3.1	All footpaths, bridleways and byways correctly signposted where they leave a metalled road.	C/side Act 68 NERC Act 06	323 signs erected across the borough.	 Installation of additional signs and replacement signs following loss and damage to ensure the requirements of Countryside act 1968 s 27 are fulfilled.
3.2	All PROW clear of obstructions, misleading notices, other hindrances or impediments to use.	HA 80 s130	 Enforcement actions saw 2 notices served for cropping and 17 for general obstruction. Additionally a number of "seven day" warnings were issued in relation to cropping offences. Officers have also been involved in ensuring the removal obstructions etc. in many other cases for which the service of notice did not become necessary (43 "informal" written warnings). 	 Reprint of amended protocols on enforcement (approved by ROW Committee June 2009) and promotion/distribution to landowners. Carry out necessary enforcement work in line with adopted protocols to ensure that the duty set out in Highways act 1980 is fulfilled.

3.5	All PROW inspected regularly by or on behalf of the authority.	HA 80 s58	The path inspection regime has ceased since the loss of the two Assistant Rights of Way Officer posts in the team in 2007, who acted as path inspectors. It has not been possible to continue the survey in such a systematic and meticulous fashion as previously. Bridges continue to be surveyed, but paths in general do not. This could result in a lack of a legal defence to claim(s) for personal injury. All maintenance officers hold biannual meetings with the relevant representative of the walking and equestrian user groups to agree priorities for work.	The maintenance officers will continue to hold bi-annual meetings with the relevant representatives of the walking, equestrian and other user groups to agree work priorities and to discuss the results of the survey work carried out by these groups.
3.6	The authority is able to protect and assert the public's rights and meet other statutory duties (e.g. to ensure compliance with the Rights of Way Act 1990).	HA 80 s130	 All cropping obstructions were responded to within 4 weeks of reporting. A new 'response time' standard for dealing with different sorts of complaints in relation to PROW issues was approved by Committee 1st March 2010. 	Continue to adhere to the response times set out in the new standard.
