Dear Licensing Officer,

I wish to object to the application from Wilmslow Rugby Club for a Premises Licence which, if granted, would fundamentally change the nature of the club, enabling it to stage public events, with up to 3,000 people.

These are the grounds for my objection:

The club has limited parking so a public nuisance will be generated by large numbers of people parking anywhere in this residential area.

These outdoor events, with the unregulated sale of alcohol, from "Licensed open air bars" are likely to result in vandalism and damage to property. Already experienced by the Rugby Club.

Excessive noise generated by this outdoor events, especially late at night, is totally unacceptable in a quiet residential area.

I object to all aspects of the change of license to a Premises license .

Thank you
