- whether the committee has fulfilled its agreed terms of reference
  - whether the committee has adopted recommended practice
  - whether the development needs of committee members have been assessed and whether committee members are accessing briefing and training opportunities
  - whether the committee has assessed its own effectiveness or been the subject of a review and the conclusions and actions from that review
  - what impact the committee has on the improvement of governance, risk and control within the authority.
- 5.2. The requirement to submit an annual report is recommended by the CIPFA guidance and included within Cheshire East Council's Constitution.
