

**SOUTHERN PLANNING COMMITTEE – 9<sup>th</sup> January 2019**

**UPDATE TO AGENDA**

**APPLICATION NO.**

18/3879N

**LOCATION**

Ridley House Farm, WHITCHURCH ROAD, RIDLEY, CW6 9RX

**UPDATE PREPARED**

7<sup>th</sup> January 2019

Ansa Environmental Services have carried out a site visit and have had no reports of collection problems from this address which is collected just past the stopping restrictions.

Looking at the planned development area it is not considered that there will be any collection issues as the new properties are positioned further down past any stopping restrictions and further away from the bend.

**Recommendation**

No change to recommendation.
