## Call In of Transformation of Highways Sub- Committee decision (15 July 2010)- Transformation of Highways Services

The 8 listed councillors below have called in the decision of the Transforming Highways Sub Committee to Corporate Scrutiny on the grounds:

- 1. That because of the value of this contract it should be subject to scrutiny;
- 2. That Members have not been given the opportunity to scrutinise other options for the delivery of Highway services, for example, alliances with other authorities;
- 3. The impact on the employment of Highways Staff by the proposed outsourcing.
