OFFICIAL

b Note the contents of the report and scorecard; and Scrutinise areas where expected levels of performance are not being achieved.

c Acknowledge good and consistent performance

2.2 Scrutiny is asked to acknowledge that this report covers a period of reporting during which time the country was battling the Covid 19 crisis and this has impacted on the performance from mid February to the end of March 2020

3. Reasons for Recommendation/s

3.1 One of the key areas of focus for the Overview and Scrutiny Committee is to highlight areas of poor performance and to scrutinise the effectiveness of plans in place to improve services. Overview and Scrutiny has an important role to play in the performance management systems of the Local Authority. The performance scorecard provides essential data, along with qualitative information, to measure the effectiveness of services. This report and scorecard will be provided to Scrutiny on a quarterly basis to enable the Committee to maintain an overview of performance across the Services.

4. Other Options Considered

4.1 Scrutiny may want to consider the performance of the Service more or less frequently.

5 Adult Social Care, Commissioning & Communities & Public Health

5.1 This quarterly report provides the Committee with an overview of performance across Adult Social Care, Commissioning and Communities and Public Health. This report and scorecard relates to quarter 4 of 2019/20.

5.2 The performance scorecard details the following:

- Measure – details of each performance measure
- Polarity – whether it is good to have the measure high or low
- Statistical neighbour average – gives a comparator against other North West Authorities.
- National average – gives a national comparator figure
- Target – this is either a national target, eg, local one set by the service to provide a 'good/outstanding' service
- Year end 2018/19 – enables Members to compare existing performance to that in the previous year
- Quarterly performance – enables Members to compare performance from quarter to quarter
- RAG – this is a rating of red, amber, green based on current performance

OFFICIAL

- against the expected level of performance
- Direction of travel – this is demonstrated via the smiley faces
- Comments – this provides a general commentary on the information presented

6 Performance Overview

- 6.1 The performance scorecard at Appendix 1 includes 32 separate measures covering all areas of the service. Some of these measures are non-performance related, eg those that relate to population cohorts. In total, 26 of these measures relate to performance and have been RAG rated.

A breakdown summary is set out as follows Social Care Quarter 3.
