

APPENDIX B

EXISTING WILMSLOW COMMUNITY GOVERNANCE ARRANGEMENTS

Overview prepared by the Chief Executive's and Partnership Unit

Introduction

Community engagement was at the heart of the business case for Local Government Re-organisation, seeking to ensure that services delivered by the new councils are tailored to reflect local circumstances and need.

In Cheshire East the new approach to community engagement is centred around 7 Local Areas which, between them, cover the whole Cheshire East area. As set out in the LGR business case, the new approach to community engagement includes town and parish councils as well as community and neighbourhood groups. Area partnership groups have been established in each of the 7 areas and their purpose is explained in the following section. Clearly these new arrangements are still evolving and will be developed further, reflecting local circumstances.

Wilmslow Local Area Partnership (LAP)

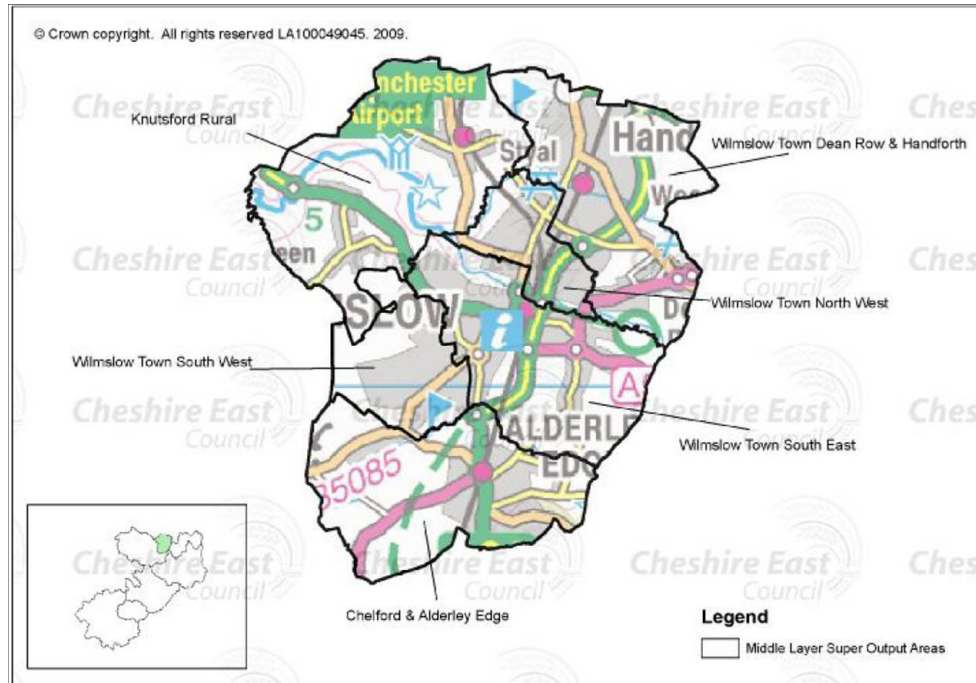

Local Area Partnerships (LAPs) have been established across Cheshire East, to achieve the following outcomes:

- A more effective, co-ordinated approach to tackling local needs and priorities.
- More responsive local management of services.
- Improved engagement with citizens.
- Actual empowerment of citizens.
- Greater citizen satisfaction.
- Enhanced community governance.
- Increased voter turnout.
- Enhanced community leadership role for elected councillors.
- Value for money.

The LAPs are part of the Cheshire East Partnerships Framework and clearly link and work with the Thematic Groups and Local Strategic Partnership (LSP) Executive. The LAPs are working with neighbourhood and community groups in their area, to engage with local people and address very local issues.

Wilmslow LAP brings together people who have an interest and responsibility for delivering improvements in the area. It is an action group, working together to make a difference. It holds regular meetings which are a touchpoint, where LAP members discuss issues and progress on their work in public. The LAP tackles issues through 'task and finish' groups, and currently has a number of such groups in place. Wilmslow LAP has agreed its initial work programme based on evidence and issues identified by LAP members and the local community.

Neighbourhood Features

- In 2007, the population of the Wilmslow Local Area Partnership (LAP) was 35,200¹.
- This represented a tenth (10%) of the population of Cheshire East.
- Wilmslow LAP area contains 6 Middle Layer Super Output Areas (MSOAs), 2 of which it shares with Knutsford, and 22 Lower Layer Super Output Areas (LSOAs). These are based on population characteristics rather than administrative boundaries and form basic units for understanding local information.
- Wilmslow Town has a population of 30,070.

Within the LAP area, there are 3 pockets of disadvantage, the Colshaw and Lacey Green Estates in Wilmslow and the Spath Lane Estate in Handforth. There is some degree of neighbourhood management in these areas, facilitated by the relevant registered social landlords and supported by Cheshire East Council and local partners, acknowledging that these areas have complex needs and require an intensive approach to involve communities to improve outcomes for local people.

The Colshaw Estate

The Colshaw Community Development Group is working to join up local services and develop agreements with service providers to jointly plan and deliver service differently in these areas.

The group includes officers from the Cheshire East Council, Riverside Housing Association, Police and Fire services, Groundwork Cheshire and Connexions.

A recent 'Not in My Neighbourhood' event, coordinated by the Police and Fire Services, in partnership with other agencies, targeted the community of the Colshaw Estate and set up a range of activities addressing issues of anti social behaviour and community safety and awareness. This project was identified as a catalyst for further

targeted work in the area and was established as part of a wider remit addressing anti social area across the LAP area as an ongoing subgroup.

Community Groups

There is a range of voluntary and community groups within the Wilmslow area. The purpose of community engagement work is to build the capacity of our communities to lead partnership working in their area. The Cheshire East LSP and the Wilmslow LAP are committed to supporting both existing and new community led partnerships. These neighbourhood partnerships will contribute to the Local Area Delivery Plan for the LAP.

Community Activities

There is a wide range of community activities in Wilmslow, delivered through local partnerships and community groups. These include environmental and heritage preservation projects, business support programmes, sports initiatives, community events and a community website.

LAP projects / working groups

Since the first meeting in May 2009, the Wilmslow LAP has identified and is progressing the following projects –
