dairy produce, groceries and other domestic products and will also offer 'express' lunch facilities. In addition, dry fuel products such as BBQ charcoal/kindling/logs will be available. Off sales are a standard and expected feature of the convenience store service.

### **Security.**

The internal and external digital CCTV system will benefit from a recorder with no less than 31 days image retention. Recordings can be made available to Police and other enforcement agencies as needed.

### **The Operation.**

The convenience store will be operated by the Manager assisted by a team of full and part-time staff. The Designated Premises Supervisor, is trained and certified through an accredited scheme and is responsible for training all staff-utilising the Lockett & Co Due Diligence package and keeping complete training records. The Challenge 25 trading initiative will be used supported by the refusals system with records kept in the Refusals Log.

The following two pages provide an overview of the content of the Lockett & Co Due Diligence package.
